CULTURE GRAMMAR

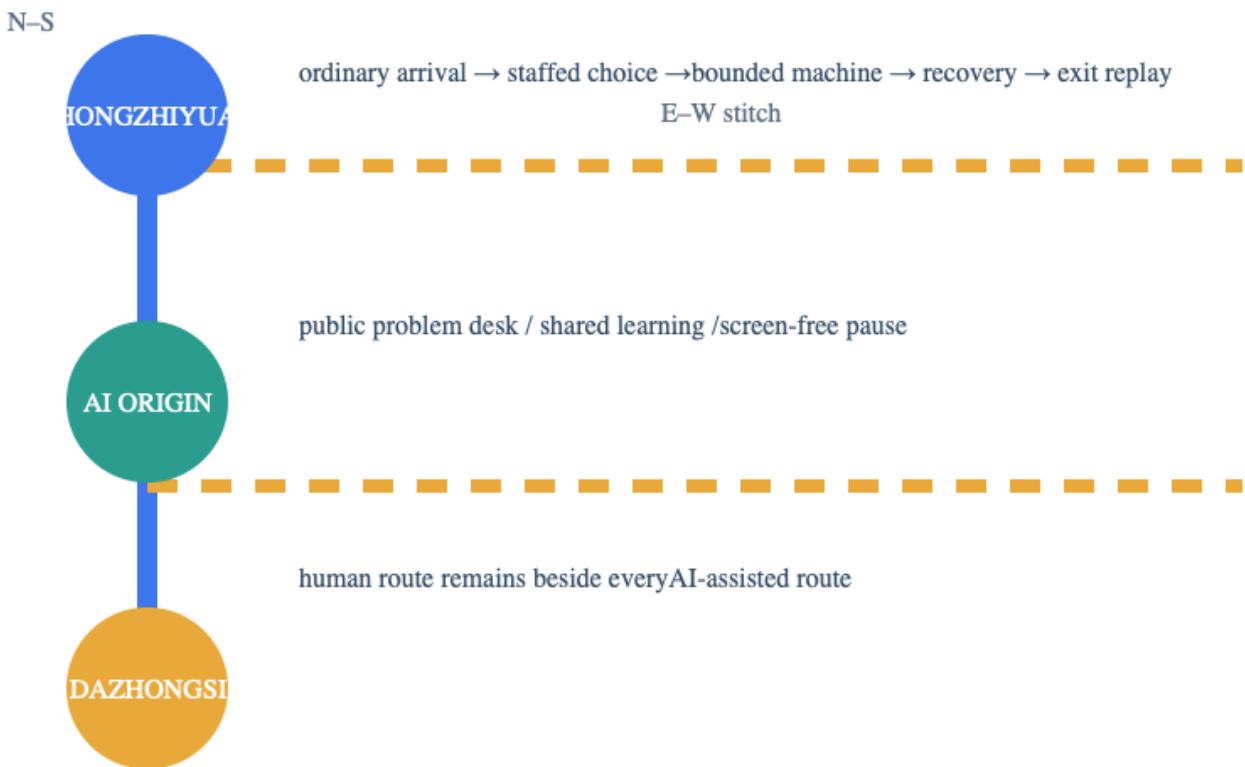

Rail = Jing-Zhang continuity; time = annual version release; interface = public explanation and human authority.

All landmarks and operating rhythms are conceptual suggestions / reference schemes for professional teams. official_boundary=false; geometry_role=provisional_constraint; no operator, permit, funding, capacity, or field outcome is claimed.

North-south continuity + east-west stitching · contribution display · community-to-release pathway

Connector strategy

Existing anchors are reused; directions are a reading rule, not a surveyed route.

Stop: no authorization, accessibility review, accountability or replay → remain at the previous gate.

Reusable public-space components
