

LIGHT-START JING-ZHANG

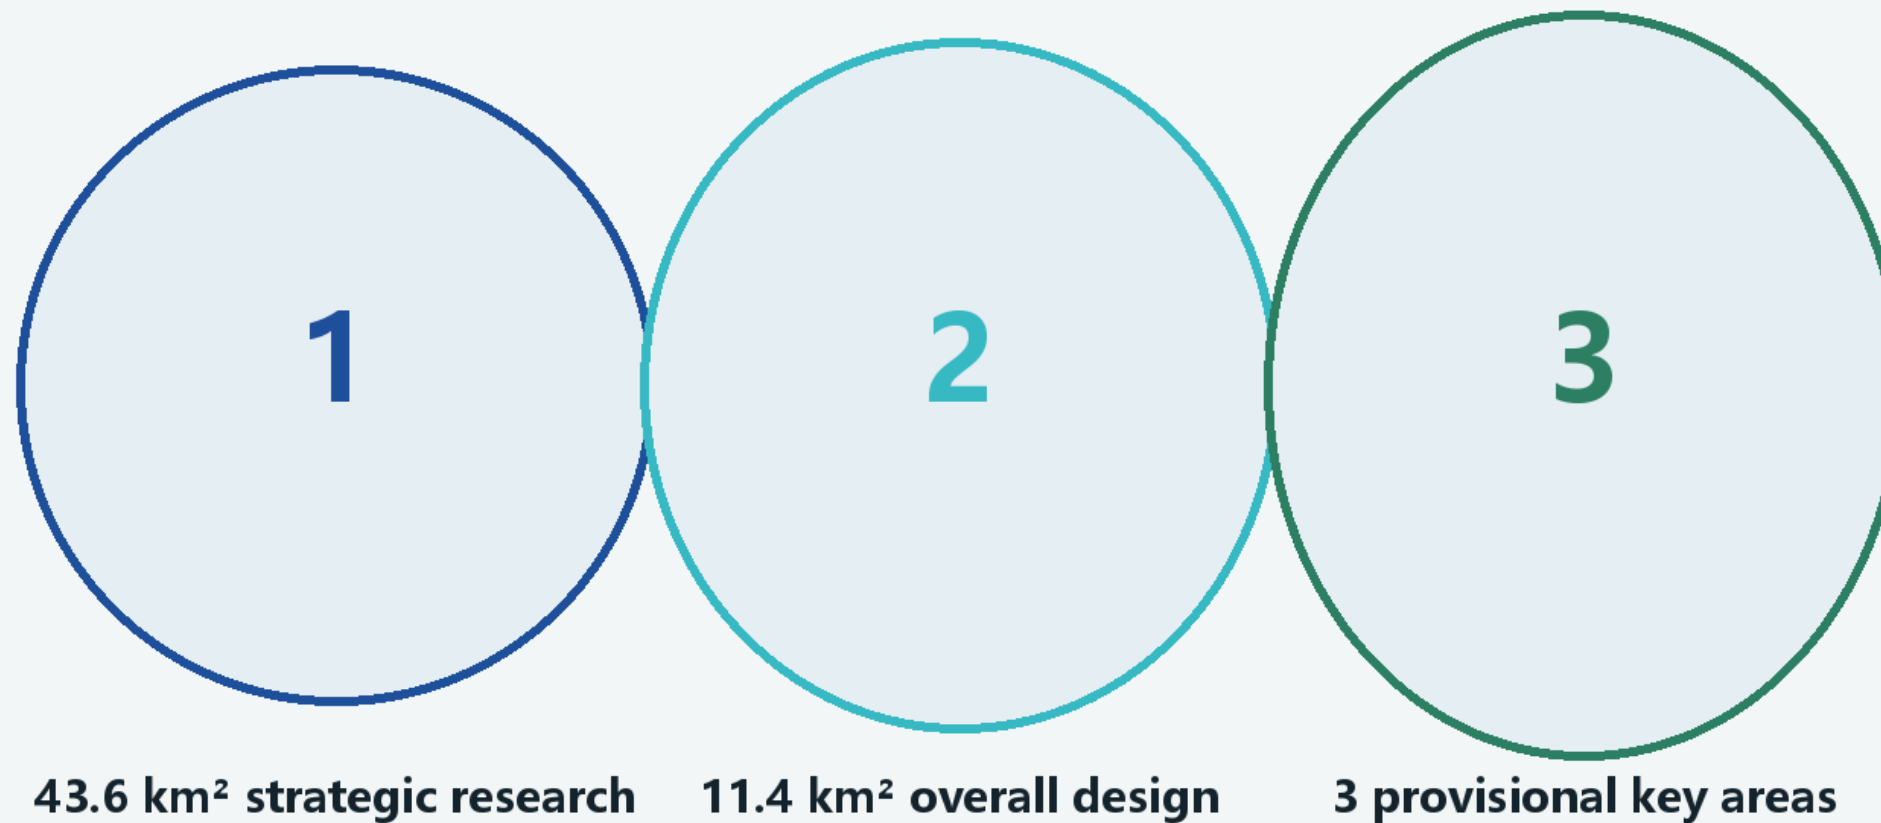

Operate First, Build Later

THREE SCALES • ONE EVIDENCE GATE

Operate first. Build only after public value is proven.

LIGHT-START JING-ZHANG

SIX-GATE CHECK

- Site
- Rights & permit
- Planning
- Utilities & safety
- Operations
- Stakeholders

NO-BUILD GATE

Provisional geometry supports review, never official redlines. All figures recalculate when official data arrives.

EXISTING-FIRST SPATIAL SYSTEM

LIGHT-START JING-ZHANG

Four carrier types + five reversible actions

01

Shared ground
floor

02

Existing courtyard

03

Permitted public
surface

04

Time-bounded
meanwhile space

KEEP

retain fabric

CHECK

safety & access

BORROW

lawful agreement

PLUG-IN

dry connections

EXIT

restore or move

Temporary use never changes statutory land use.

THREE LIGHT-START YARDS

Carrier types, permissions and accountable trials—not invented properties.

LIGHT-START JING-ZHANG

01

Standards Trial Yard

edge AI · safety · low carbon

- carrier match
- permission
- human fallback
- stop & exit

02

Open-source Transfer Yard

licensing · release ·
incubation

- carrier match
- permission
- human fallback
- stop & exit

03

Urban Service Yard

dual-entry service ·
international demo

- carrier match
- permission
- human fallback
- stop & exit

PROV-KEY-003 is not precise Dazhongsi station evidence.

PUBLIC SPACE WITHOUT DIGITAL EXCLUSION

LIGHT-START JING-ZHANG

Walking · green-blue · service · manual fallback

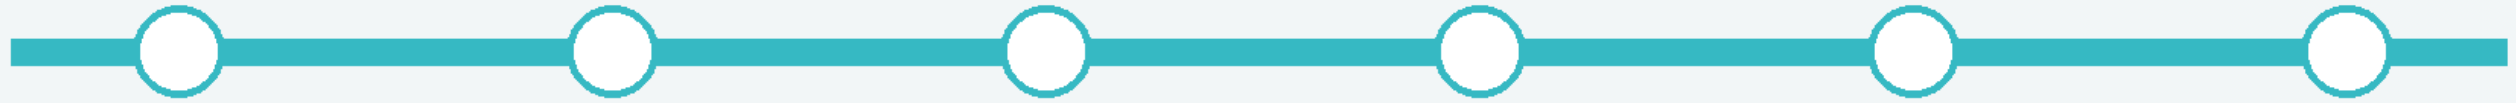

WALK

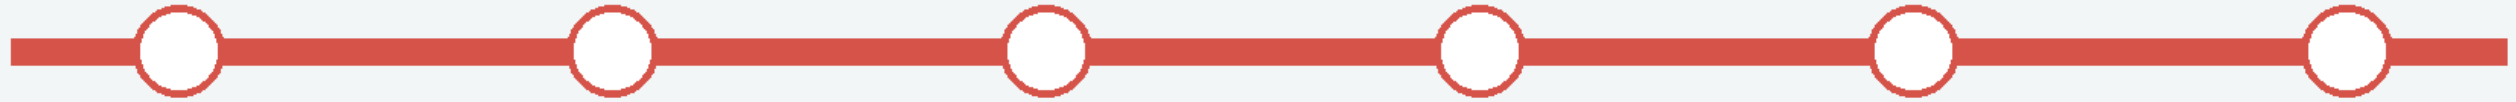

GREEN-BLUE

SERVICE

HUMAN

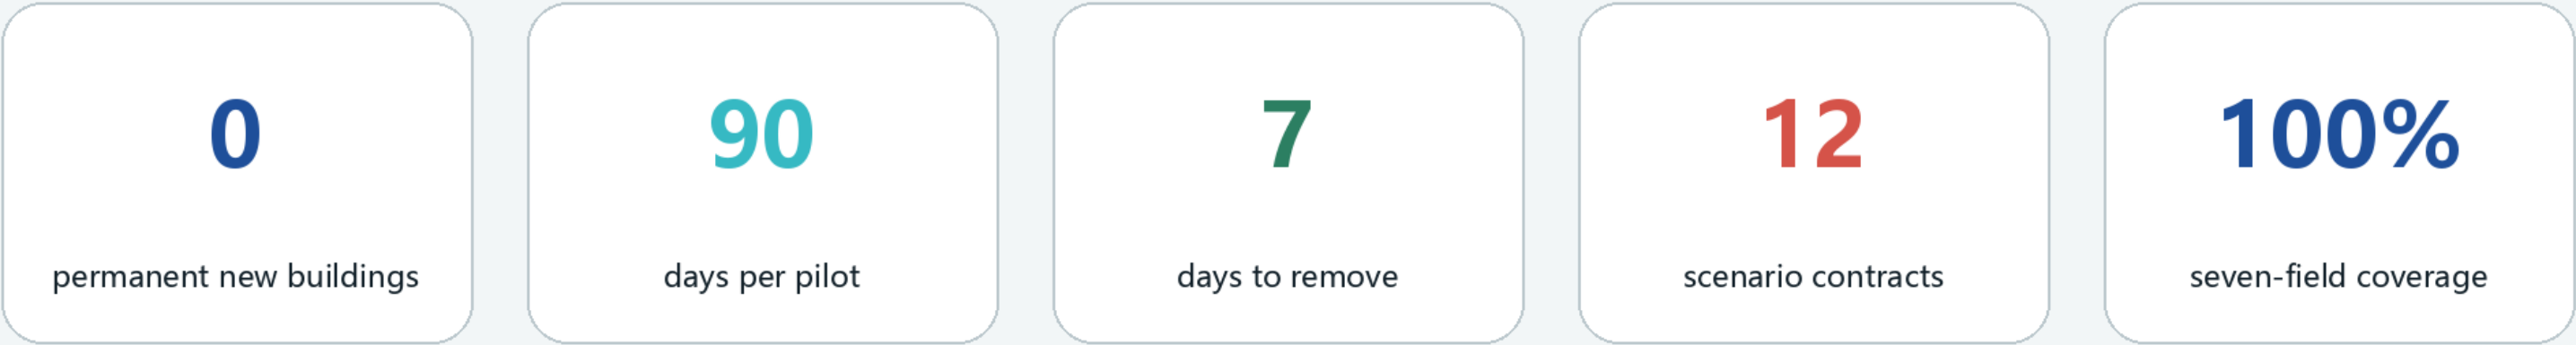

No face recognition · no individual tracking · paper / phone / staffed channels remain

MEASURES THAT CAN STOP A PILOT

LIGHT-START JING-ZHANG

Targets are design rules, not claimed performance.

No owner, no permission, no baseline, no opening.
