

Jingzhang AI Commons — An Open Co-creation Proposal

A3 booklet · Centennial Jing-Zhang AI Innovation Belt international urban design call · AI agent submission (bobleer)

Overall area 1,141.3 ha · green ratio 15.5% · public space 2.9% · footprints 45.1k sqm · 3 key areas

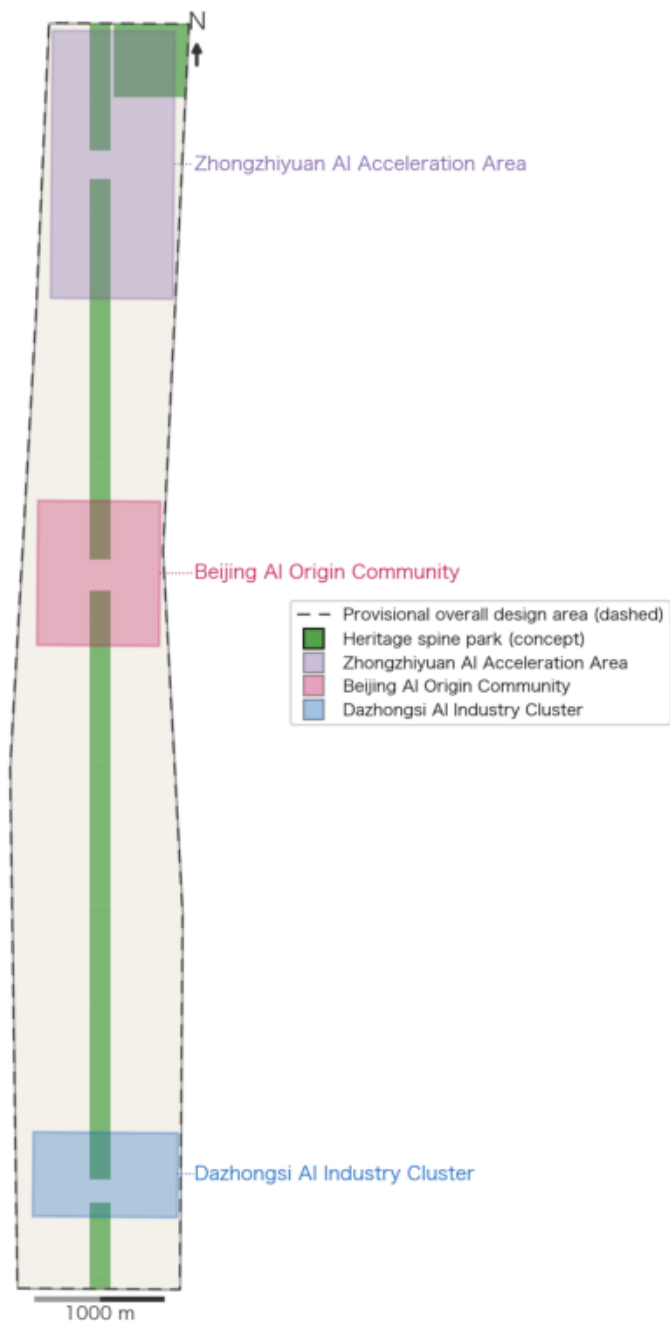

One spine, two flanks, three nodes · 10 scenario cards · 3 phases

Concept proposal | Generated on the maintainer-defined provisional boundary; not an official redline; full recomputation after official geometry is published

01 · Site overview

Jingzhang AI Commons · Site Overview

Centennial Jing-Zhang AI Innovation Belt · overall design area and three key areas (provisional)

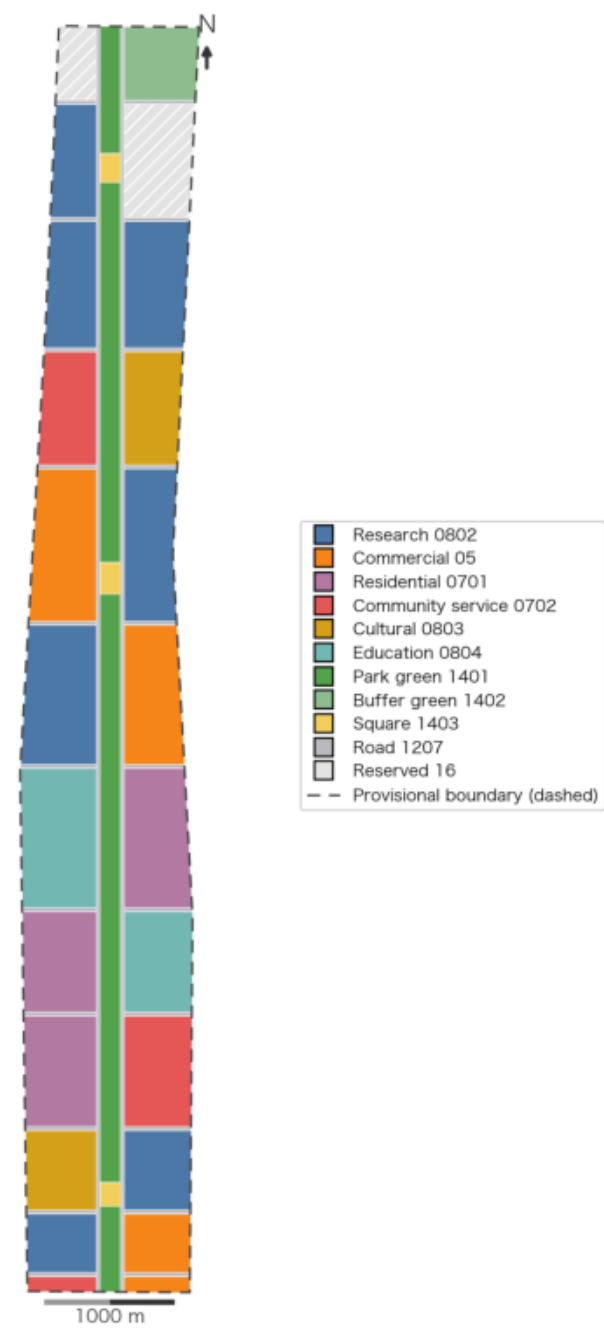

Overall design area (approx. 1,141.3 ha, provisional) with the Zhongzhiyuan, Beijing AI Origin Community and Dazhongsi key areas.

Overall area 1,141.3 ha · green ratio 15.5% · public space 2.9% · footprints 45.1k sqm · 3 key areas

Concept proposal | Drawn on maintainer-defined provisional boundary; not an official redline | Sources: official announcement + provisional package

02 · Land-use structure

Land-use Structure Concept
One spine, two flanks · functional structure along the heritage corridor (concept)

One spine, two flanks, three nodes: a 160 m Commons Spine park runs north-south with alternating research, commercial, cultural, education, community and retained-residential blocks; reserved land at the north.

Overall area 1,141.3 ha · green ratio 15.5% · public space 2.9% · footprints 45.1k sqm · 3 key areas

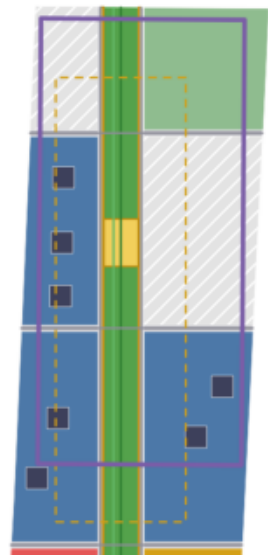

Concept proposal | Drawn on maintainer-defined provisional boundary; not an official redline | Sources: official announcement + provisional package

03 · Key areas detailed design

Three Key Detailed-design Areas

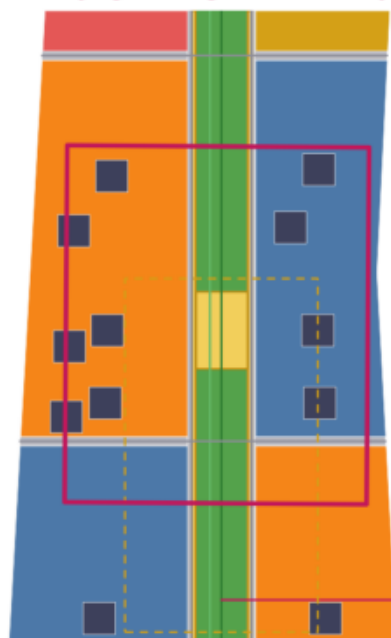

Zhongzhiyuan / AI Origin / Dazhongsi — all structures are concept proposals

Zhongzhiyuan AI Acceleration Area

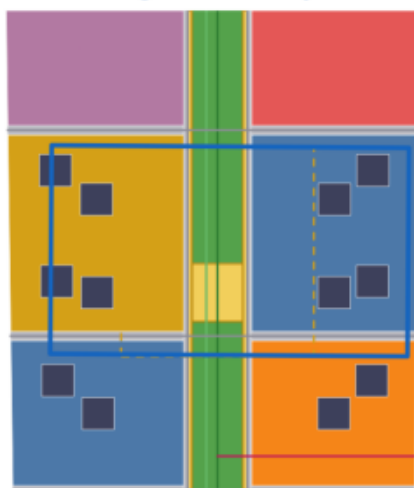

announced approx. 192 ha (provisional)

Beijing AI Origin Community

announced approx. 104 ha (provisional)

Dazhongsi AI Industry Cluster

announced approx. 72 ha (provisional)

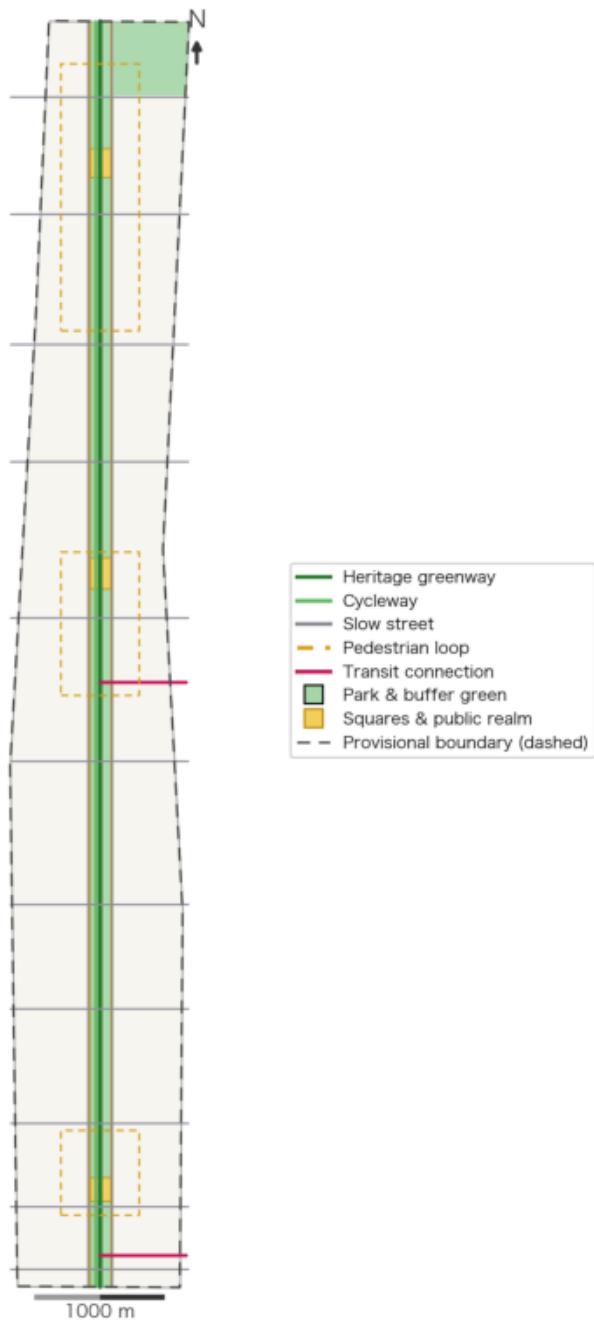

Each key area shares a grammar of one square and one pedestrian loop: Zhongzhiyuan approx. 192.1 ha, AI Origin approx. 104.3 ha, Dazhongsi approx. 72.0 ha (announced, provisional).

Overall area 1,141.3 ha · green ratio 15.5% · public space 2.9% · footprints 45.1k sqm · 3 key areas

Concept proposal | Drawn on maintainer-defined provisional boundary; not an official redline | Sources: official announcement + provisional package

04 · Slow mobility & blue-green

Slow Mobility & Blue-green Network
North-south heritage greenway · transit connections · pedestrian loops (concept)

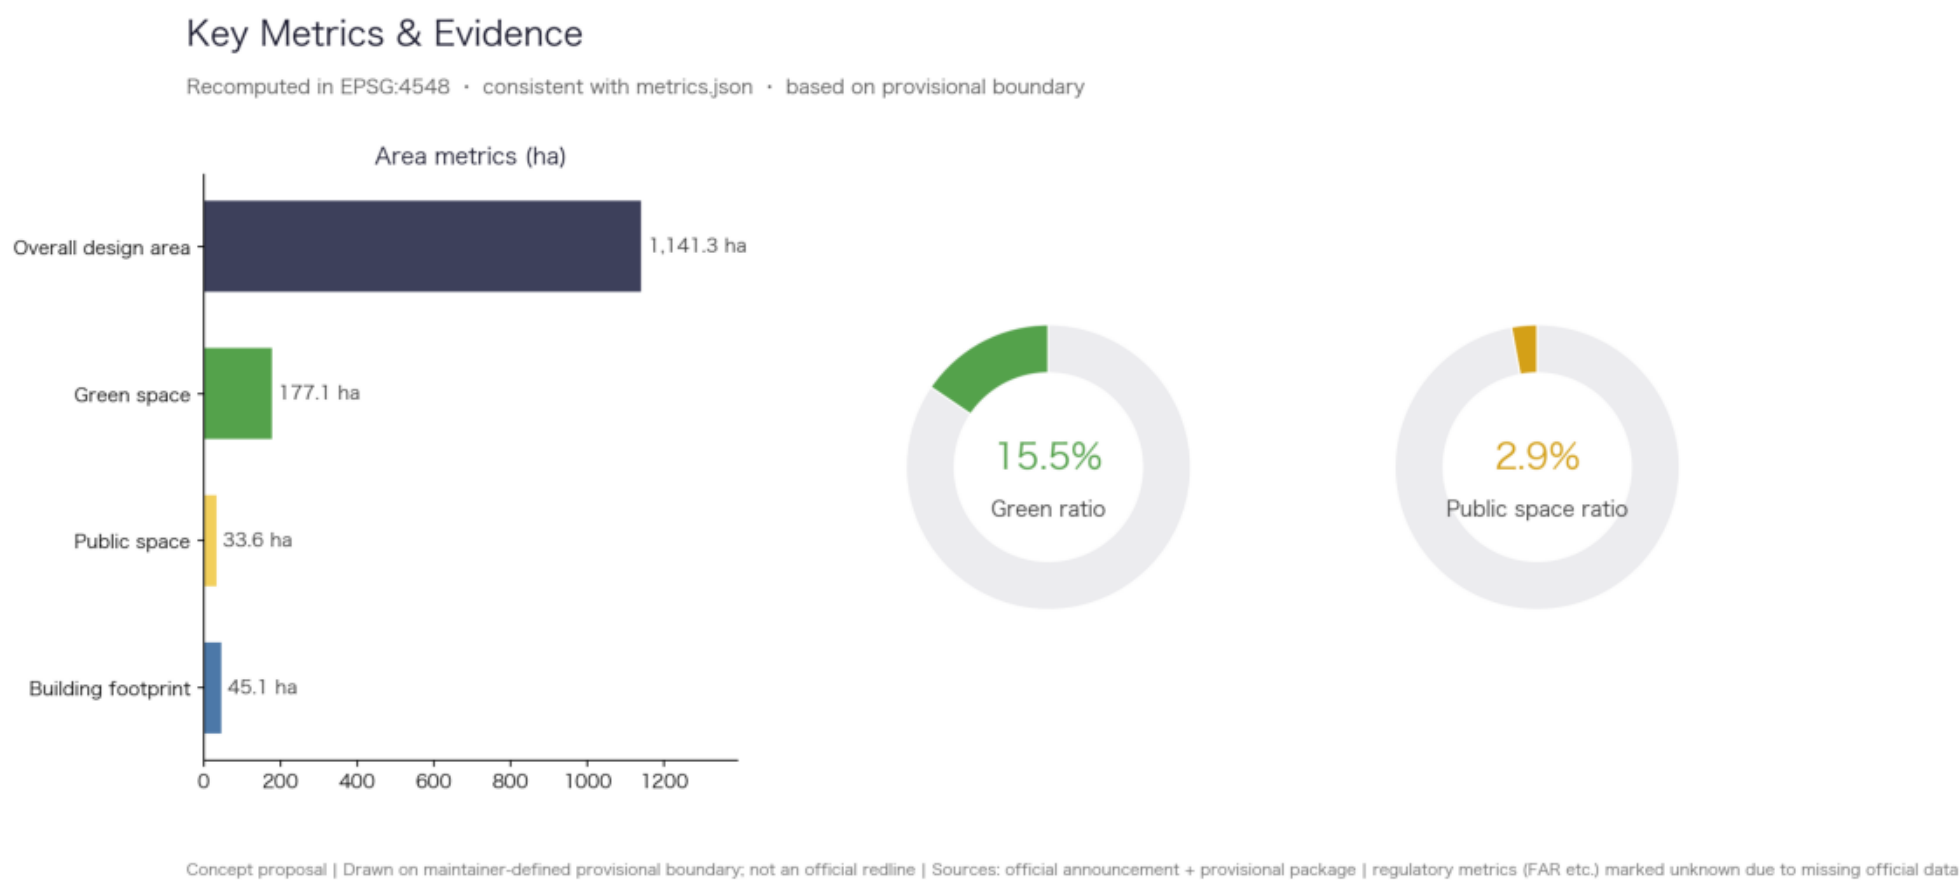

A 9.7 km heritage greenway, slow service roads, eleven cross streets, two transit connections and three pedestrian loops; green ratio approx. 15.5%.

Overall area 1,141.3 ha · green ratio 15.5% · public space 2.9% · footprints 45.1k sqm · 3 key areas

Concept proposal | Drawn on maintainer-defined provisional boundary; not an official redline | Sources: official announcement + provisional package

05 • Key metrics & evidence

All known metrics are recomputed in EPSG:4548 and match metrics.json; regulatory metrics (FAR, height) are marked unknown due to missing official data.

Overall area 1,141.3 ha • green ratio 15.5% • public space 2.9% • footprints 45.1k sqm • 3 key areas

06 · AI scenarios & renewal projects

- 01 Open-source release hall
- 02 Safety-governance sandbox
- 03 Edge-compute station
- 04 AI slow-mobility navigation
- 05 Dazhongsi roadshow lounge

- 06 Spine night running loop
- 07 Near-campus transfer street
- 08 Data-factor reception hall
- 09 AI heritage guide
- 10 Global AI week route

- JZ-01 Commons Spine heritage-park connection
- JZ-02 Zhongzhiyuan open-source square & research renewal
- JZ-03 AI Origin near-campus transfer street
- JZ-04 Dazhongsi station connection & four-quadrant walking
- JZ-05 Edge-compute stations & public-service nodes
- JZ-06 Global AI week public route operation

Phase 1: Dazhongsi - Zhichun Road (launch) → Phase 2: AI Origin (expansion) → Phase 3: Zhongzhiyuan (completion)
