

JINGZHANG SPIKE · Site Overview & Spatial Structure

Overall Design Area (provisional) · One Corridor, Three Spikes, Two Wings

Three Key Areas

Zhongzhiyuan AI Acceleration Garden · Full-stack · 192.1ha

Concept & Key Areas

One corridor (9-km Jing-Zhang green corridor), three spikes (Forge/Origin/Hub), two wings (service/scenario fasteners). The three key areas reach Integrated Planning Implementation Plan depth; all based on the provisional boundary and to be recomputed when official polygons are released.
