

JINGZHANG PASSING-BY: The City of Yielding — Overview

- 05 Commerce
- 0701 Residential
- 0702 Community
- 0802 R&D
- 0803 Culture
- 0804 Education
- 0806 Medical
- 1401 Park green
- 1402 Buffer green
- 1403 Plaza
- 16 Reserved
- Key area (provisional)
- Nine stitching roads

Boundaries & key areas are provisional; recalculate after official redlines.

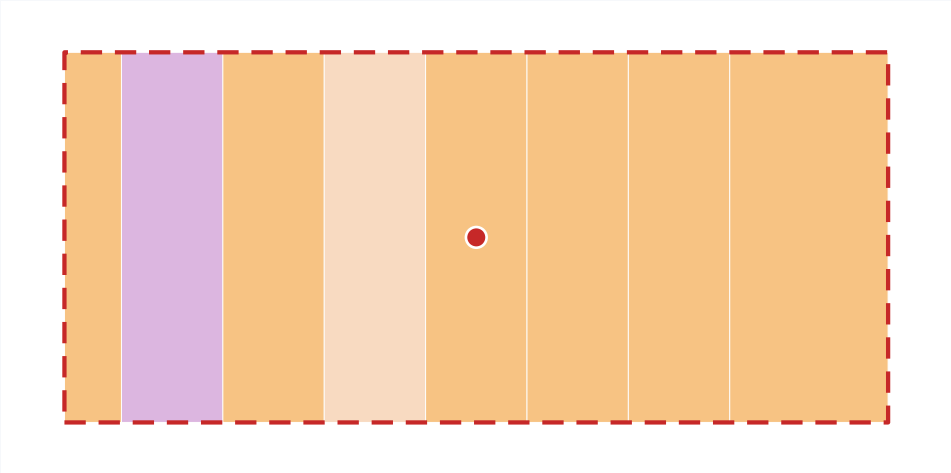

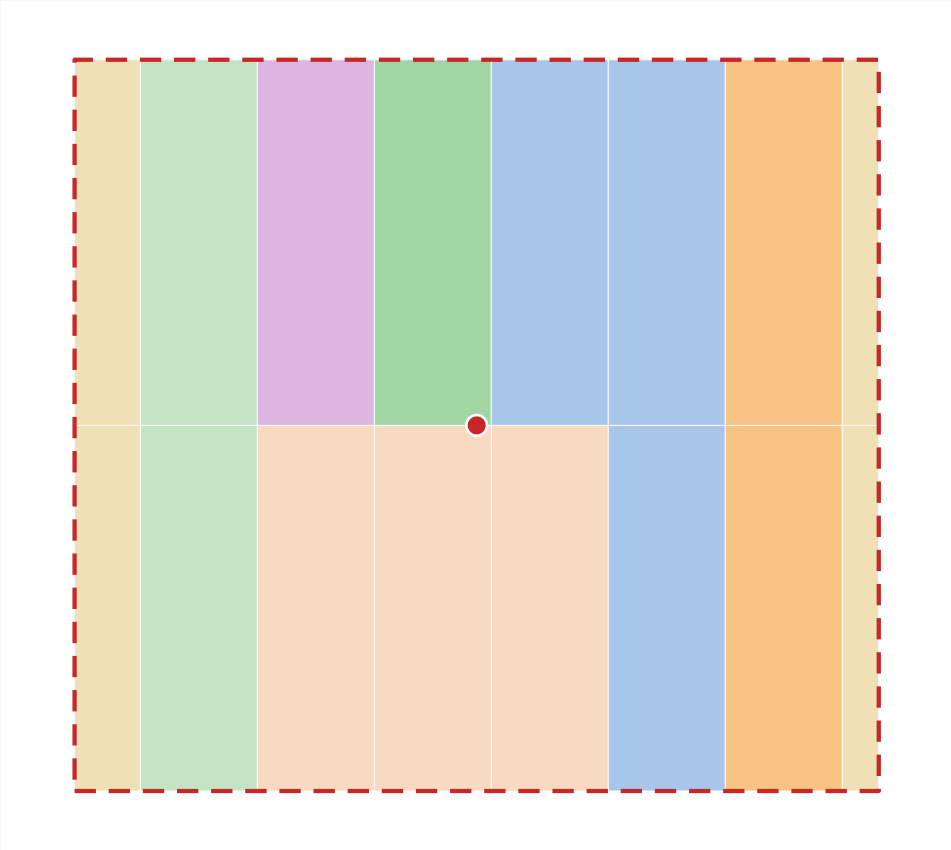

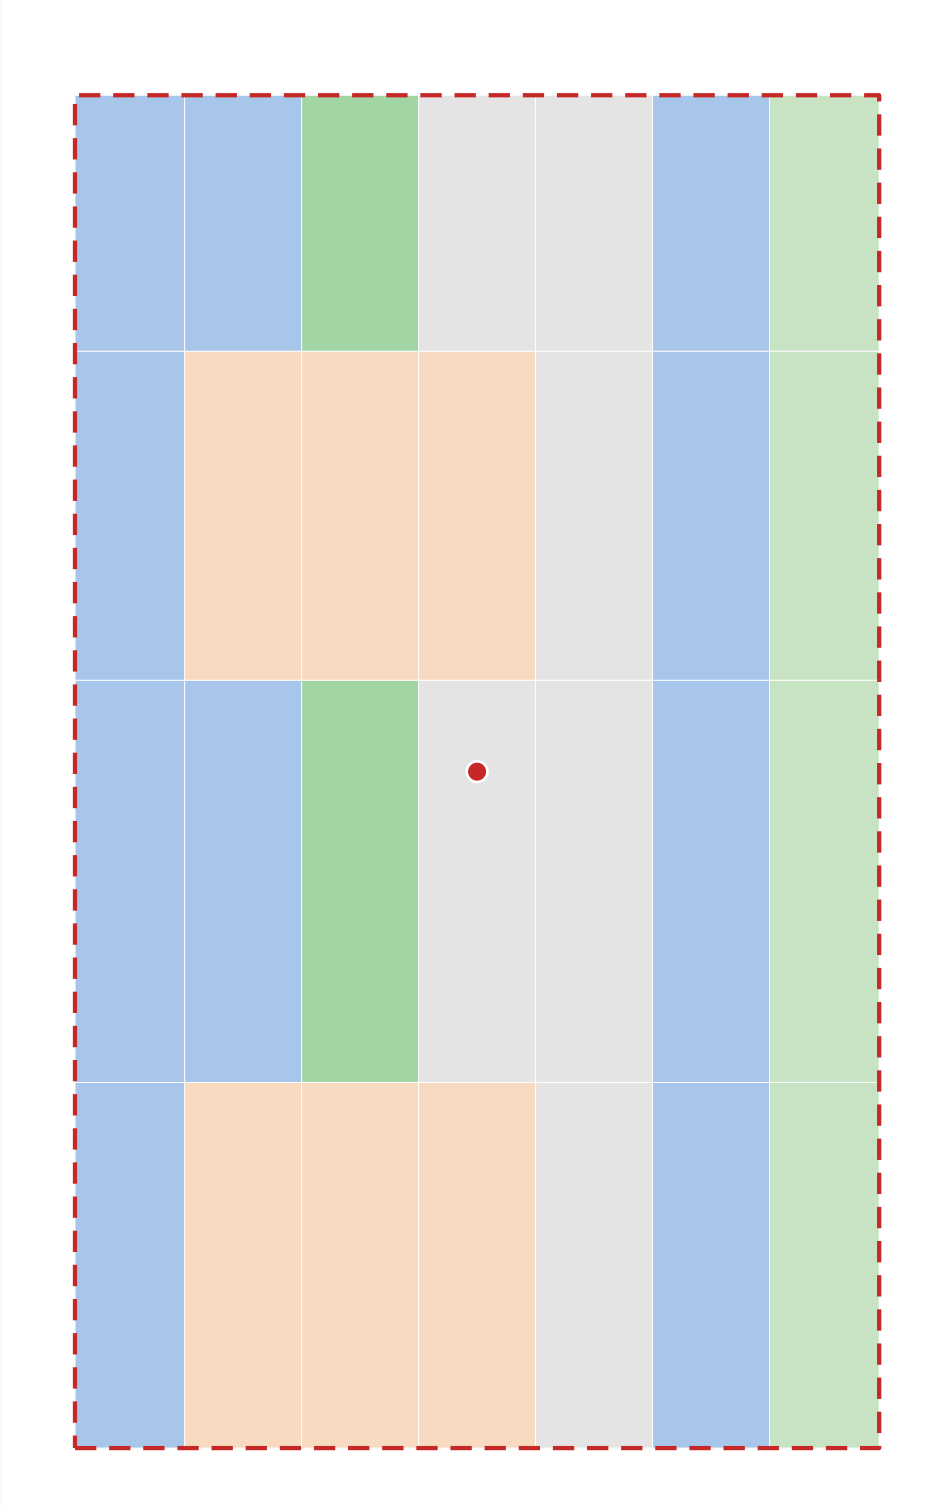

Land Use: shared 9x18 grid · 157 parcels

Three Key Areas — Detailed Design

Mobility & Blue-Green System

Boundaries & key areas are provisional; recalculate after official redlines.

Blue-green system

Primary: time-spine green ridge (~9.3 km)

Secondary: Xiaoyue River transverse band

Pilgrimage landmarks

① Zhan Tianyou Passing Platform ② Yielding Bell ③ Switchback Tower

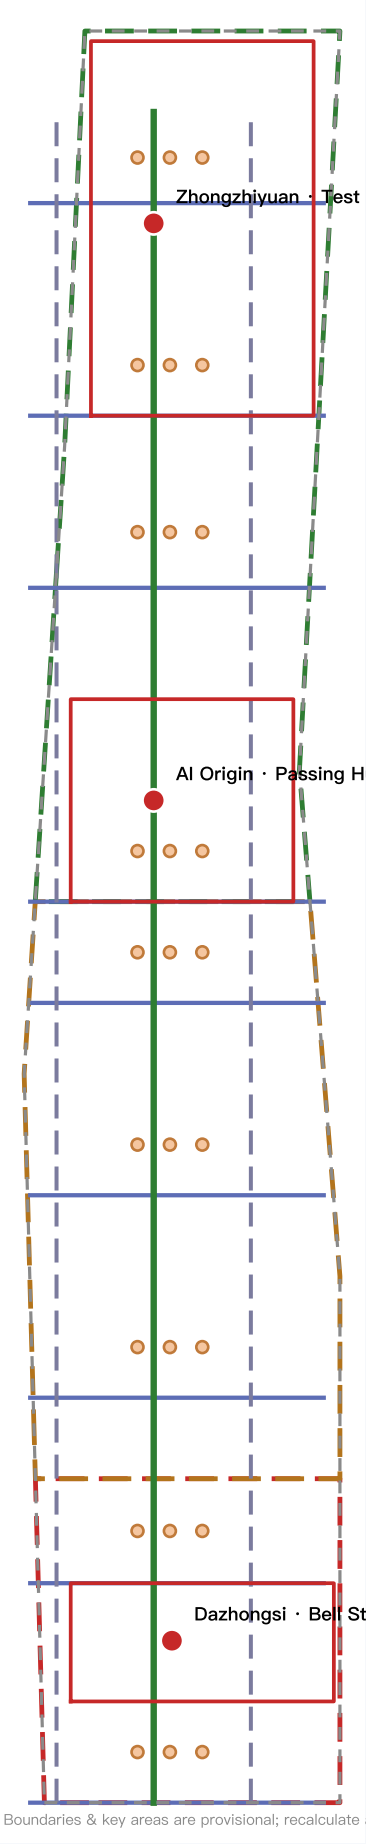

Honour display

'Passing Milestone' developer honour nodes along the ridge

Core Metrics & Evidence Chain

总体设计范围 / Overall design area	11.41 km ²
绿地率 / Green ratio	10.7%
公共空间率 / Public space ratio	18.8%
建筑密度 / Building density	11.0%
绿脊长度 / Spine length	9.27 km
让行口 / Passing points	9
场景卡 / 画像 / Scenario cards / personas	10 / 5
朝圣地标 / Landmarks	3
更新项目 / Renewal projects	12
容积率 / FAR	pending official data

Phasing & Long-term Operations

Boundaries & key areas are provisional; recalculate after official redlines.

Phase 1 (2026–2028)

Dazhongsi Bell Station · Origin Passing Hub

Phase 2 (2028–2031)

Nine-pass roads · Xiaoyue River band

Phase 3 (2031–2035)

Zhongzhiyuan park · Switchback Tower

Annual events

Passing Day (Sep) · Yielding Week · Yielding Protocol Forum

Developer community

Passing Milestone badges · open source · scenario openness

Conversion path

Roadshow → entry → scenario → launch
