

- Concept: Jing-Zhang AI Pulse Belt (JZ-AI Belt) — From Iron Rails to Neural Tracks
- Three levels: Research 43.6km² / Overall Design 11.4km² / Key Areas 368.4ha
- Three Areas Two Wings: Zhongzhiyuan · AI Origin · Dazhongsi + Zhongguancun Service · Xiaoyuehe Empowerment
- Spatial structure: One Belt, Three Cores, Multi-Scenario, Blue-Green Loop
- 10 AI scenario cards + 3 industry test scenarios + 5 user personas
- 3 AI pilgrimage landmarks: Pulse Monument · Contributor Honor Wall · Test Light Tower
- Regional synergy: with Future Science City, Huairou Science City, E-Town and Jing-Jin-Ji
- Cultural narrative: From Iron Rails to Neural Tracks
- Annual events: one festival/season, one event/month, one activity/week
- Disclaimer: All outputs are open co-creation concepts, not statutory plans; provisional boundaries pending official data
