

A0-1 Quiet likeness, human check, ordinary service

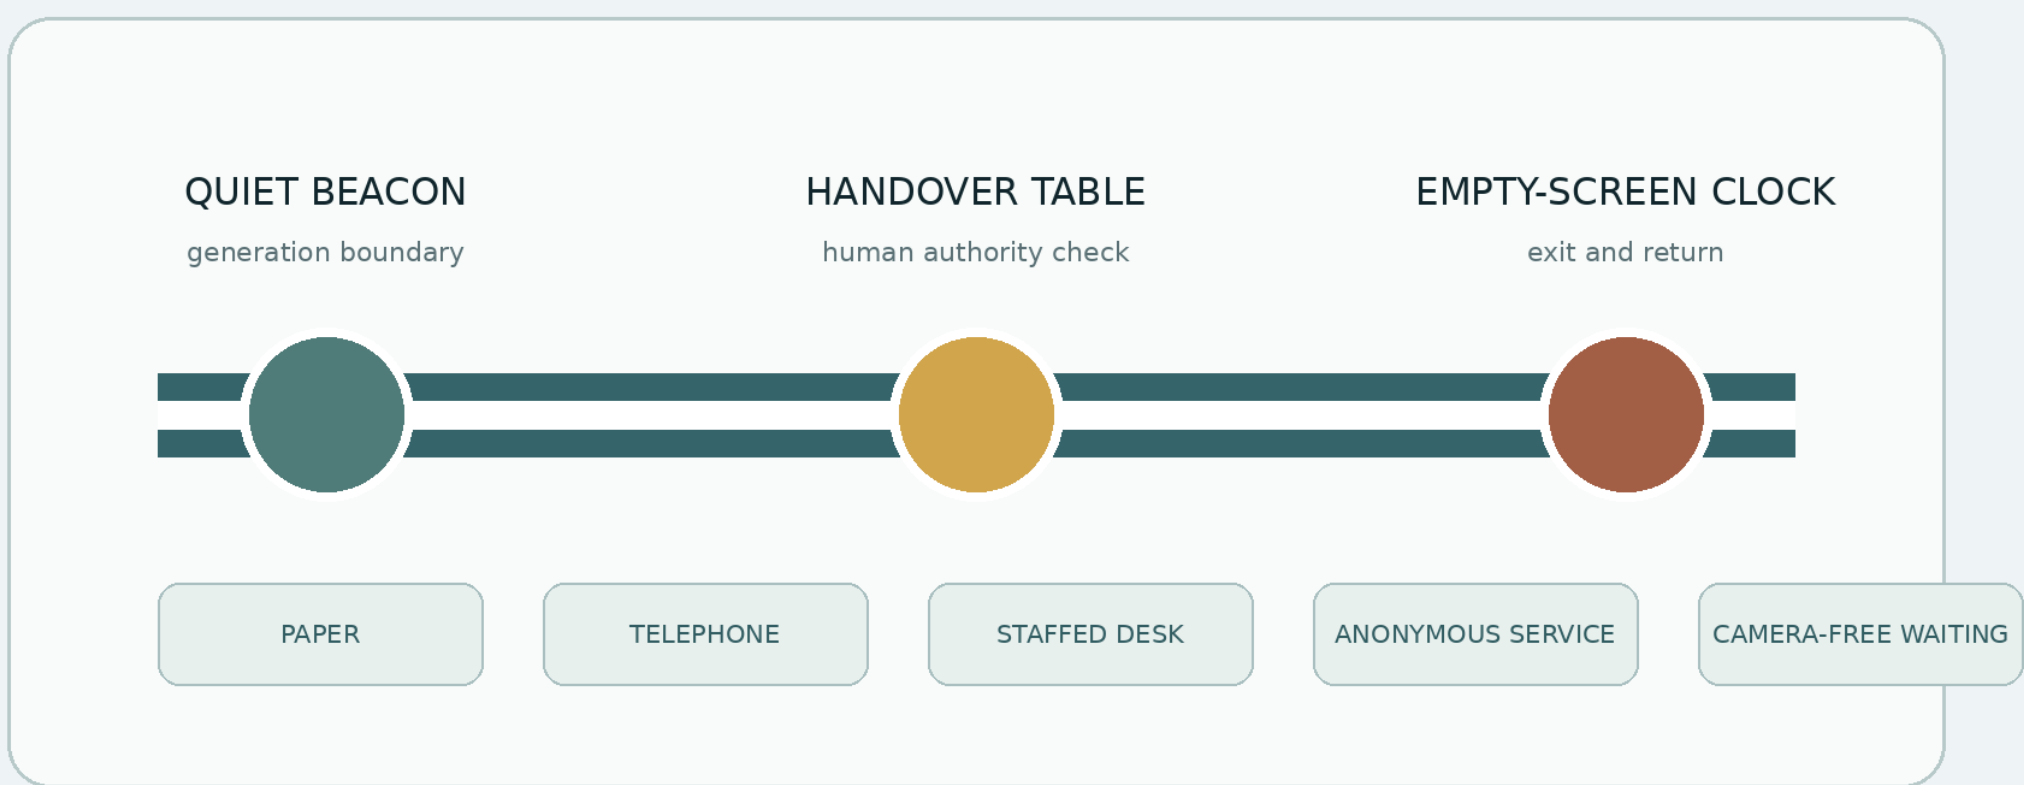

Concept proposal; rough provisional geometry supports intake, internal recalculation, and professional development only.

Concept proposal; rough provisional geometry supports intake, internal recalculation, and professional development only.

AI OFF, THE ORDINARY-SERVICE ROUTE STILL WORKS

Service continuity never depends on personal image, voice, device, or memorial content

Emergency, medical, policing, succession, proxy, or capacity decisions leave the prototype for competent human routes

PROVISIONAL ROUGH GEOMETRY | CONCEPT ONLY | NOT LEGAL APPROVAL, OR IMPLEMENTATION EVIDENCE
