

ONE ERROR, EQUAL REMEDY | RESPONSIBILITY—SPACE—TASKBOOK BOARD

A0 | CONCEPT, SYNTHETIC VERIFICATION, PROVISIONAL GEOMETRY

7 GATES

SIX TASK BOARDS

AGENT.1
Identity + structure
Error node, remedy ripples, ordinary-service baseline; distinct duties across three areas and two wings.

AGENT.2
Ecosystem + industry space
Six cases stay question prompts; eight inputs connect version evidence, space, and public accountability.

AGENT.3
Scenarios + tests
12 scenarios, 6 personas, 4 tests, and 60 row-level fixtures; AI makes no final decision.

AGENT.4
Landmarks + components
Three legible responsibility landmarks, six removable components, and non-ranking honor display.

AGENT.5
Culture + communication
Preserve the shared fact, review each person at the stop, repair fairly, and support a clear exit.

AGENT.6
Events + operations
Quarterly rehearsal, semiannual omission audit, annual AI-off trace, and forum form a stoppable loop.
