Core Indicators and Renewal Projects

11,412,825Boundary area m2
0.051743Green ratio
0.035573Public-space ratio
194,265Building footprint m2
3Key-area count

Submitted boundary area [site_area_sqm]

Green ratio [green_ratio]

Public-space ratio [public_space_ratio]

Building footprint area [building_footprint_area_sqm]

Key-area count [key_area_count]

Phasing area [phasing_area_sqm]

This board is a presentation artifact; authoritative data is in structured files. Boundaries and key areas are provisional_constraint pending official recalculation.
