

Jing-Zhang AI Spine - Rejuvenation Future Habitat Belt

Centennial Jing-Zhang AI Innovation Belt | Board 1: Overall Concept & Spatial Structure

Core Concept: Future Habitat (Industry + Living + Ecology)

One Spine (Jing-Zhang Railway Heritage Park) + Two Wings (Zhongguancun Tech Service / Xiaoyuehe Scenario Empowerment) + Three Nodes (Zhongzhiyuan / Origin Community / Dazhongsi), Integrating centennial railway culture, Chinese fengshui wisdom (Cangfeng Juqi, Beishan Mianshui, Tianren Heyi), and AI innovation ecosystem. Landing on the great rejuvenation of the Chinese nation: from the Road of Pride (1909) to the Road of Rejuvenation (2049).
