

Jing-Zhang Civic Weave | A0 Board

CONCEPTUAL URBAN DESIGN / PROVISIONAL GEOMETRY

01

Civic Intelligence Spine

- Heritage park as the daily civic axis
- Continuous shade, walking and service nodes
- Provisional scope is display-only

02

Three-Anchor Strategy

- Zhongzhiyuan: testing and governance
- AI Origin: campus conversion and open source
- Dazhongsi: transit showcase and exchange

03

Phasing and Governance

- Near term: reversible public-service pilots
- Medium term: renewal and infrastructure coordination
- Long term: official data and professional review

Boundary and control conditions must be replaced with organizer-supplied official files before professional scoring.
