

JINGZHANG LOOP

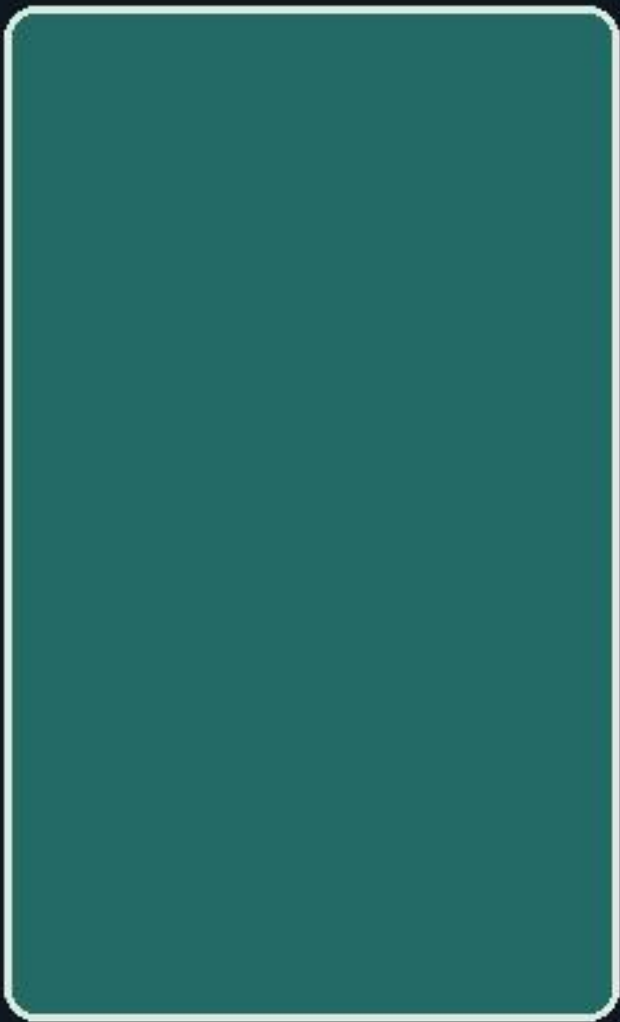

SITE OVERVIEW / provisional constraint for design discussion

ONE SPINE · THREE AI STATIONS · TWO WINGS

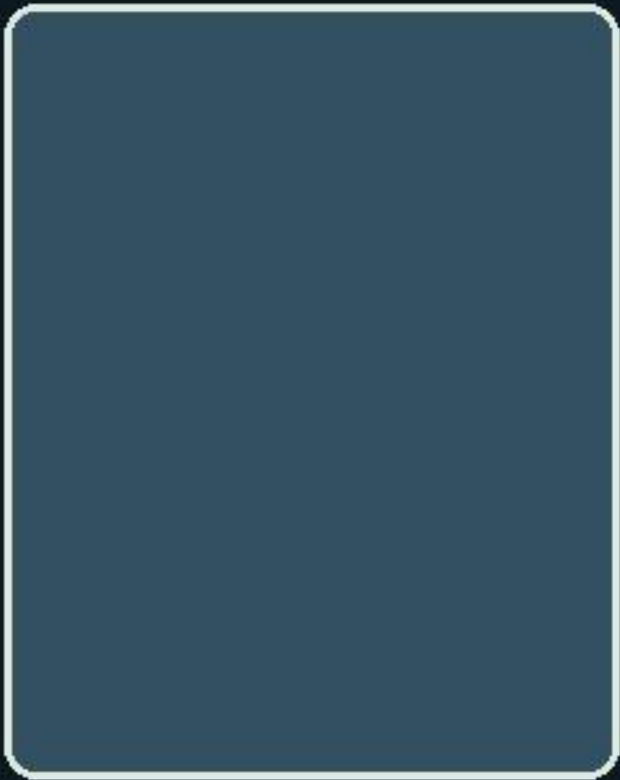

LAND USE + PUBLIC STRUCTURE

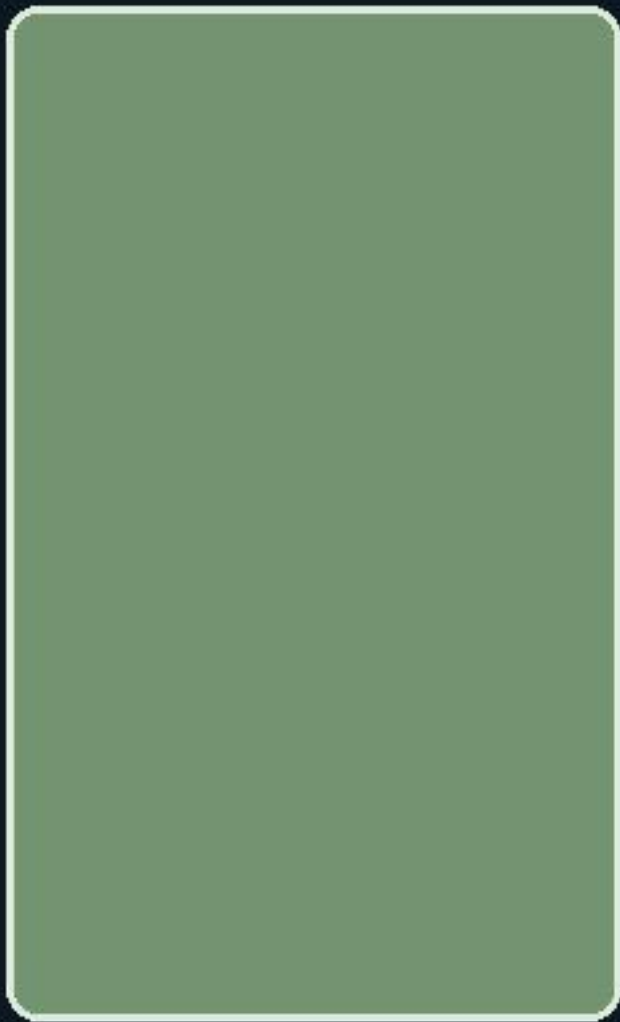

LAND USE STRUCTURE / concept allocation

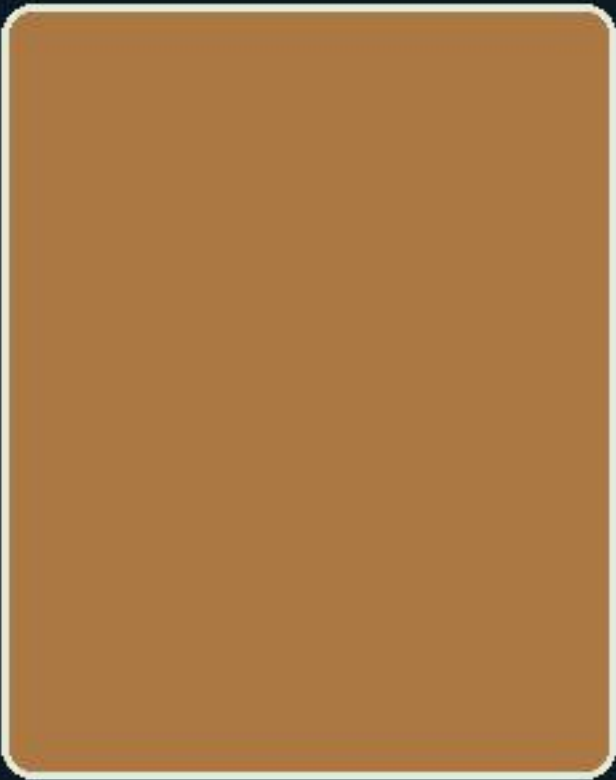

innovation / mixed use

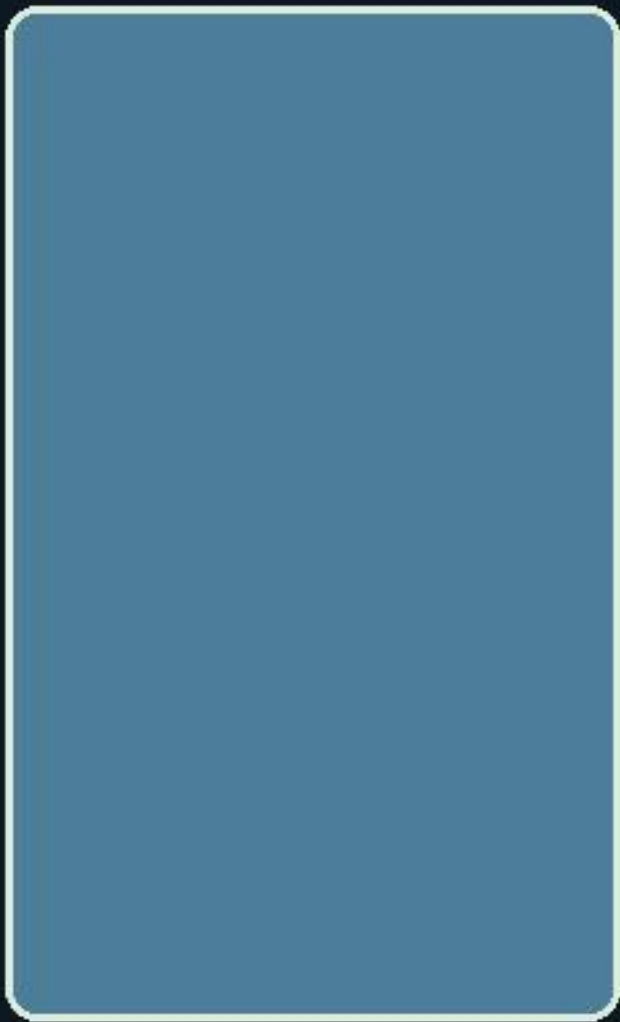

public / community

blue-green open space

station / transfer

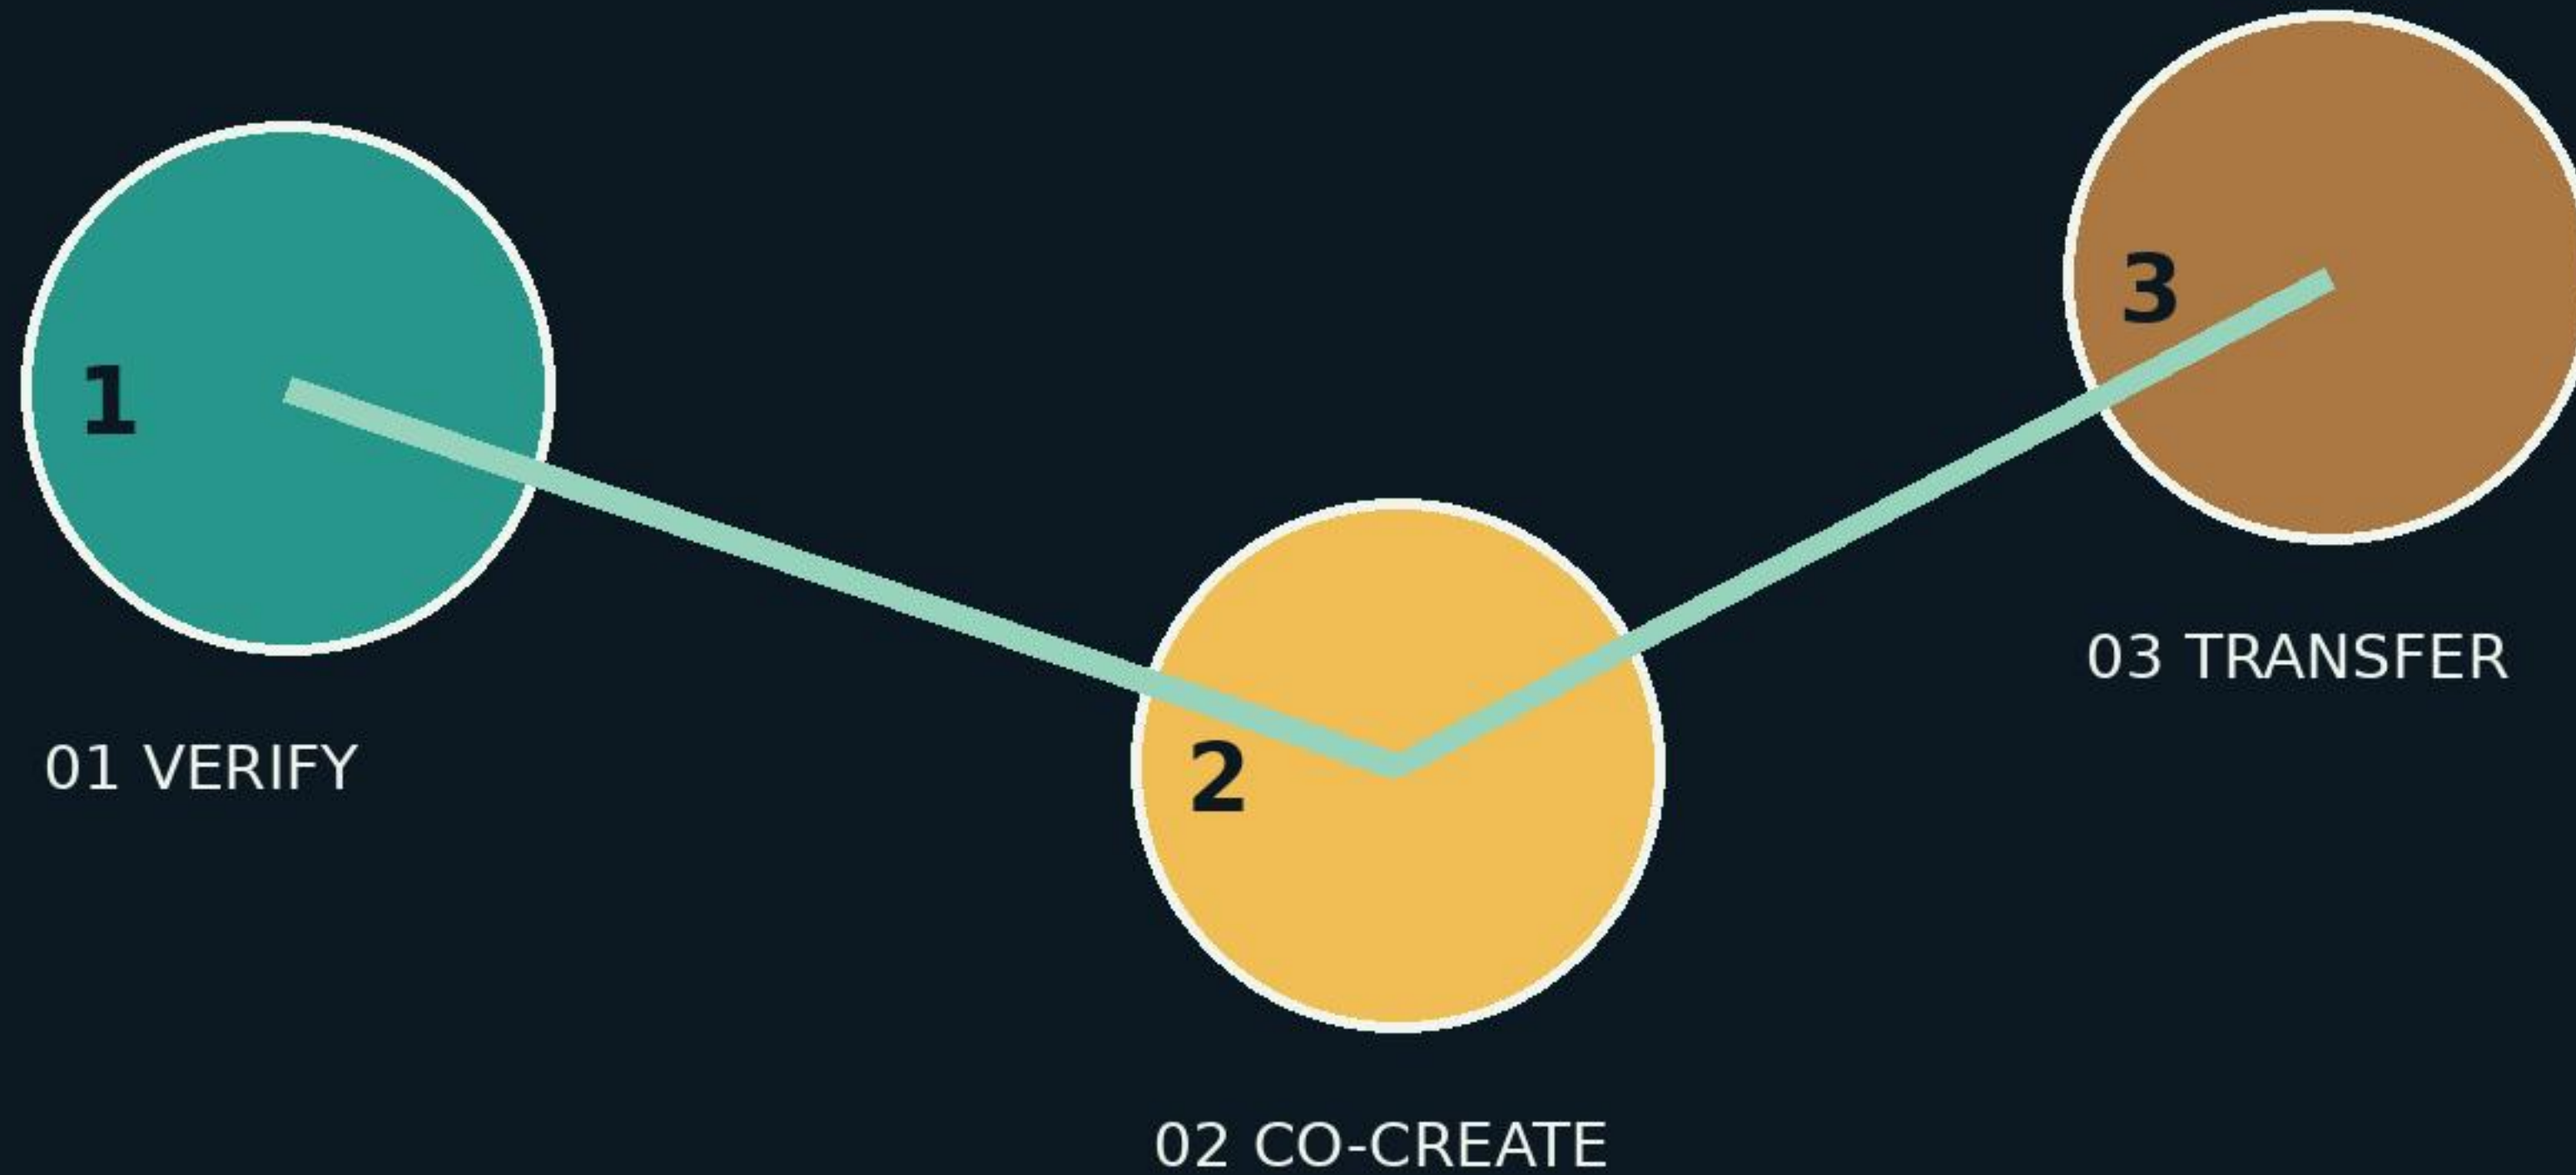

retain / renew

Concept allocation only; update after official boundary and controls arrive

THREE KEY AREAS

KEY AREAS / verify · co-create · transfer

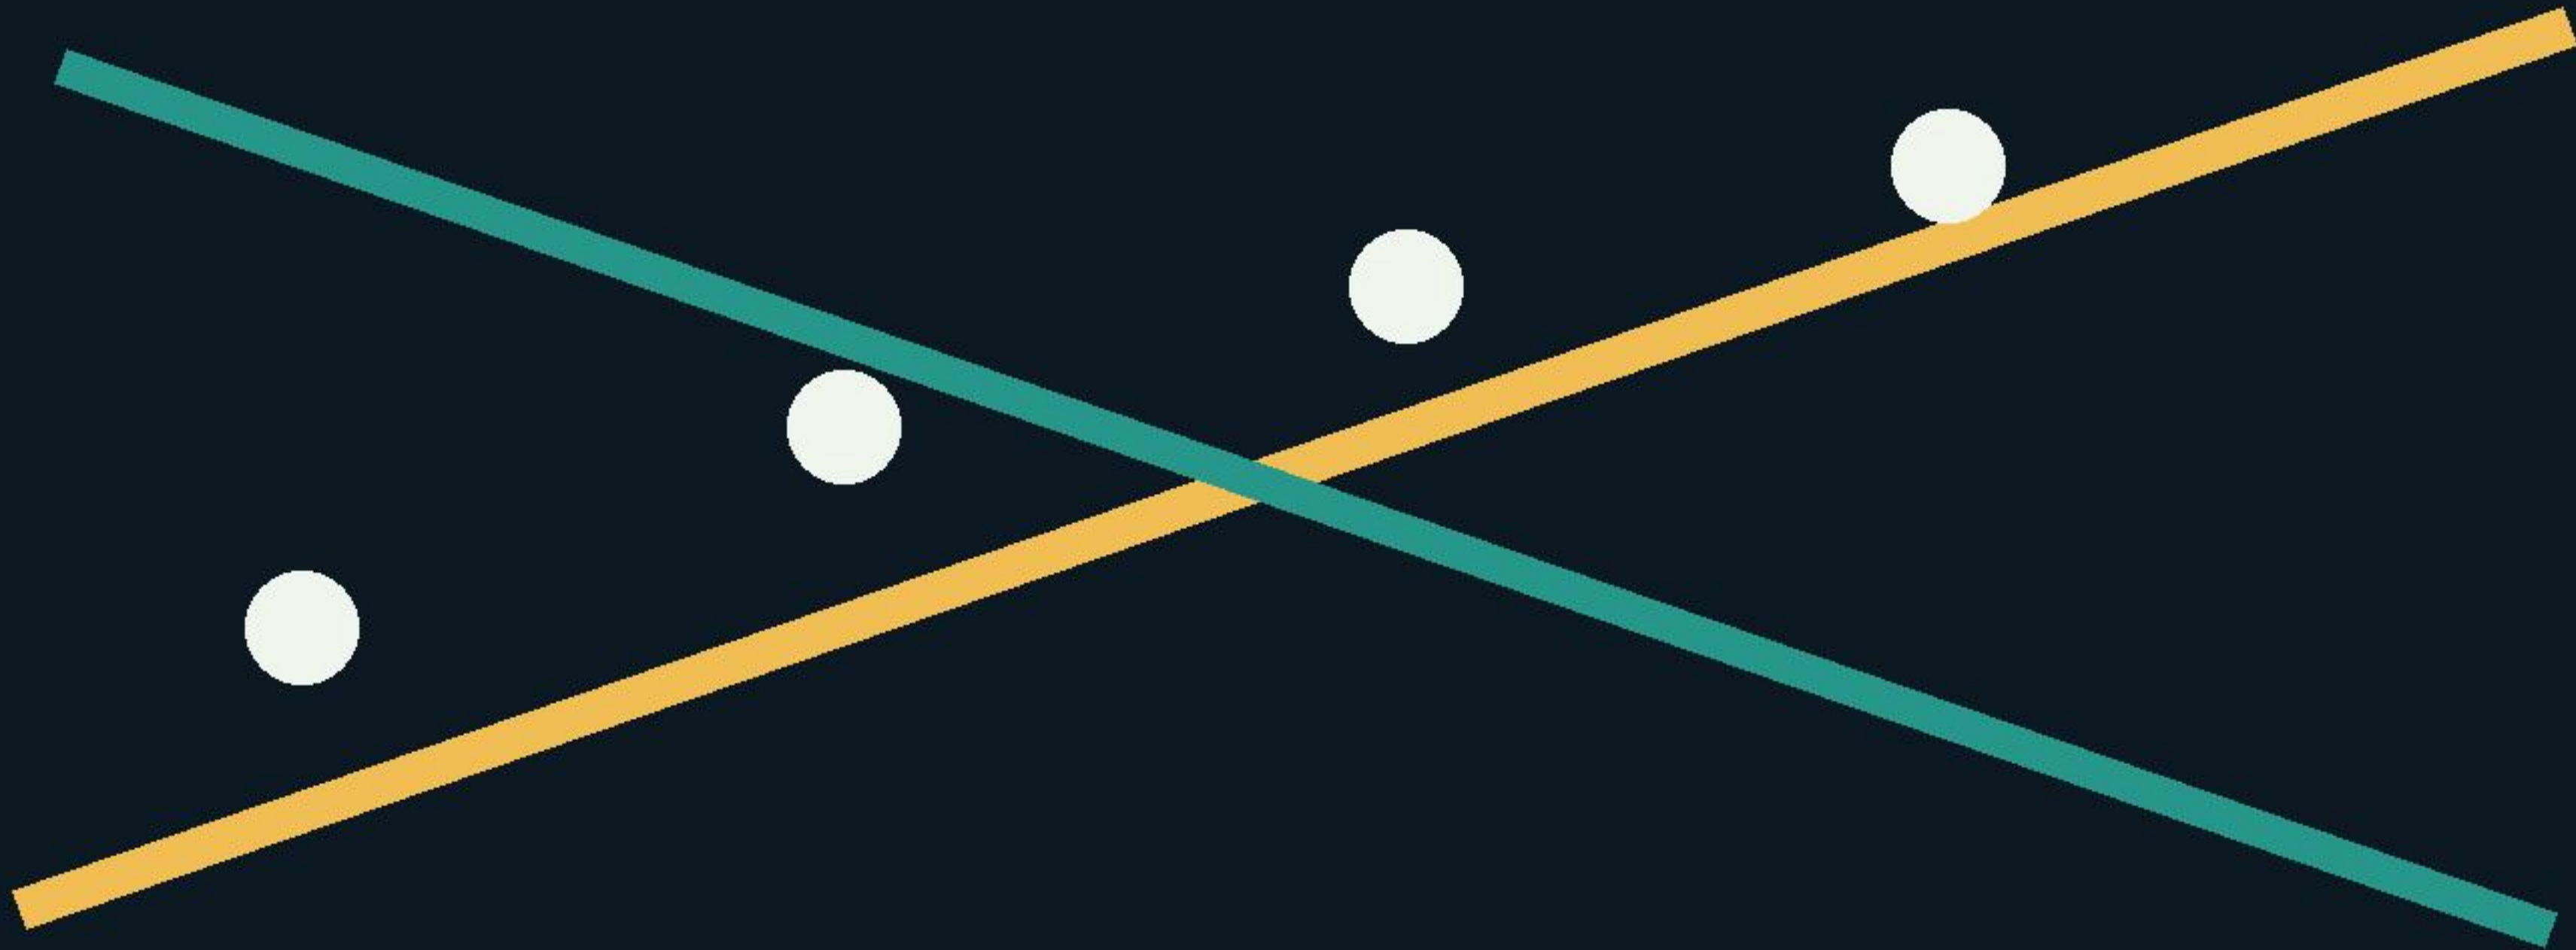

Three cores form a reversible innovation chain along the public spine

MOBILITY + BLUE-GREEN LOOP

MOBILITY / public spine

WALKING SPINE + EAST-WEST LINKS + STATION ACCESS

Concept strategy; confirm redlines, utilities, fire access and station conditions

METRICS + EVIDENCE

METRICS / recomputable evidence layer

11.41
