

Centennial Jing-Zhang Design Exhibition Board

Haidian AI Innovation Belt Open Call Package · KKTIME2024 / Antigravity Urban AI

Master Vision: This scheme establishes a world-class AI corridor structured by 'One Belt, Three Cores, Multi-Scenario and Blue-Green Mobility Ring'. Transforming the 9km historical Jingzhang railway linear park into a vibrant axis uniting 43.6 km² collaborative innovation chains.

Three Key Areas & Blue-Green Mobility Network

Three Cores Synergy: Zhongzhiyuan focuses on full-stack AI safety and waterfront low-carbon exchange; AI Origin focuses on university tech-transfer and 24h youth commons; Dazhongsi focuses on global roadshows and transit-oriented intelligent economy.
