

01 · Overall Design Structure

Jingzhang AI Pulse · Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.

02 · Land Use and Urban Renewal

Jingzhang AI Pulse · Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.

03 • Mobility and Transit Support

Jingzhang AI Pulse • Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.

04 · Heritage Park Vitality and Blue-Green Network

Jingzhang AI Pulse · Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.

05 · Detailed Design of Key Areas

Jingzhang AI Pulse · Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.

06 · AI Scenarios and Operation

Jingzhang AI Pulse · Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.

07 · Metrics, Recalculation and Compliance

Jingzhang AI Pulse · Centennial Railway Revival | English counterpart (non-blocking)

Provisional boundary used; official redline to be confirmed. Data: geometry/*.geojson, metrics.json, compliance matrices.
