

Overall Structure Board

JINGZHANG ROUTE

1909: China' s first self-built route. 2026: a route for every AI service.

One Spine • Three Stations • Two Wings • 12 Crossings

9.7 km heritage vitality belt; Dazhongsi Origin / Kilometer Zero / Zhongzhiyuan Turning Yard; Zhongguancun link & Xiaoyue branch; twelve stitching crossings.

Five-Step Route Regime

Apply → Interlock → Signal → Operate → Arrive/Rollback.

Positionings • Functions • Three Areas Two Wings

Land use (MNR 2023)

Use	Area
R&D 0802	227.8 ha
Commercial 05	169.2 ha
Green	465.6 ha
Residential/Education/Road etc.	278.1 ha

Retain/renovate/new 30/40/30 (conceptual)

Spine first interface renovation-led; second interface new-build; heritage retained.

Building scale

Footprint 1.435M m² · GFA 12.44M m² · FAR 1.09 (conceptual)

Transport, Rail & Municipal Board

Slow-traffic spine

9.7 km walk + bike, unbroken.

Twelve crossings

Zero-level crossings + signal language; switch nodes = human-machine co-throw.

Transit

Three stations connect toward Line 13 (schematic).

New infrastructure

Edge compute on smart poles; distributed energy; ducts under crossings.

Public services

Dashboard publishes anonymized data; accessibility embedded.

Blue-Green, Public Space & Landmarks Board

Blue-green system (41.3%)

Vitality belt in three bands + Xiaoyue greenbelt + west buffer + station parks + pocket parks.

Public space

3 plazas · 12 switch plazas · 3 test blocks · Route Pilgrimage Line.

Three AI pilgrimage landmarks

① Signal Tower (Dazhongsì) ② Kilometer-Zero Milestone (Origin) ③ Turning Switch Memorial (Zhongzhiyuan)

Three Key Areas Board

Turning Yard 192.1 ha
Full-stack innovation: TB-1 test spine + R&D clusters + Turning Plaza.

Origin Community 104.3 ha
Depot & Kilometer Zero: education/research + transfer street + TB-2.

Dazhongsì 72.0 ha
Origin Station: new-business blocks + bell node + TB-3.
Provisional placeholders, not official.

AI Scenarios & Operation Board

12 route cards

3 industry test & validation: SC-02 robot delivery / SC-06 care / SC-08 unmanned retail.

20 interlocking rules

Single route per space-time; no dataset dual-write; off-peak testing; rollback filed in advance.

Train-diagram operation

Developer Day (Q) - AI Innovation Week (A) - Interlocking Annual Report - Dispatch community - graduate conversion.

Metrics & Compliance Board

Metric	Value	Recalc
Overall area	1140.6 ha	EPSG:4548
Green ratio	41.3%	green/site
Public ratio	1.6%	public/site
Density / FAR	0.126 / 1.09	geo
Cards/Blocks/Landmarks/Rules	12/3/3/20	compliance

Compliance
Announcement 16 items + agent, 1-6 covered; 9 standards; 15 depth items complete.

Risk & pending
Official redline, regulatory conditions, ownership, heritage lines pending; all conceptual.
