

Jingzhang AI Pulse | Overall Location and Three-Level Scope

Centennial Jing-Zhang AI Belt | Zhizhiyuan - AI Origin - Dazhongsi | Three Cores, Two Wings

Boundary is provisional (recompute after official polygon release)

Scope and key areas use the provisional replacement boundary from brief/site-package/geometry/provisional_boundaries.gpkg for concept design and display only, not as an official redline. Source: official announcement (2026-05-09) text and area inference.

Three Key Areas Detailed Design | Positioning - Moves - AI Scenarios

Zhizhiyuan AI Acceleration Area | Beijing AI Origin Community | Dazhongsi AI Industry Cluster

key_area.gpkg - provisional

The three key areas reach implementation-plan urban design depth; key-area boundaries are provisional, conclusions are directional concept suggestions to be deepened after official polygons and regulatory conditions are released.
