

Board 1 • Overall Structure

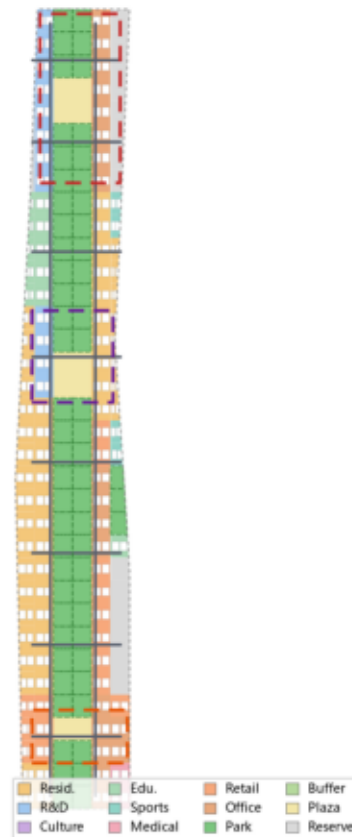

JINGZHANG DOUBLE TRACK — one spine, two tracks, three stations, two wings

Board 2 • Land Use & Renewal

Land-use zoning + retain-renovate-new logic

Land Use & Three-Level Scope Framework

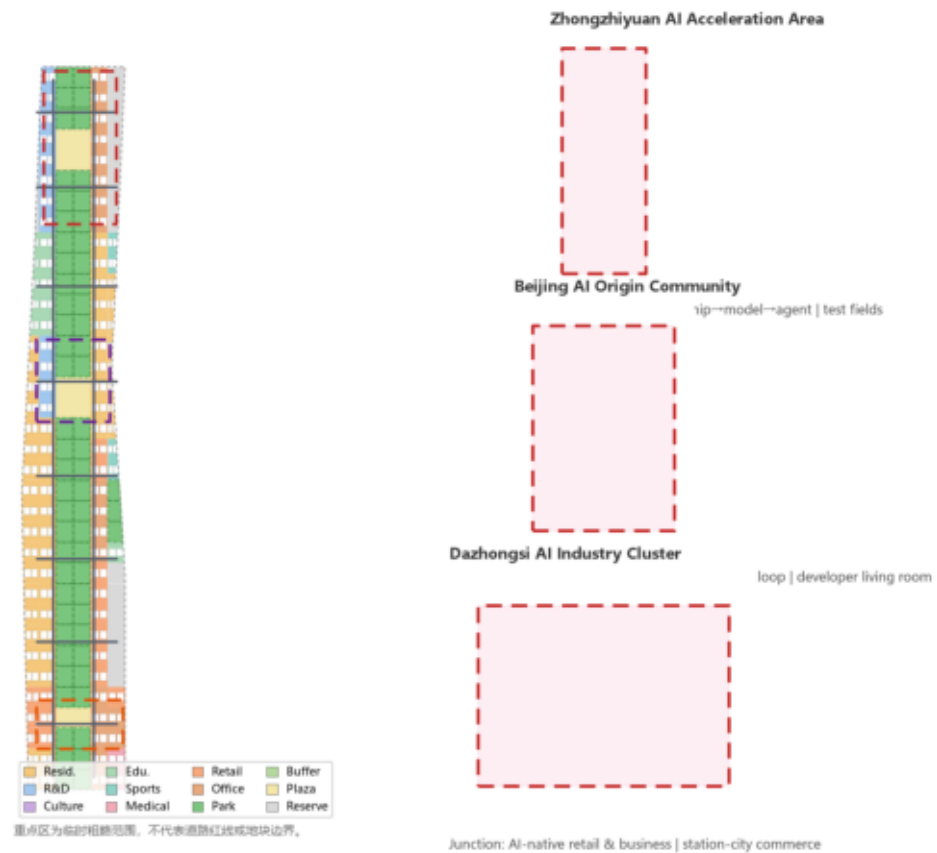

用地分区为本包 land_use.geojson 全边界无缝隙划分；重点区为临时粗略范围（虚线）。

Board 3 • Three Key Areas

Three stations: depot / origin / junction

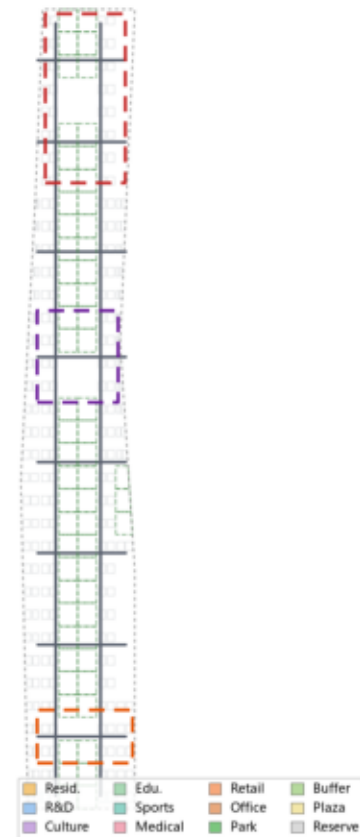

Key Areas: station roles, project levers and risks

Board 4 • Mobility, Blue-Green & AI Scenarios

12 scenario nodes + green spine + slow network

Mobility • Blue-Green Network • AI Scenario Nodes

Concept diagram; nodes are design coordinates, not construction stations.

Board 5 • Metrics & Compliance

Core metric evidence chain + pending controls
