

R04-A · REJECT

Central display blocks ordinary movement.

R04-B · REVISE

Distributed service fragments responsibility.

R04-C · ADVANCE

Side desk keeps route, rights and staff together.

01 PLAN

The ordinary public route is continuous; result cards, rights notes and staffed help sit together at the side.

02 SECTION

Permanent public baseline + everyday care + removable information layer. The last layer never becomes the only way to move or ask for help.

OPEN

Ordinary service remains.

TRIAL

Ordinary service remains.

PAUSE

Ordinary service remains.

RETURN

Ordinary service remains.

PUBLIC DECISION

Observe → trial → retain small / revise / return to people / exit. Expansion is never automatic; all field outcomes remain unclaimed.
