

Ye Pulse · Human-Centered AI Belt

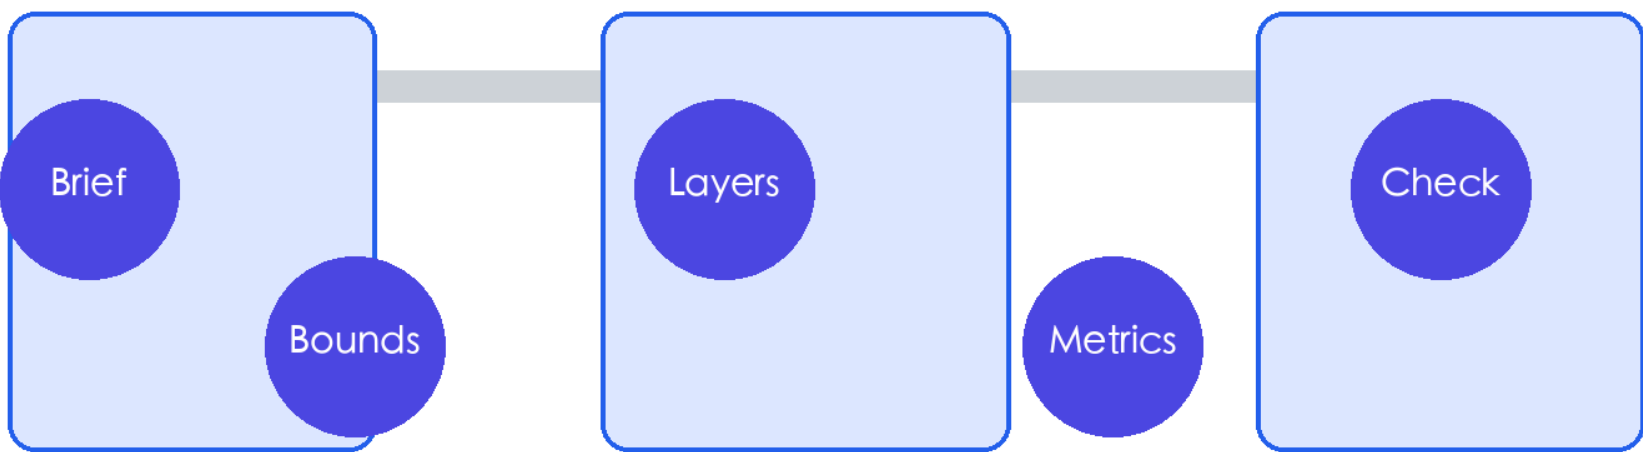

Centennial Jing-Zhang AI Innovation Belt international urban design call · formal review package · English board

Provisional geometry shown for intake discussion only. Recalculate area, ratios and phasing once the organizer publishes official SITE_BOUNDARY and KEY_AREA polygons.

YE PULSE · CONCEPTUAL DESIGN LAYER (EN)

Evidence Chain and Package

boundary=provisional intake; proposal.md is the main body; JSON/GeoJSON is the evidence layer

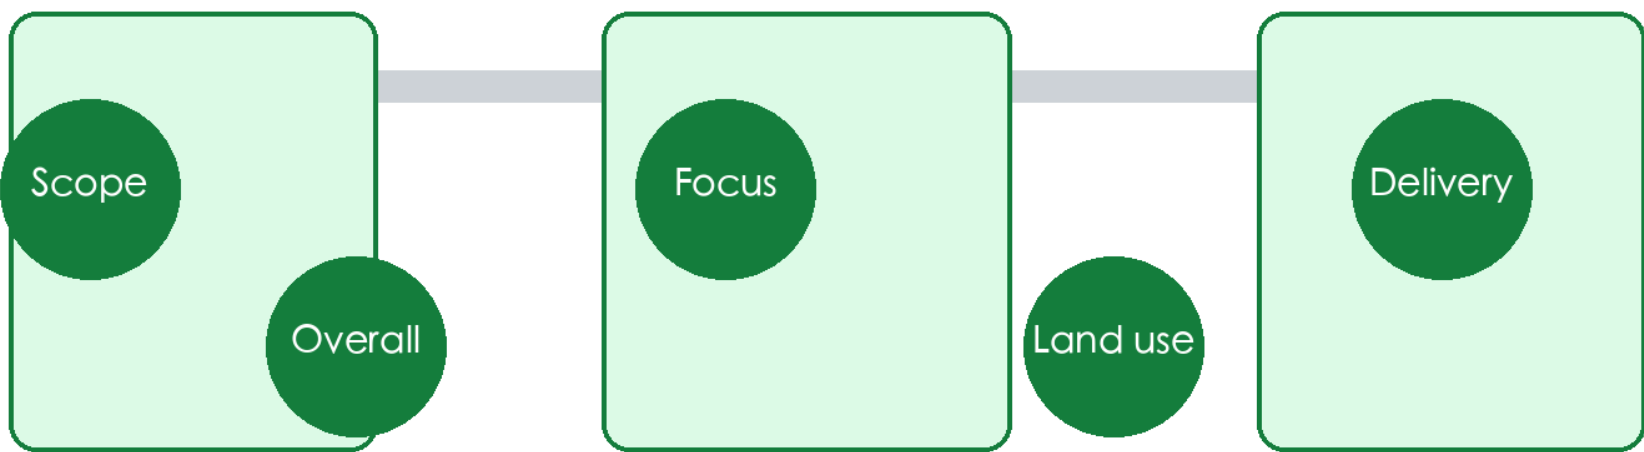

01 Site Overview
Evidence Chain and Package

YE PULSE · CONCEPTUAL DESIGN LAYER (EN)

Three-Tier Scope and Spatial Structure

Strategic study, overall design and key-area detail cascade into layers and metrics

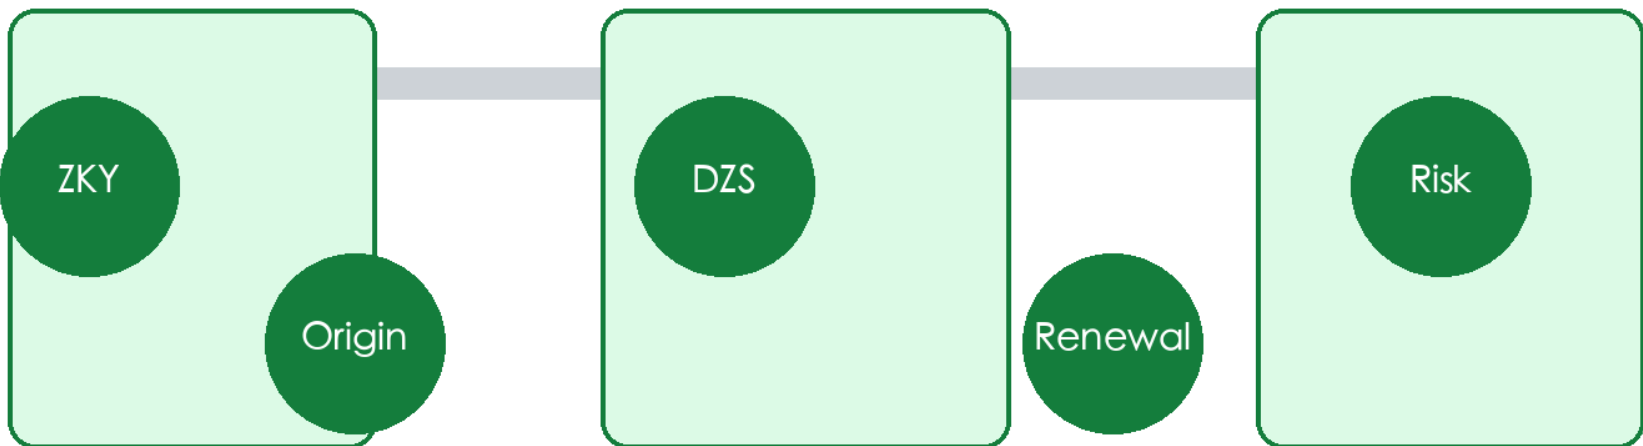

02 Land Use Structure
Three-Tier Scope and Spatial Structure

YE PULSE · CONCEPTUAL DESIGN LAYER (EN)

Three Key Area Index

Zhongzhiyuan, AI Origin Community and Dazhongsi each need positioning, renewal, mobility and public-realm design

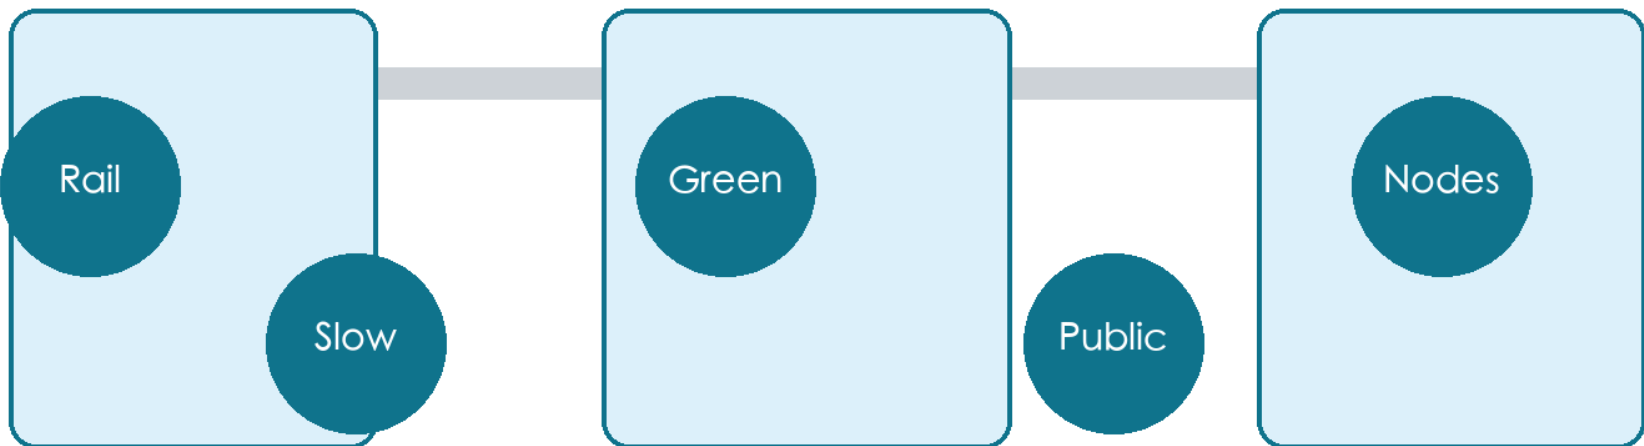

03 Key Areas
Three Key Area Index

YE PULSE · CONCEPTUAL DESIGN LAYER (EN)

Mobility, Slow Traffic and Blue-Green Space

roads, green_space and public_space layers jointly support slow-traffic and public-realm judgments

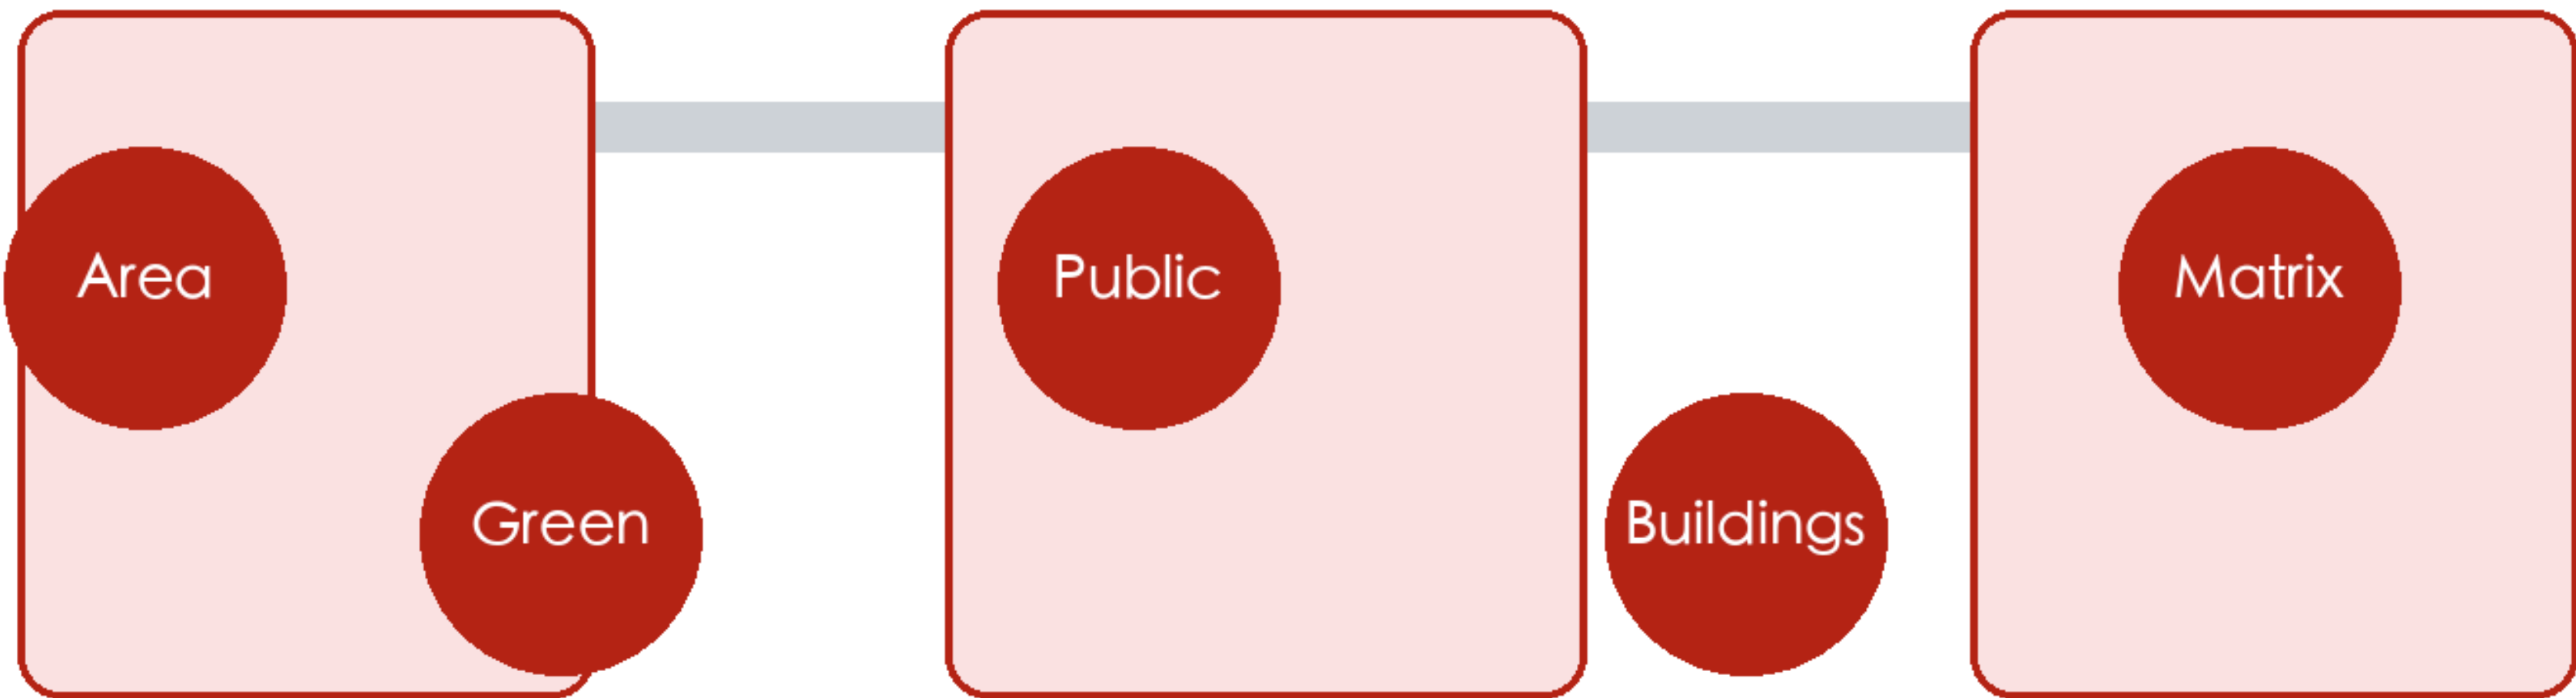

04 Mobility & Blue-Green
Mobility, Slow Traffic and Blue-Green Space

YE PULSE · CONCEPTUAL DESIGN LAYER (EN)

Metric Recalculation and Evidence

site_area ~ 11.41 km2 (provisional); green_ratio ~ 0.123; public_space_ratio ~ 0.073

05 Metrics & Evidence
Metric Recalculation and Evidence
