

ZHIMAI JING-ZHANG · 智脉京张

A Century of Self-Made Innovation, Re-wired for the AI Era

Conceptual urban design for the Centennial Jing-Zhang AI Innovation Belt (AI-generated · conceptual)

All three scopes are provisional rough boundaries for concept display only; recalculate when official polygons arrive.

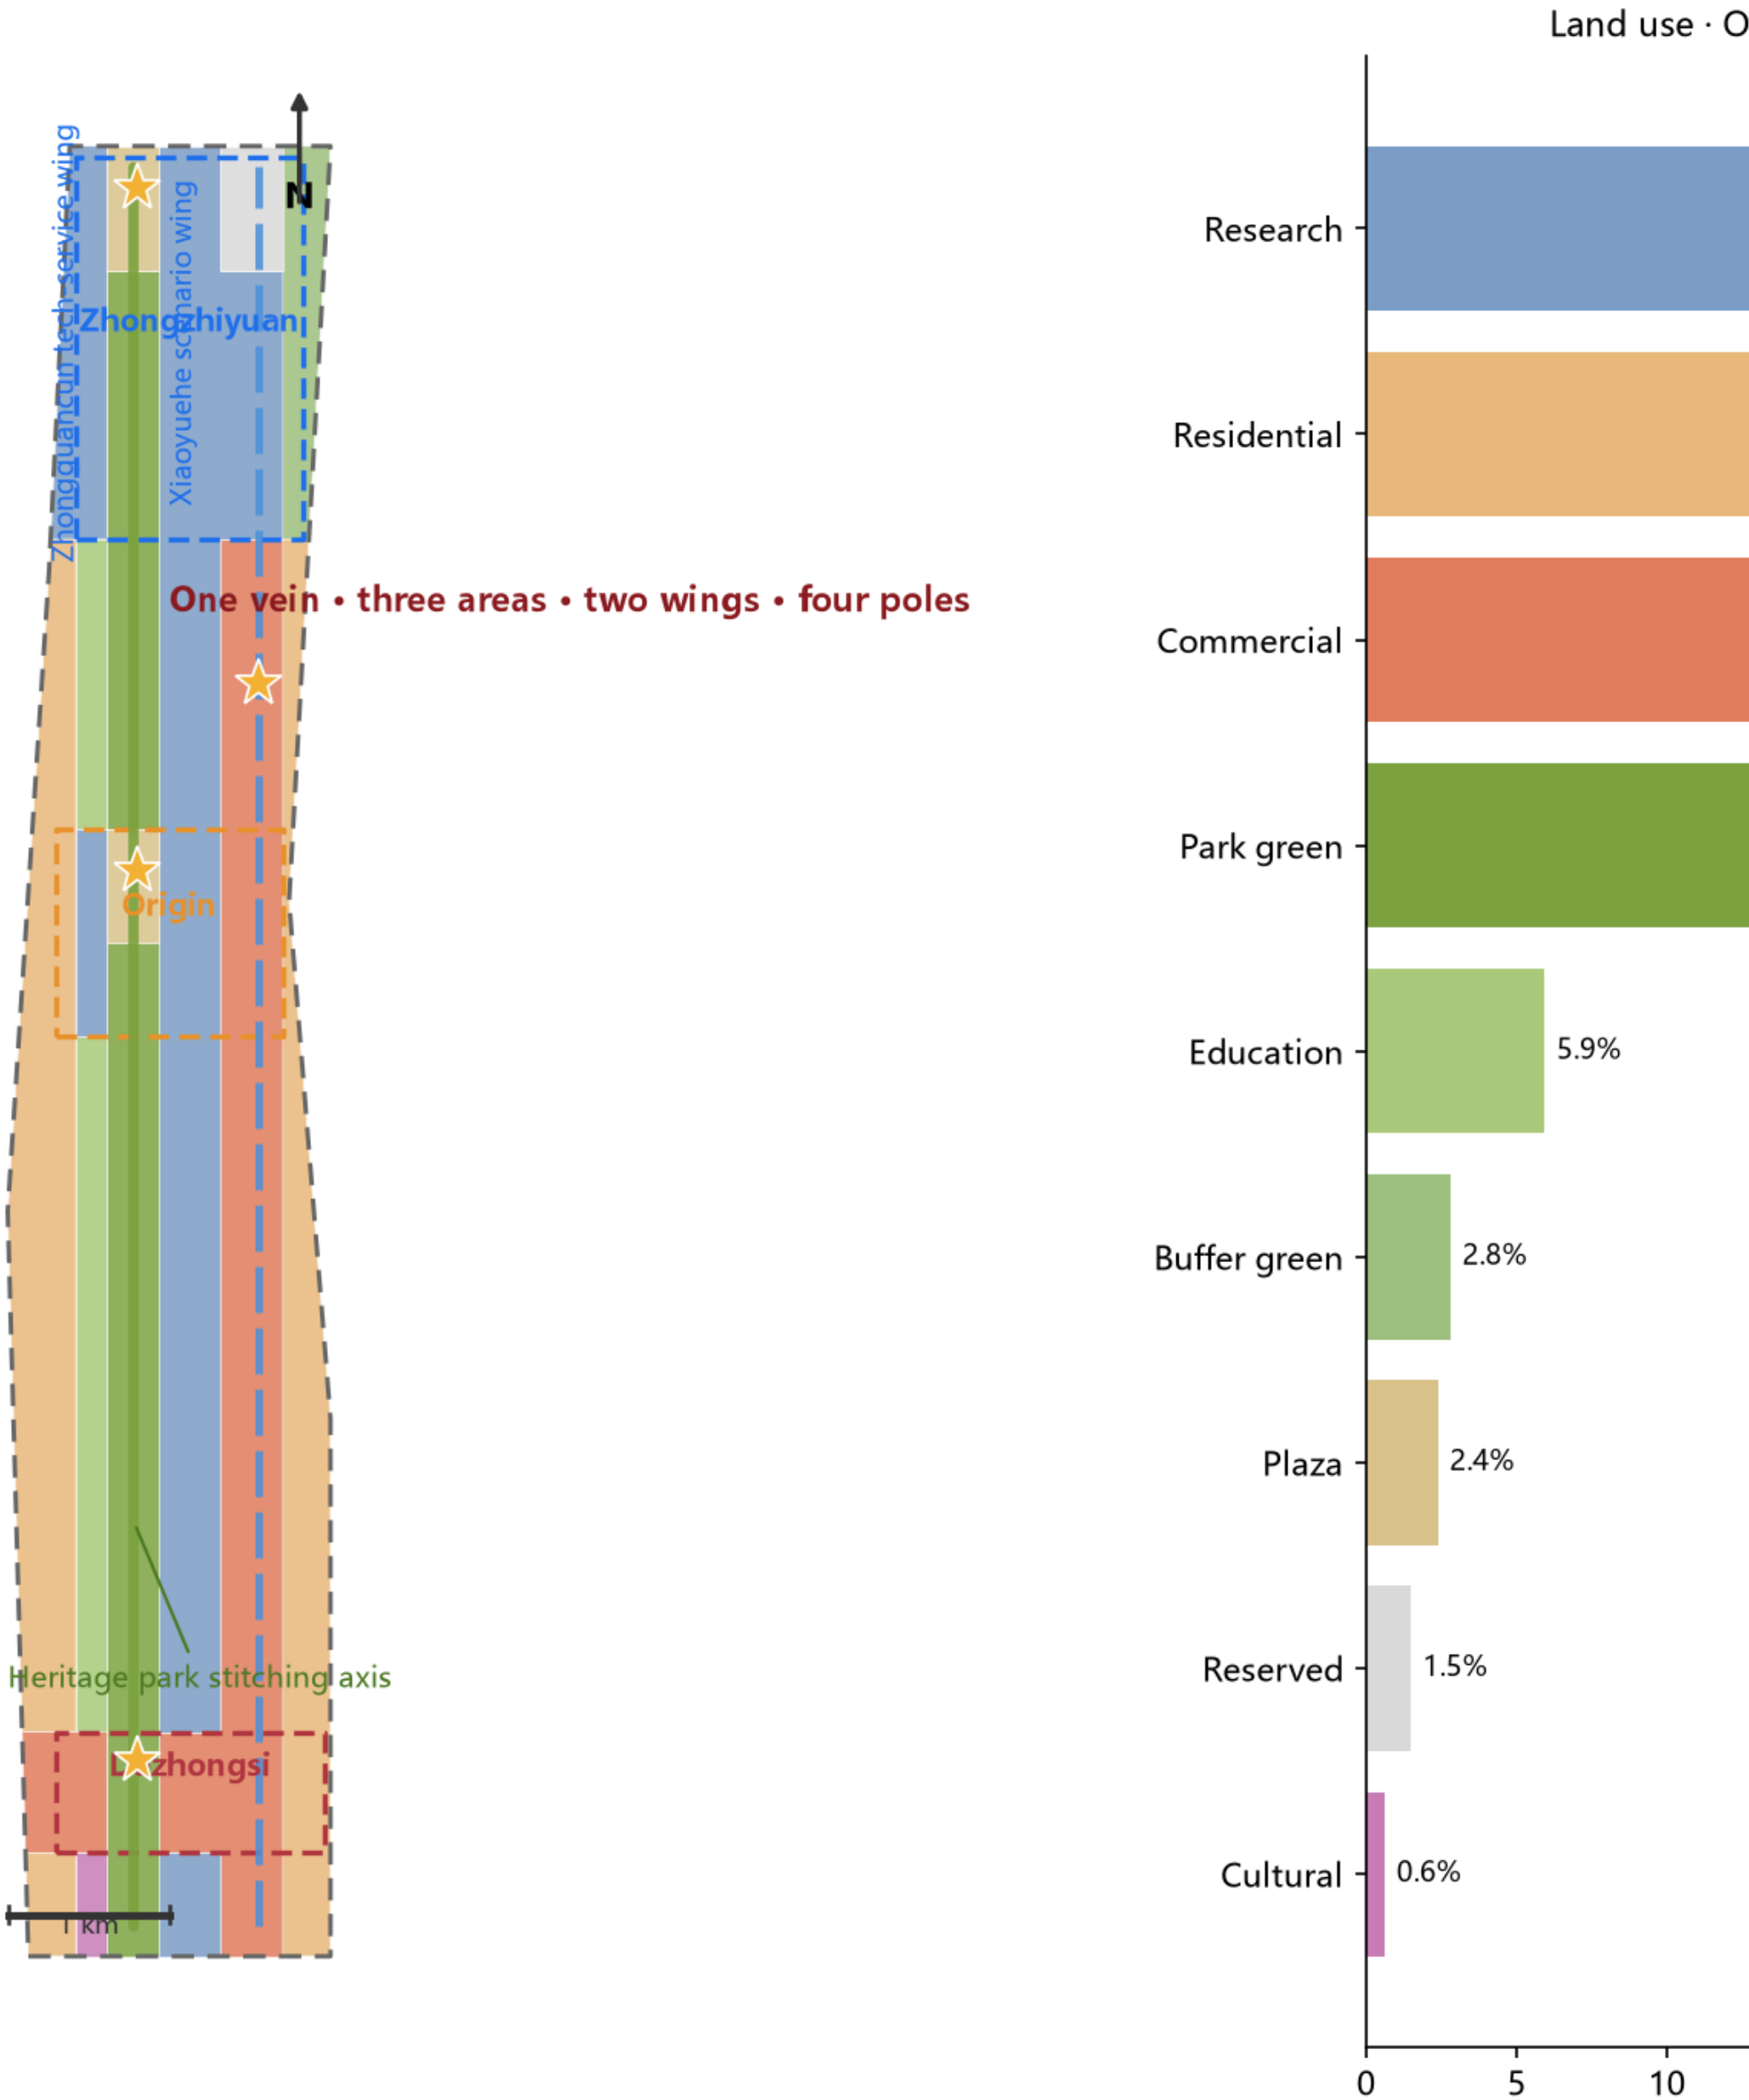

v0.1 · 2026-08-10 · AI-generated conceptual proposal · author: Monostar-14

Concept and Three-Level Scope

One vein linking three areas, two wings unfolding four poles: the Jing-Zhang heritage green corridor is the intelligent vein connecting
12 AI scenario cards · 4 pilgrimage landmarks · 6 personas · 8 renewal projects · three-phase implementation

Conceptual urban design for the Centennial Jing-Zhang AI Innovation Belt (AI generated) v0.4.1 2026-08-10

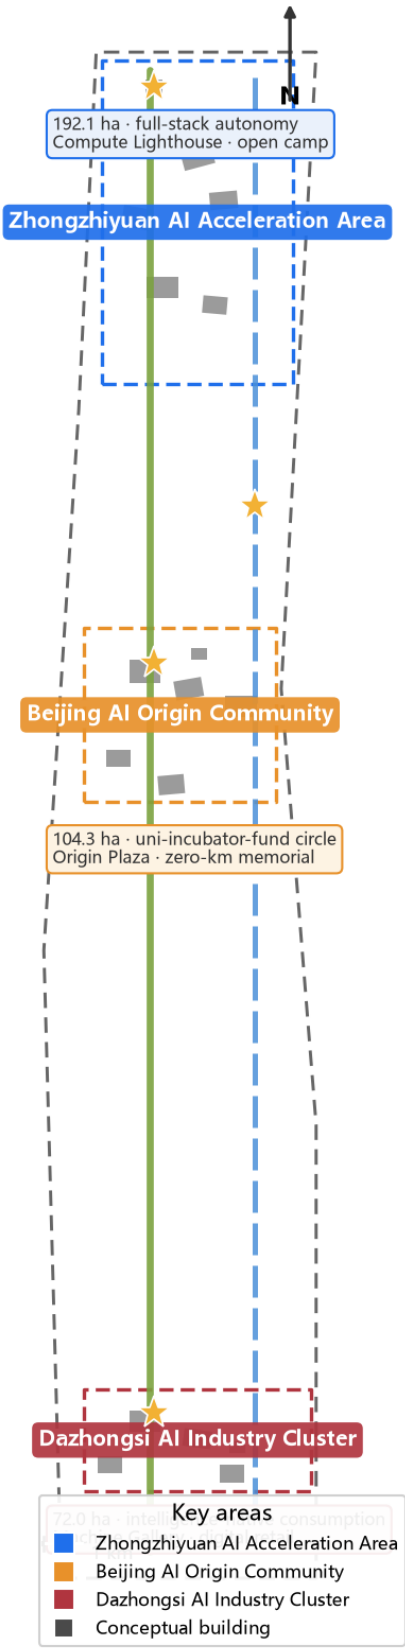

Zhimai Jing-Zhang · Land Use and Spatial Skeleton

All three scopes are provisional rough boundaries for concept display only; recalculate when official polygons arrive.

Detailed Design of Key Areas

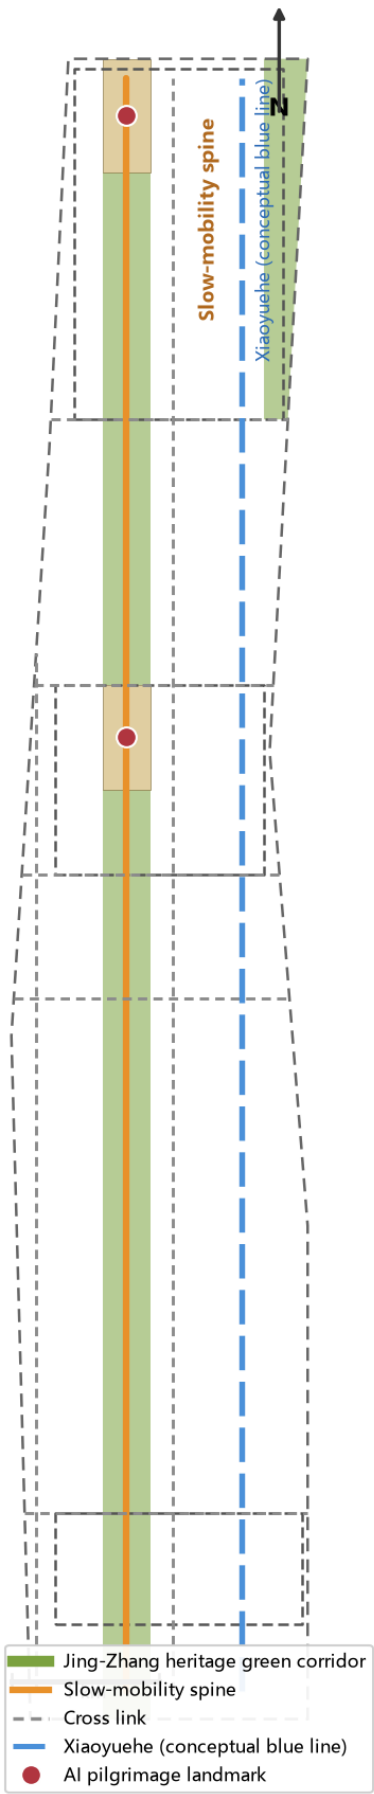

Conceptual urban planning for Zhima Jing Zhang • Key Areas Design Index / 2026-08-10

Mobility and Blue-Green Public Space

Zhimai Jing-Zhang Mobility and Blue-Green System

Conceptual urban design for Zhimai Jing-Zhang Mobility and Blue-Green System · 08-10

AI Scenarios and Long-Term Operation · Scenario cards 01-12

- 01 AI+Transport · Smart slow-mobility
- 02 AI+Culture · Digital Jing-Zhang gu
- 03 AI+Health · Community health station
- 04 AI+Services · Enterprise copilot
- 05 AI+Governance · Safety ops review
- 06 AI+Logistics · Low-speed delivery
- 07 AI+Education · Railway STEM lab
- 08 AI+Legal · Compliance advisory
- 09 AI+Lifestyle · Smart convenience
- 10 AI+Public space · AI art
- 11 AI+Industry test · Compute efficiency
- 12 AI+Industry test · Robot inspection

Operation · Zhimai Forum / Hackathon / AI Art Season / Scenario Open Week / Origin Nights

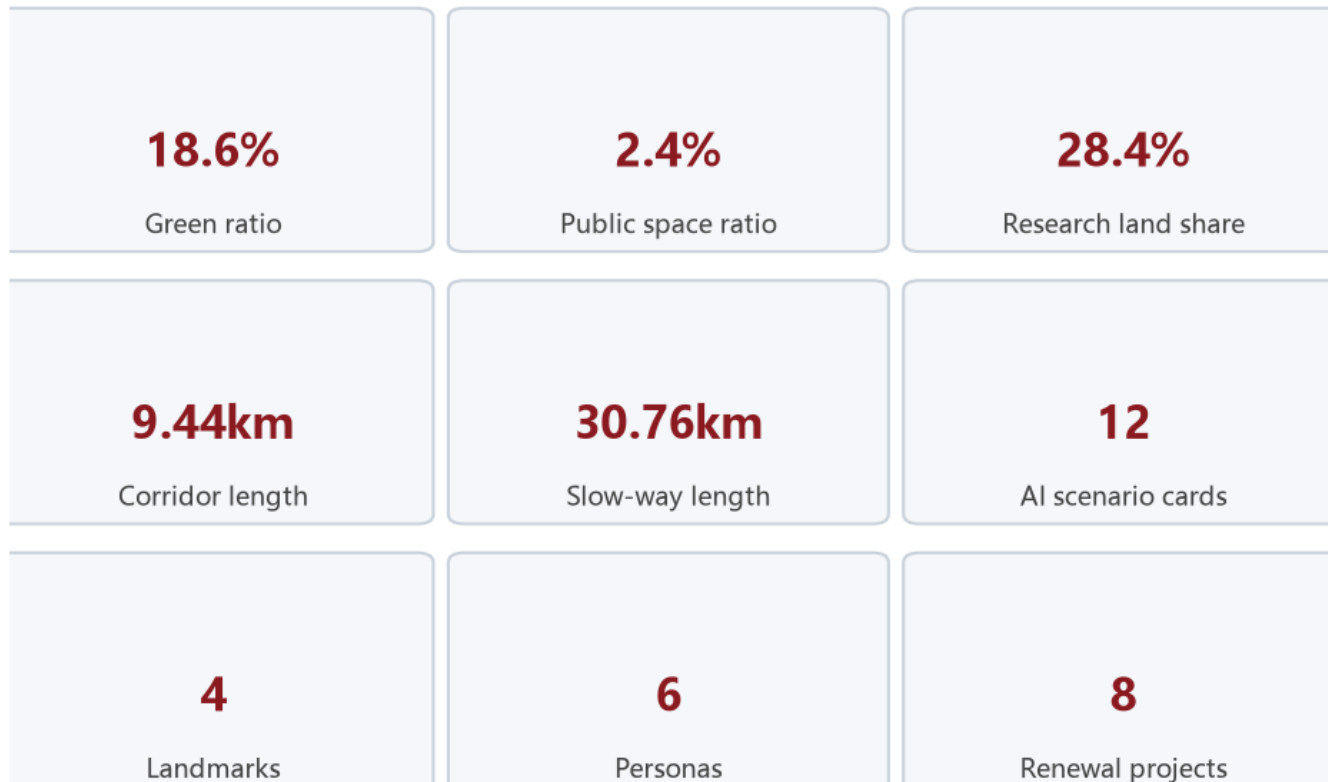

- Near 2026-2028: corridor · Origin pilot · Dazhongsi kick-off
- Mid 2029-2031: Zhongzhiyuan clusters · Xiaoyuehe loop
- Long 2032-2035: community upgrade · belt-wide character

Core Metrics and Phasing · Areas recalculated in EPSG:4548

Zhimai Jing-Zhang • Core Metrics and Evidence Chain

Core metrics (recalculated in EPSG:4548) · site 11.41 km²
