

Overall Concept · One Belt, Three Cores, Blue–Green Loop

Provisional boundary (dashed) is for design discussion only, not an official redline; recompute when official polygons are released.
Design: the Jing–Zhang Heritage Park is the green vein; Zhongzhiyuan·Origin Community·Dazhongsi are the three cores; a blue–green loop links innovation and daily life.

Land Use & Key Areas

Key areas

Zhongzhiyuan AI Acceleration	192.1 ha	Full-stack innovation · safety governance · Qinghe
Beijing AI Origin Community	104.3 ha	Open-source origination · transfer · talent
Dazhongsi AI Industry Cluster	72.1 ha	Core Corridor and Blue Green Skeleton · international exchange · station-city

Three Key Areas · Detailed Design

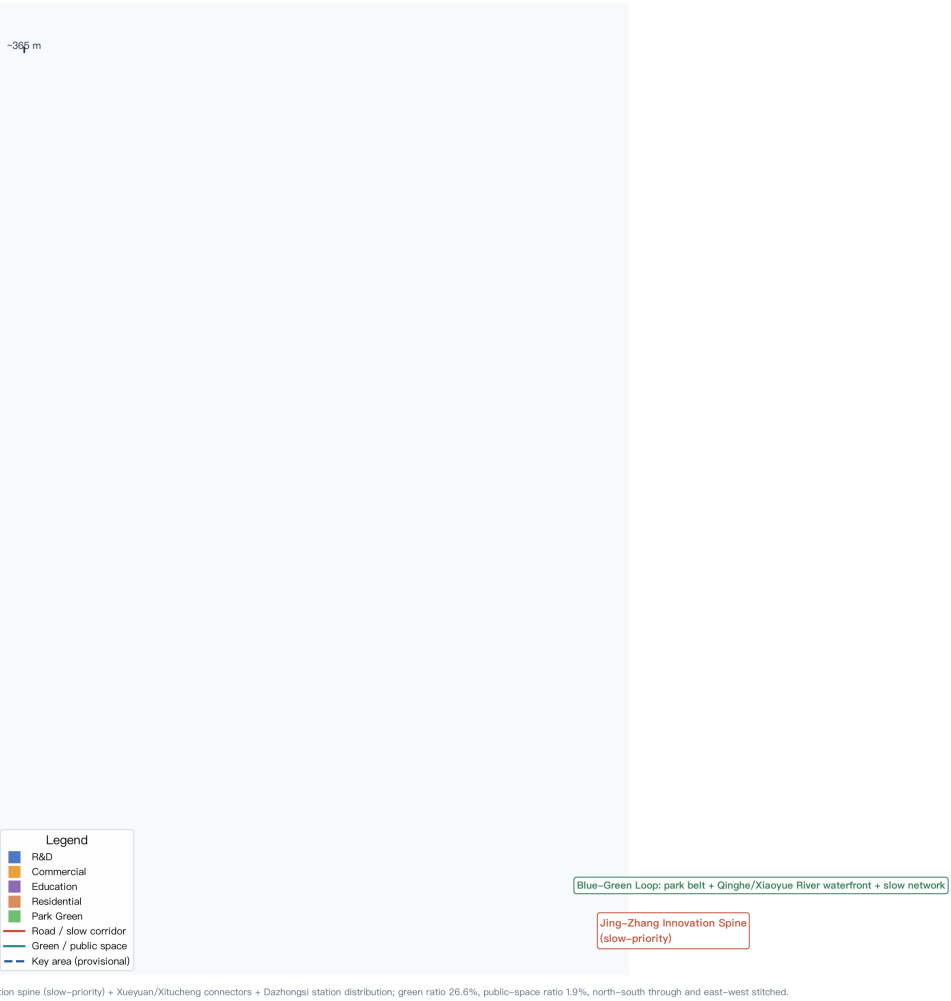

Provisional key-area scope (dashed) supports directional design only; recompute when official polygons are released; retain/renovate/demolish and implementation dependencies await ownership and regulatory confirmation.

Road network 26.9 km · green ratio 26.6% · public-space ratio 1.9%
