

1. Overall Concept · One Switch, Three Yards, Two Sidings

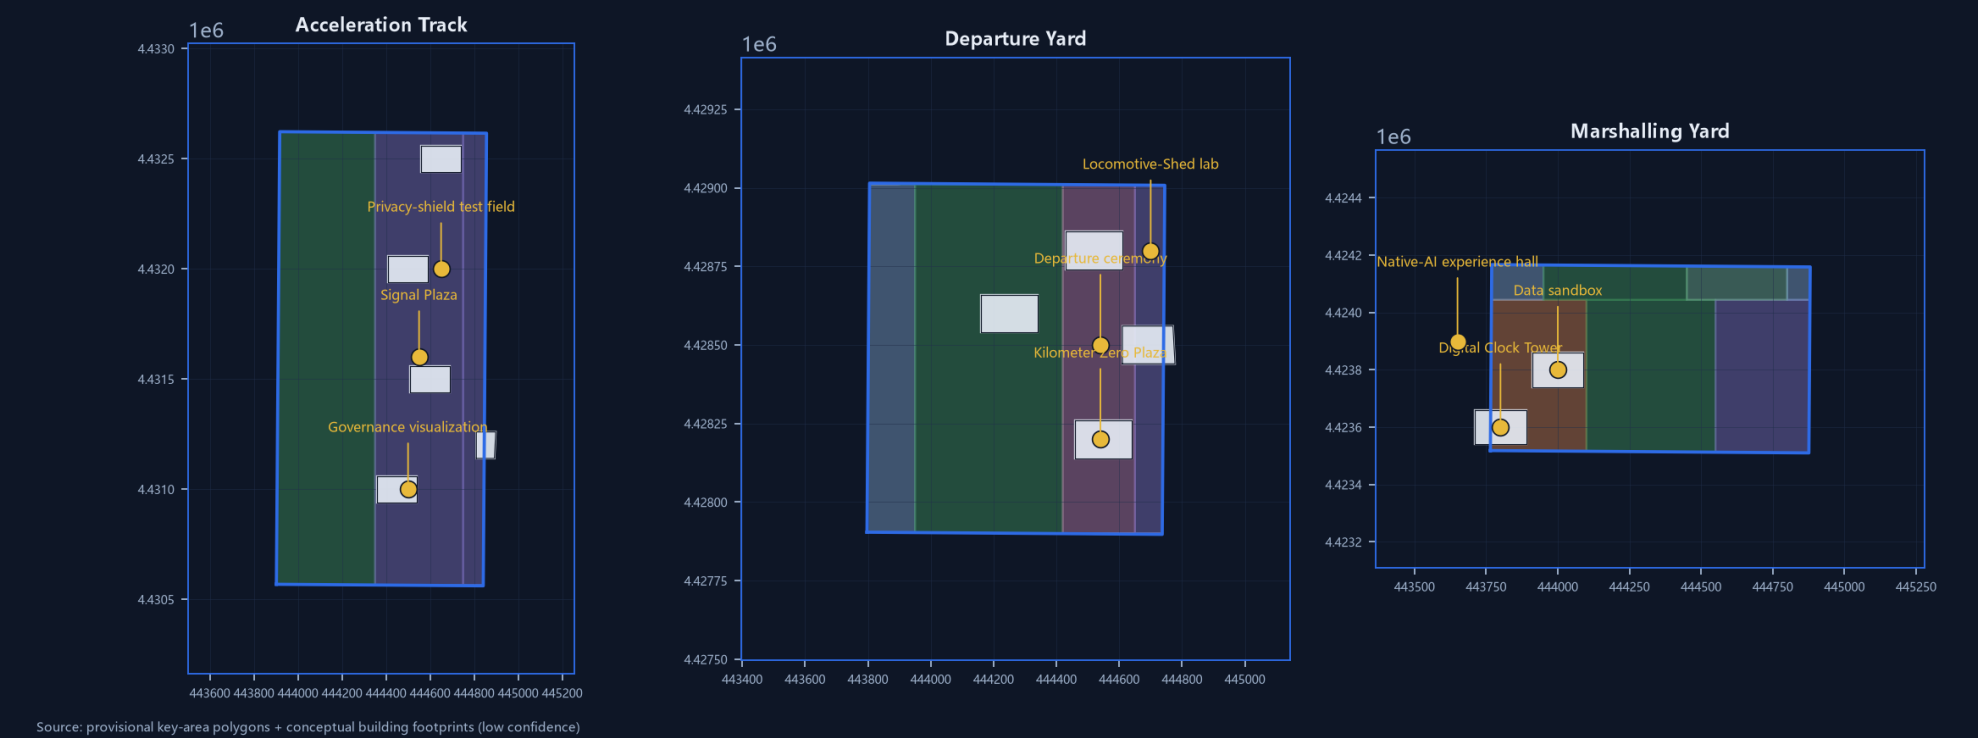

2. Land Use · 26 Conceptual Units

3. Detailed Design of the Three Key Areas

Acceleration Track: Signal Plaza + full-stack gradient; Departure Yard: Kilometer Zero + open-source incubation; Marshalling Yard: Digital Clock Tower + data sandbox + native-AI experience.

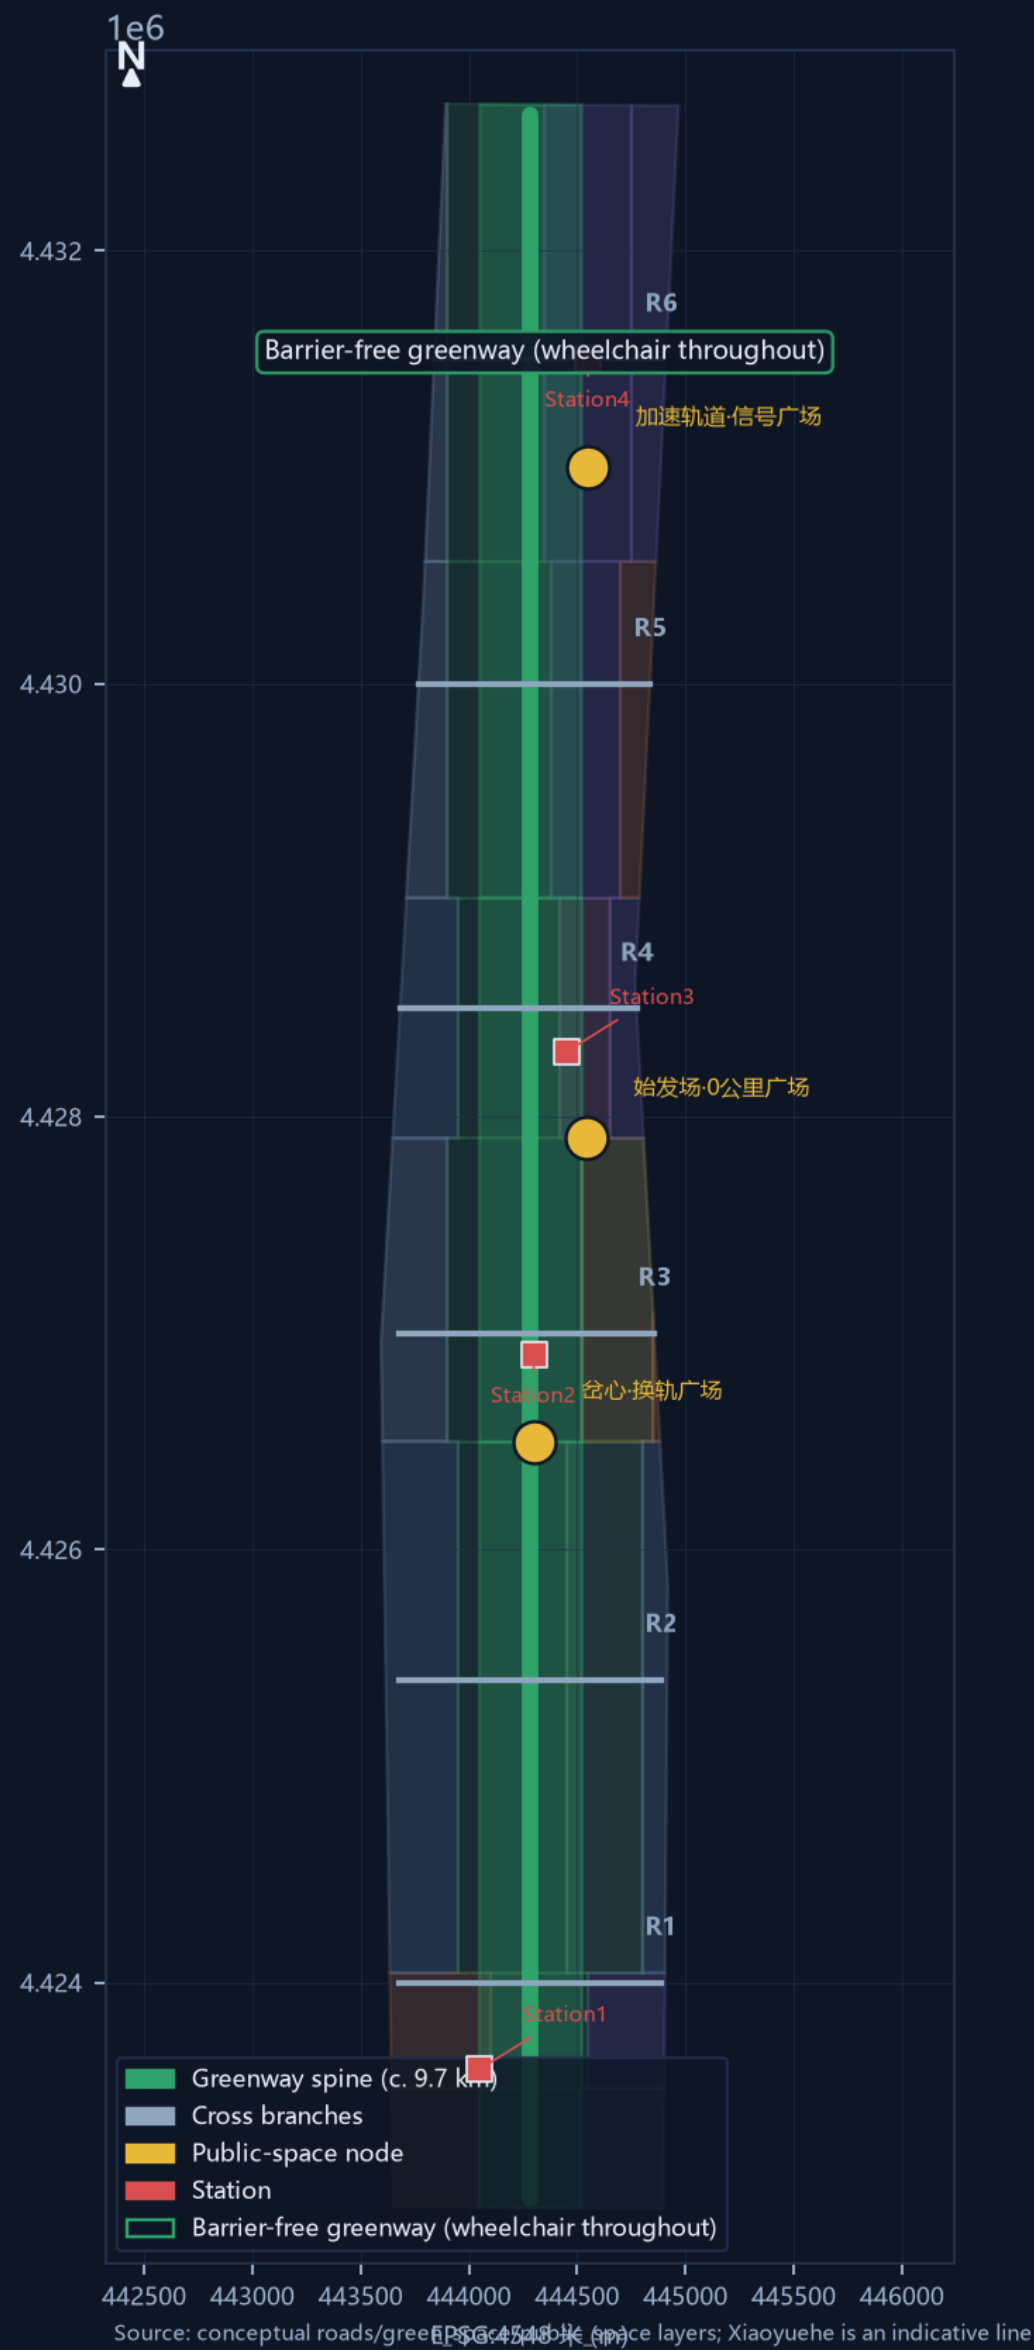

Key Areas — Detailed Design Index Departure Yard • Acceleration Track • Marshalling Yard

4. Mobility, Blue-Green and Public Space

One spine (c. 9.7 km greenway), six branches,
1+3+N public spaces; barrier-free throughout;
edge compute and municipal integration.

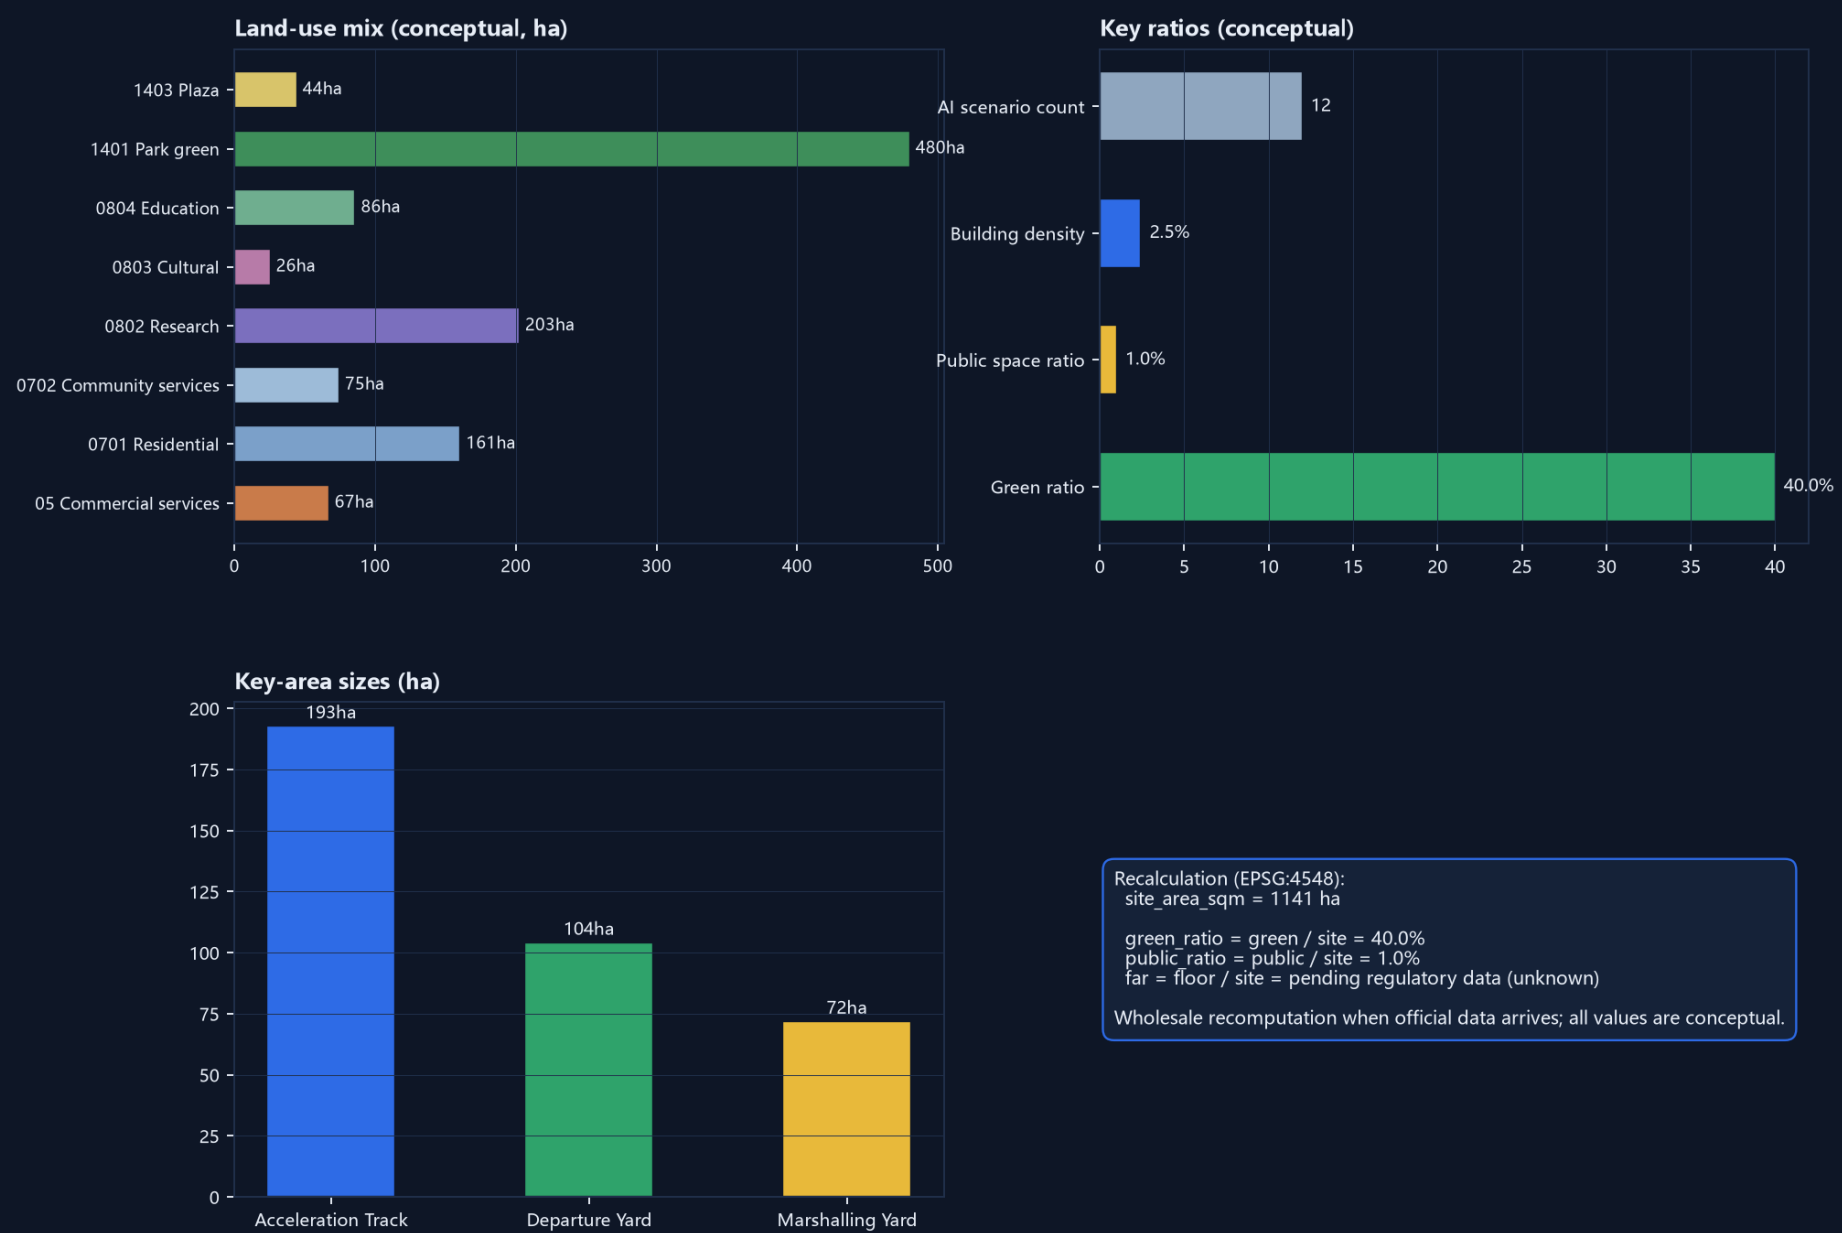

Mobility, Blue-Green and Public Space System
One spine, six branches, 1+3+N public spaces

5. Core Metrics and Evidence Chain

All metrics deterministically recomputed from
package GeoJSON in EPSG:4548; statutory contro
Is pending official regulatory data.
