

生活体验带总览 Living-Experience Belt Overview

From a working dad's daily life, reimagine the Jing-Zhang AI Innovation Belt as a belt where people live well: three levels, three

Conceptual Proposal · For professional teams to deepen

六项智能体任务成果 Six Agent Task Outputs

agent.1 naming/VI · agent.2 ecosystem cases · agent.3 scenario cards/personas · agent.4 landmarks/components · agent.5 cultura

Conceptual Proposal · For professional teams to deepen

AI+场景与人工边界 AI+ Scenarios & Human Boundaries

All 10+ scenario cards state data minimization, human review and exit; human final decision for safety-related scenes; no overprom

Conceptual Proposal · For professional teams to deepen

指标与复算承诺 Metrics & Recalculation Commitment

All areas at conceptual precision (~11.41M m²), not survey; recalculate and update all drawings when official redline is published
