

THE JINGZHANG SIGNAL

From Intelligent Train Control to a Three-Light City of Trustworthy AI

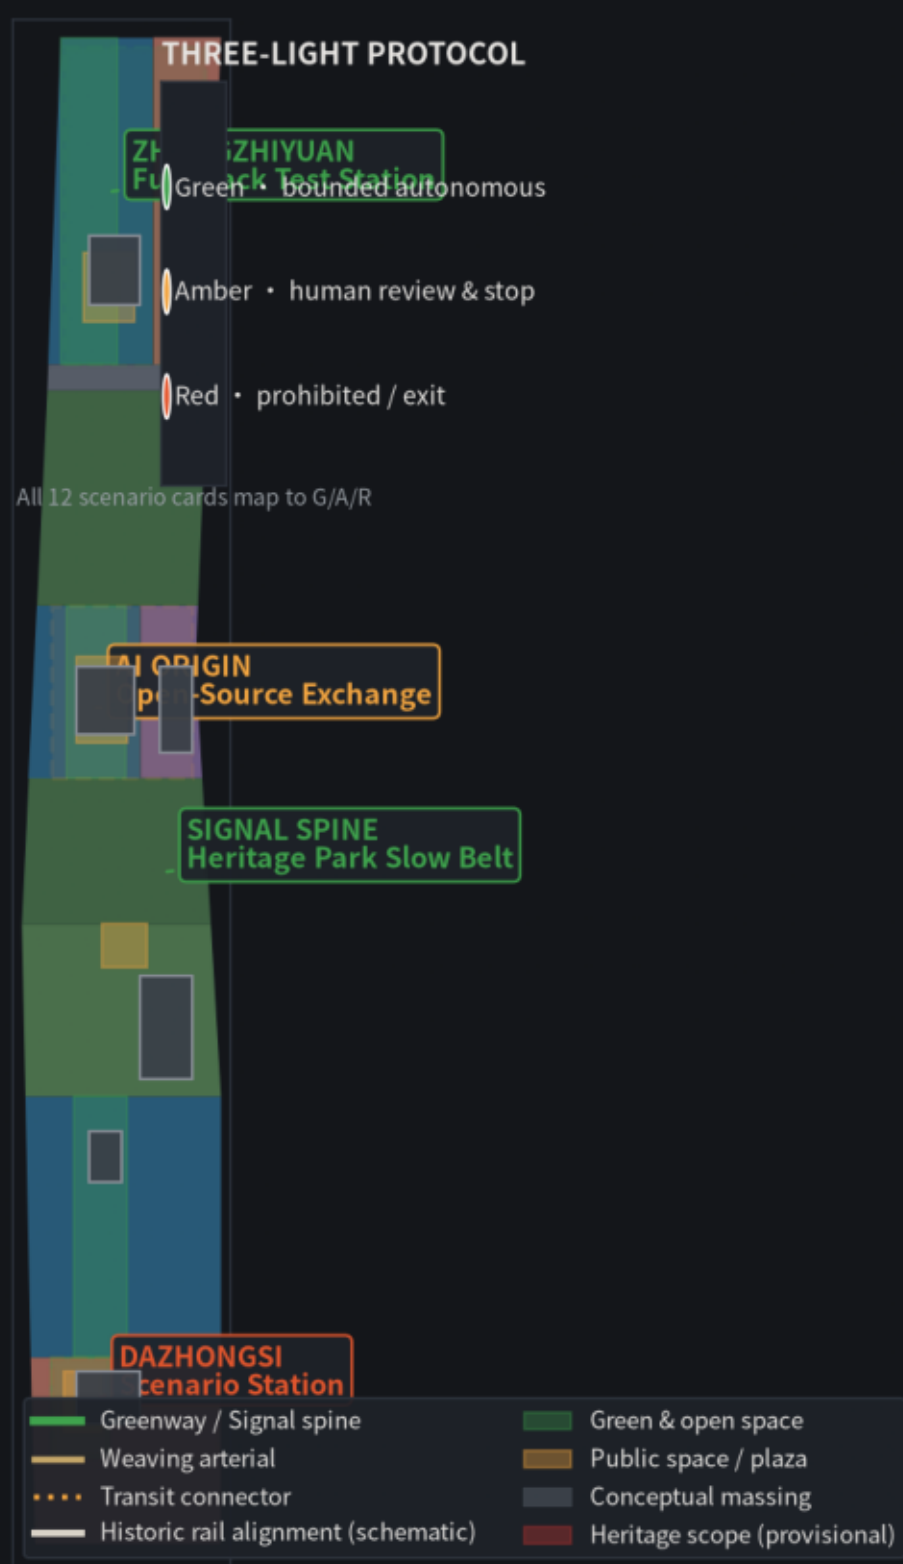

Centennial Jing-Zhang AI Innovation Belt Open Call • Formal AI-Agent Submission

One Spine • Three Stations • Five Lines • Three-Light Protocol • 12 Scenario Cards • 3 Landmarks

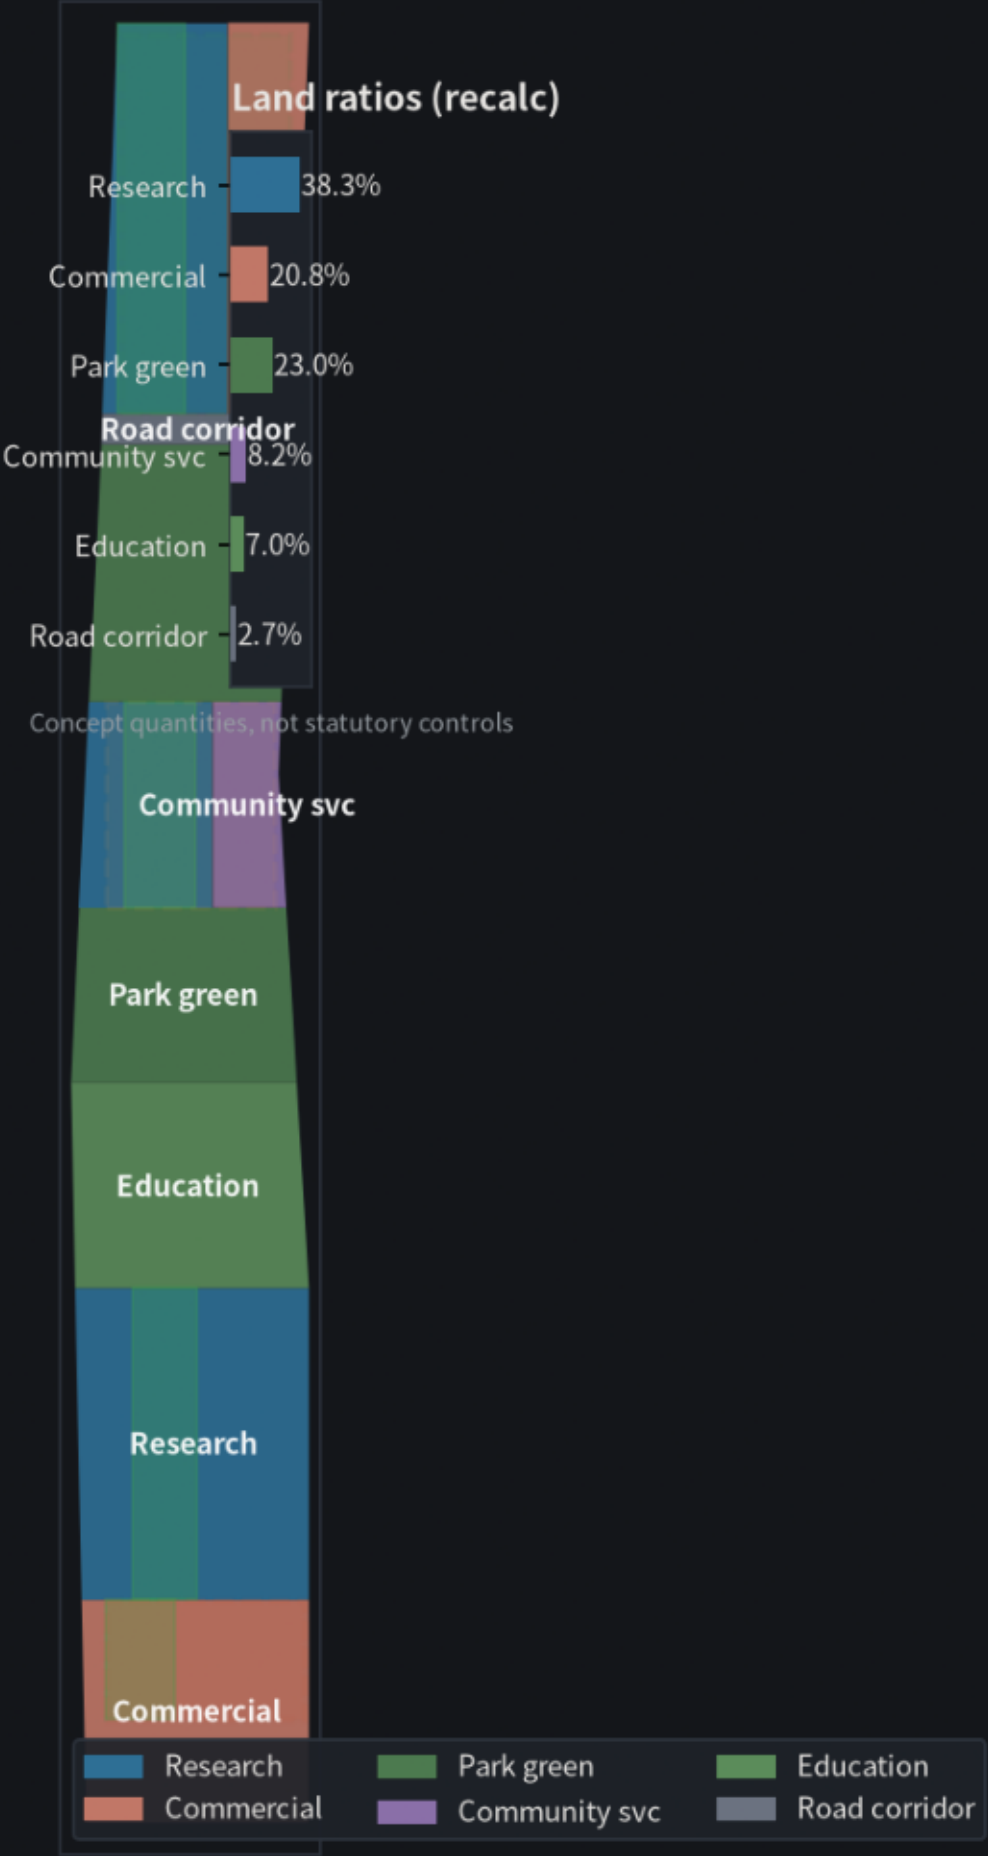

Master concept: one spine, three stations, five lines & the Three-Light Protocol

THE JINGZHANG SIGNAL • One Spine • Three Stations • Five Lines

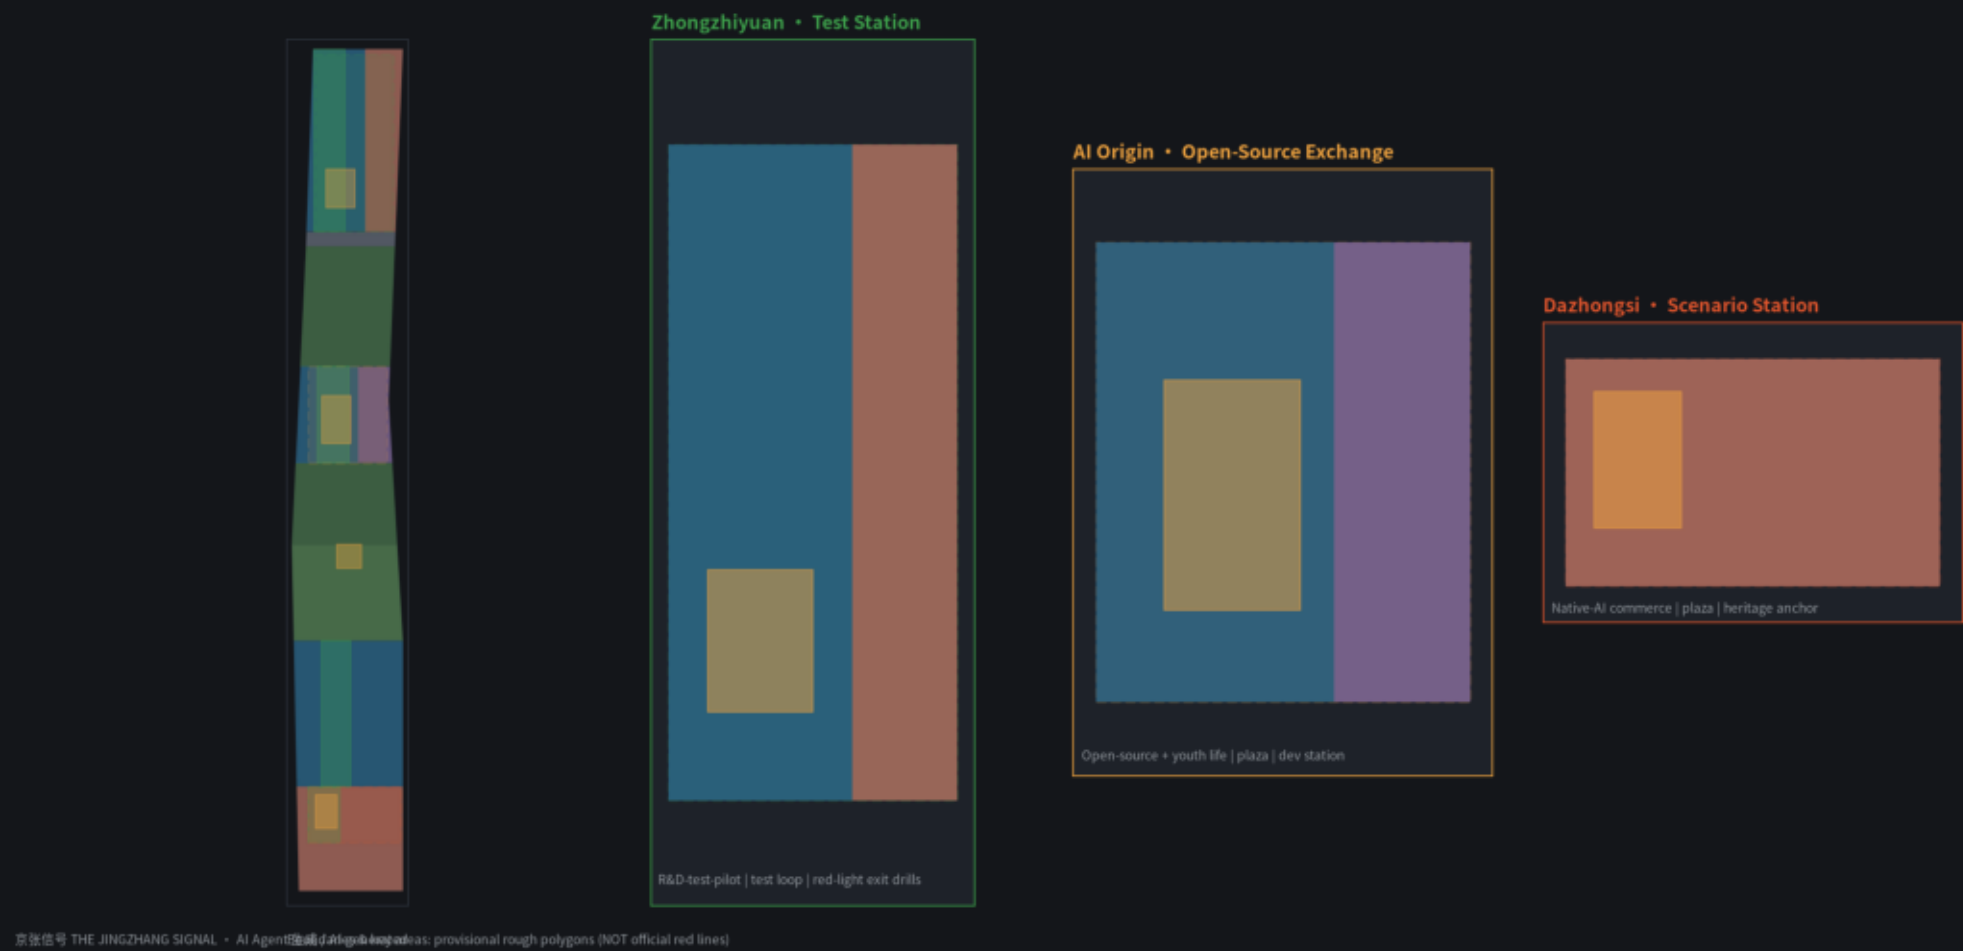

Land-use structure & functional layout

Land Use Structure • Three Stations, Five Lines

Three key areas detailed design index

Three Key Areas · Detailed Design Index
Zhongzhiyuan 192.9ha (test) · AI Origin 104.3ha (open-source) · Dazhongsi 72.0ha (scenarios)

Mobility & blue-green public space system

Mobility, Slow Traffic & Blue-Green Public Space System

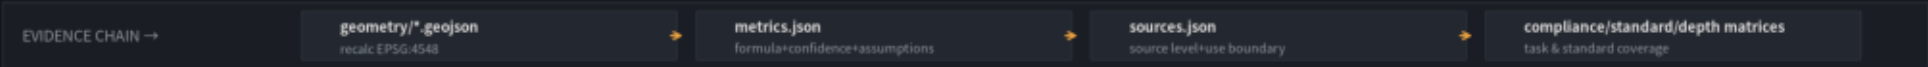

Core metrics recalculation & evidence chain

Core Metrics Recalculation & Evidence Chain

All metrics recalculated from geometry/*.geojson in EPSG:4548 · evidence in sources.json / matrices

空间 / SPATIAL	网络 / NETWORK	内容 / CONTENT
11.41 km² Overall design area	30.5 km Five-line network	12 张 Scenario cards
18.3 % Green & open space	19.4 km Greenway spine+wing	3 个 Test scenarios
4.6 % Plaza public space	208.2 万m² Green area	5 类 Personas
38.3 % Research land	52.4 万m² Public space	6 个 Ecosystem cases
20.8 % Commercial land	88.2 万m² Concept footprint	3 个 AI landmarks
		9 处 Signal nodes
		9 项 Renewal projects

provisional boundaries & concept massing labelled in geometry and prose · concept quantities, not statutory controls
