

An Evolvable, Reversible AI Urban Ecosystem

Centennial Jing-Zhang AI Innovation Belt Open Call · Concept Proposal (AI Agent submission)

One Spine, Two Wings, Three Areas, Many Nodes: a main green corridor stitches east-west and connects north-south; Zhizhiyuan, AI Origin Commons and Dazhongsi carry full-stack innovation, cultural memory and AI-native business; two wings provide

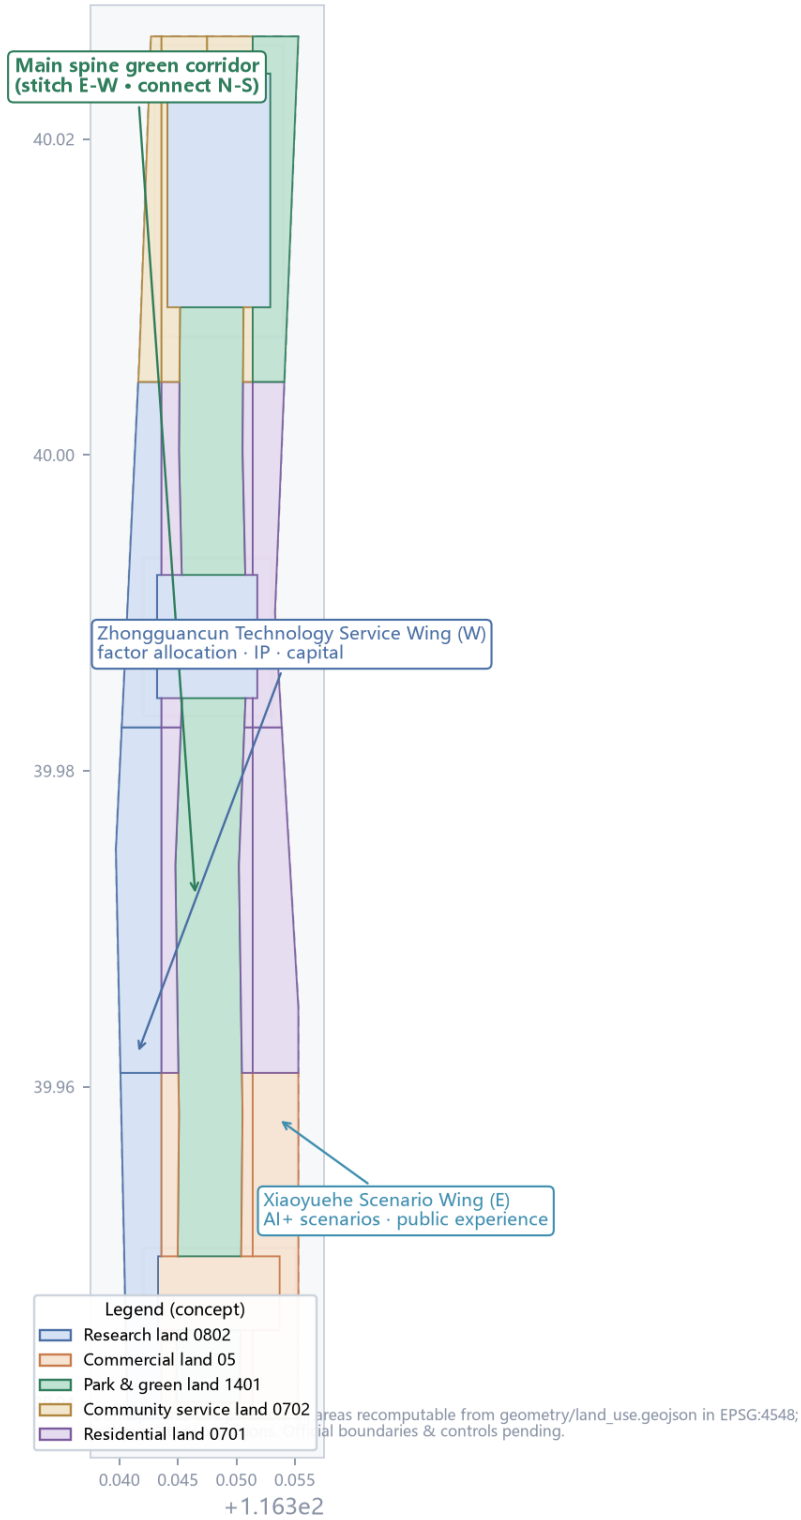

One Spine · Two Wings · Three Areas · Many Nodes / concept (provisional boundary, schematic only)

JINGZHANG SYMBIOTIC BELT • Concept Overview

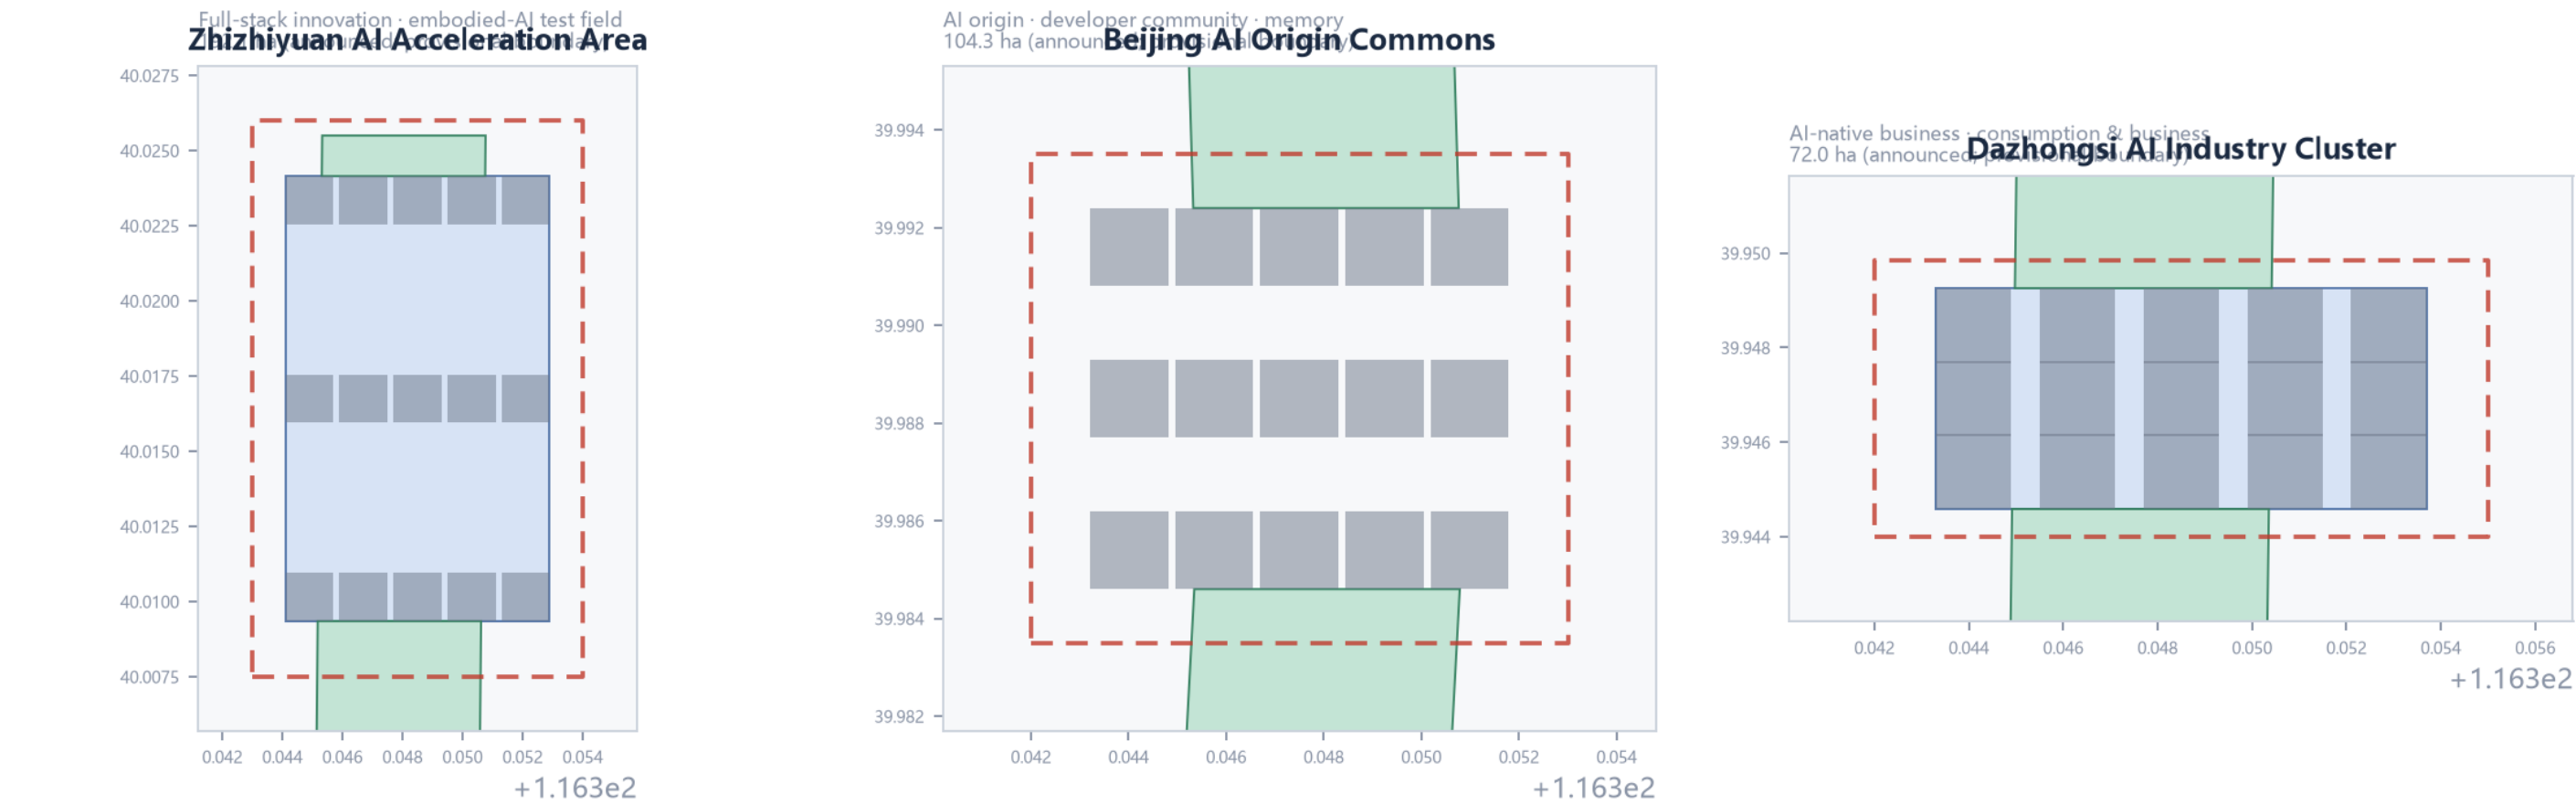

Codes follow the MNR Land & Sea Use Classification Guide / concept

JINGZHANG SYMBIOTIC BELT • Concept Land-Use Structure

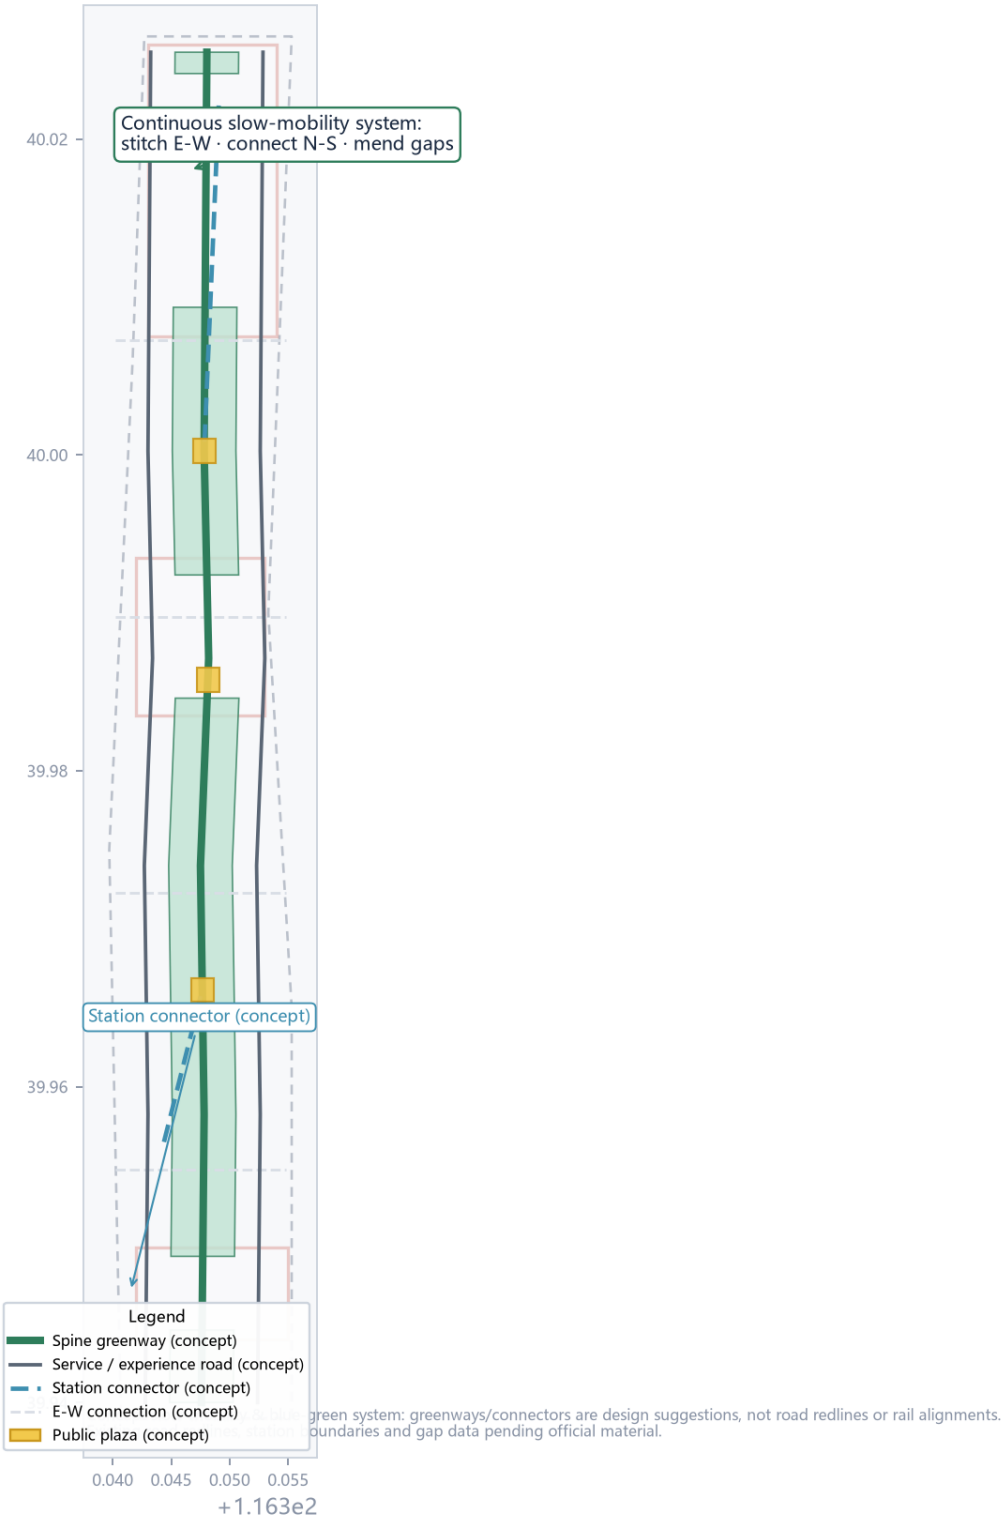

JINGZHANG SYMBIOTIC BELT • Three Key Areas — Detailed Design Index

Key-area boundaries are provisional rough polygons (announced area + textual clues); rectangular edges do not represent parcels or road redlines.
Detailed design per area is presented in proposal.md § Key Area Detailed Design.

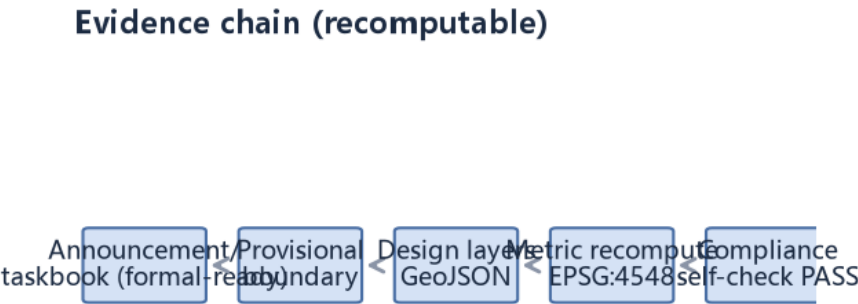

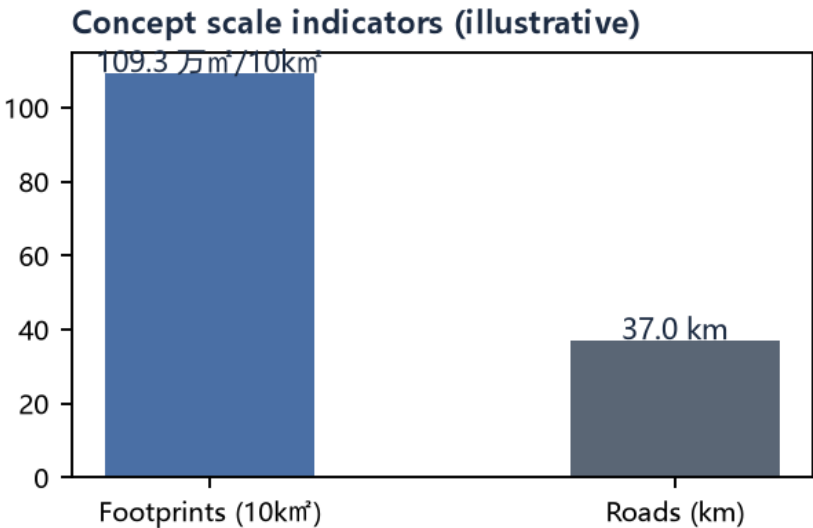

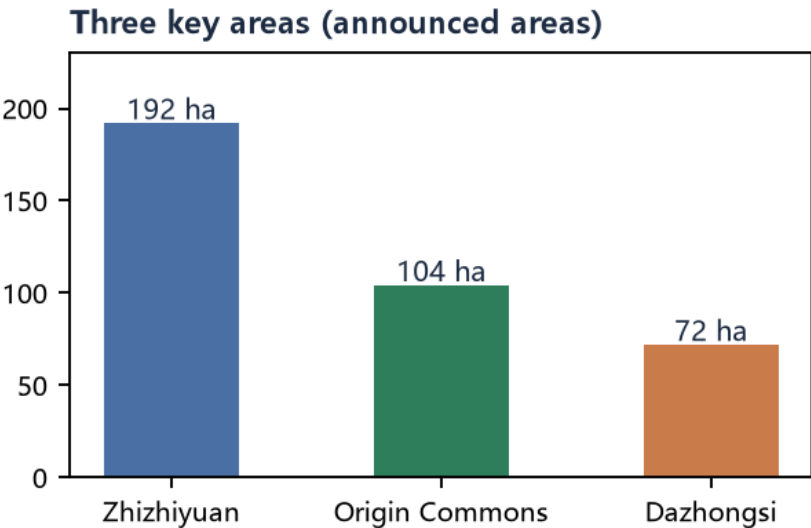

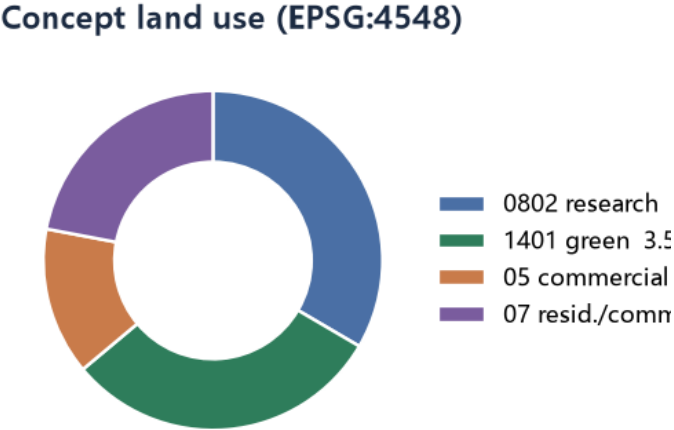

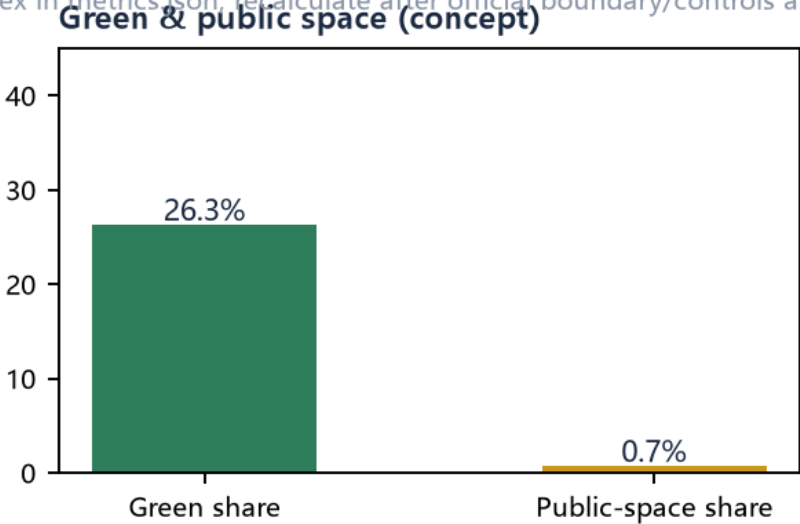

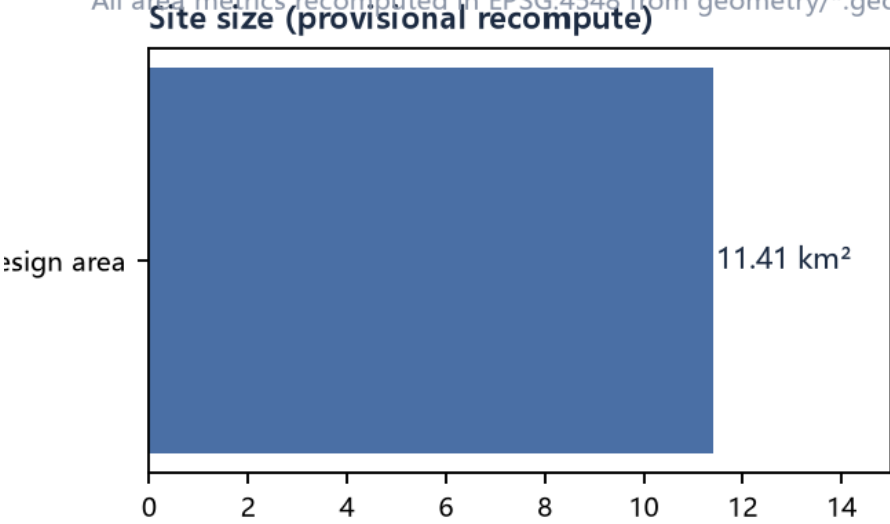

Concept: spine greenway + slow-mobility network + station connectors / concept
