

JINGZHANG COMMON TABLE: 1 Spine · 3 Yards · 6 Seams · 12

Innovation is not merely displayed; it is tested together on a civic tabletop

- 一脊 / One spine
Heritage-park civic tabletop
 - 三院 / Three yards
R&D · translation · adoption
 - 六缝 / Six seams
East-west links to homes and stations
 - 十二席 / Twelve seats
Every AI scenario has human takeover and stop
- 临时边界 / PROVISIONAL
Not an official redline

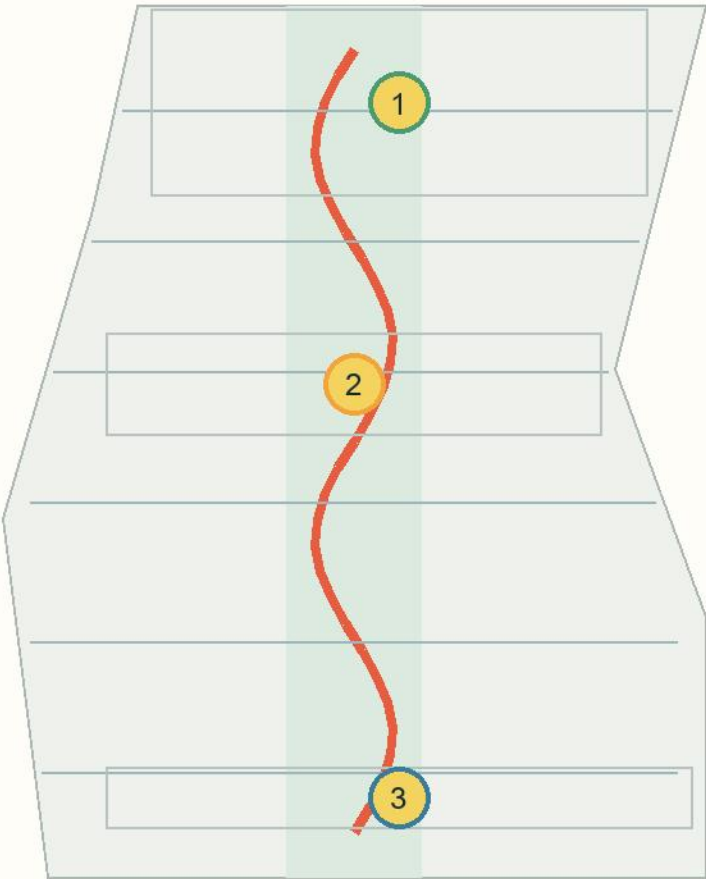

This figure is deterministically generated from package GeoJSON and metrics. Provisional geometry; not an official redline.

Three Table Yards: R&D, Translation, Adoption

Each has spatial moves, AI scenarios, human roles and delivery gates

Zhongzhiyuan: R&D Yard
Controlled tests · visible failures · Qinghe edge

AI Origin: Translation Kitchen
Campus-city work · no-phone service · public tasks

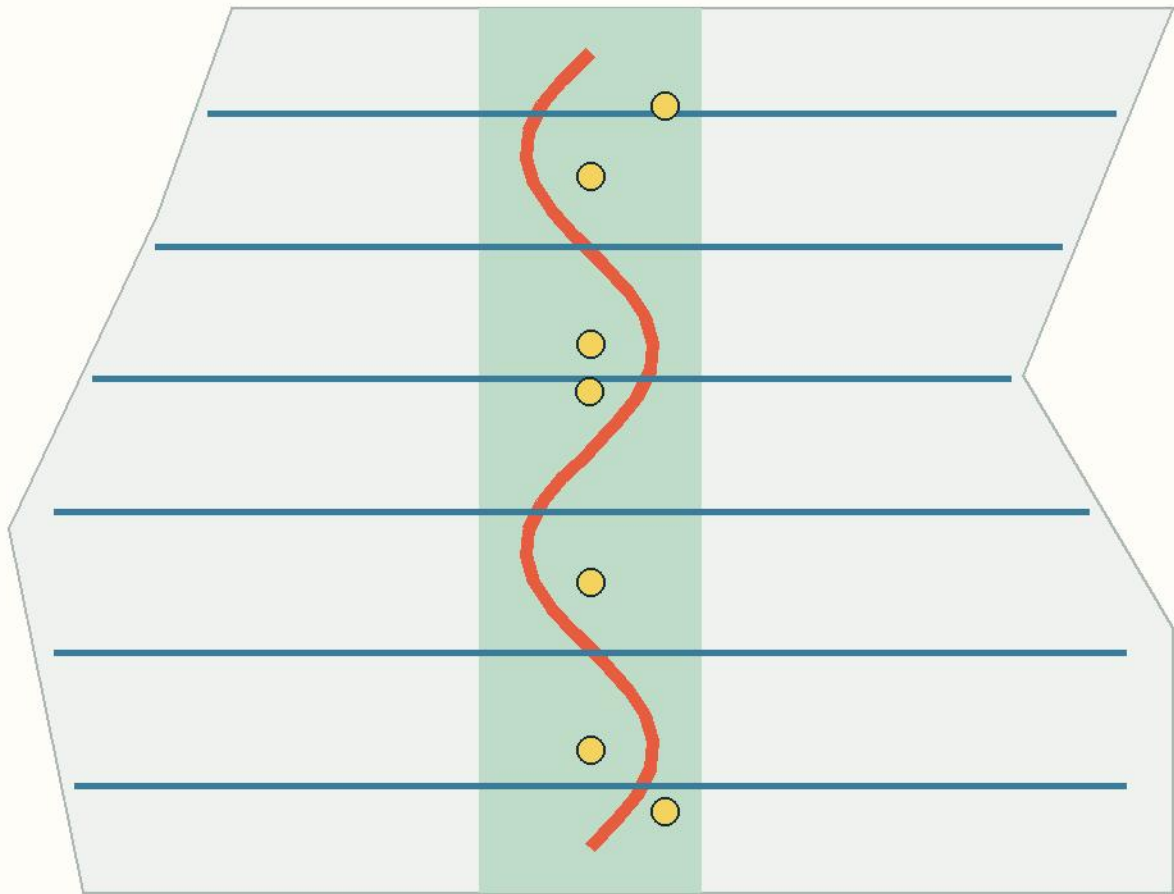

Dazhongsi: Adoption Night Table
Maintenance proof · global reception · feedback

Thin grey boxes are provisional; coloured nodes and corridors show design intent

This figure is deterministically generated from package GeoJSON and metrics. Provisional geometry; not an official redline.

Slow-Mobility Seams × Blue-Green Civic Tabletop

Reconnect both sides of the park, not just movement along it

1 north-south spine

Walk · cycle · green · memory

6 east-west seams

Homes · campuses · firms · stations

7 civic table nodes

Rest · water · human help · co-test

Alignments await transport, ownership, access and utility checks
