

OVERALL STRUCTURE + KEY AREAS

PROVISIONAL · NOT OFFICIAL

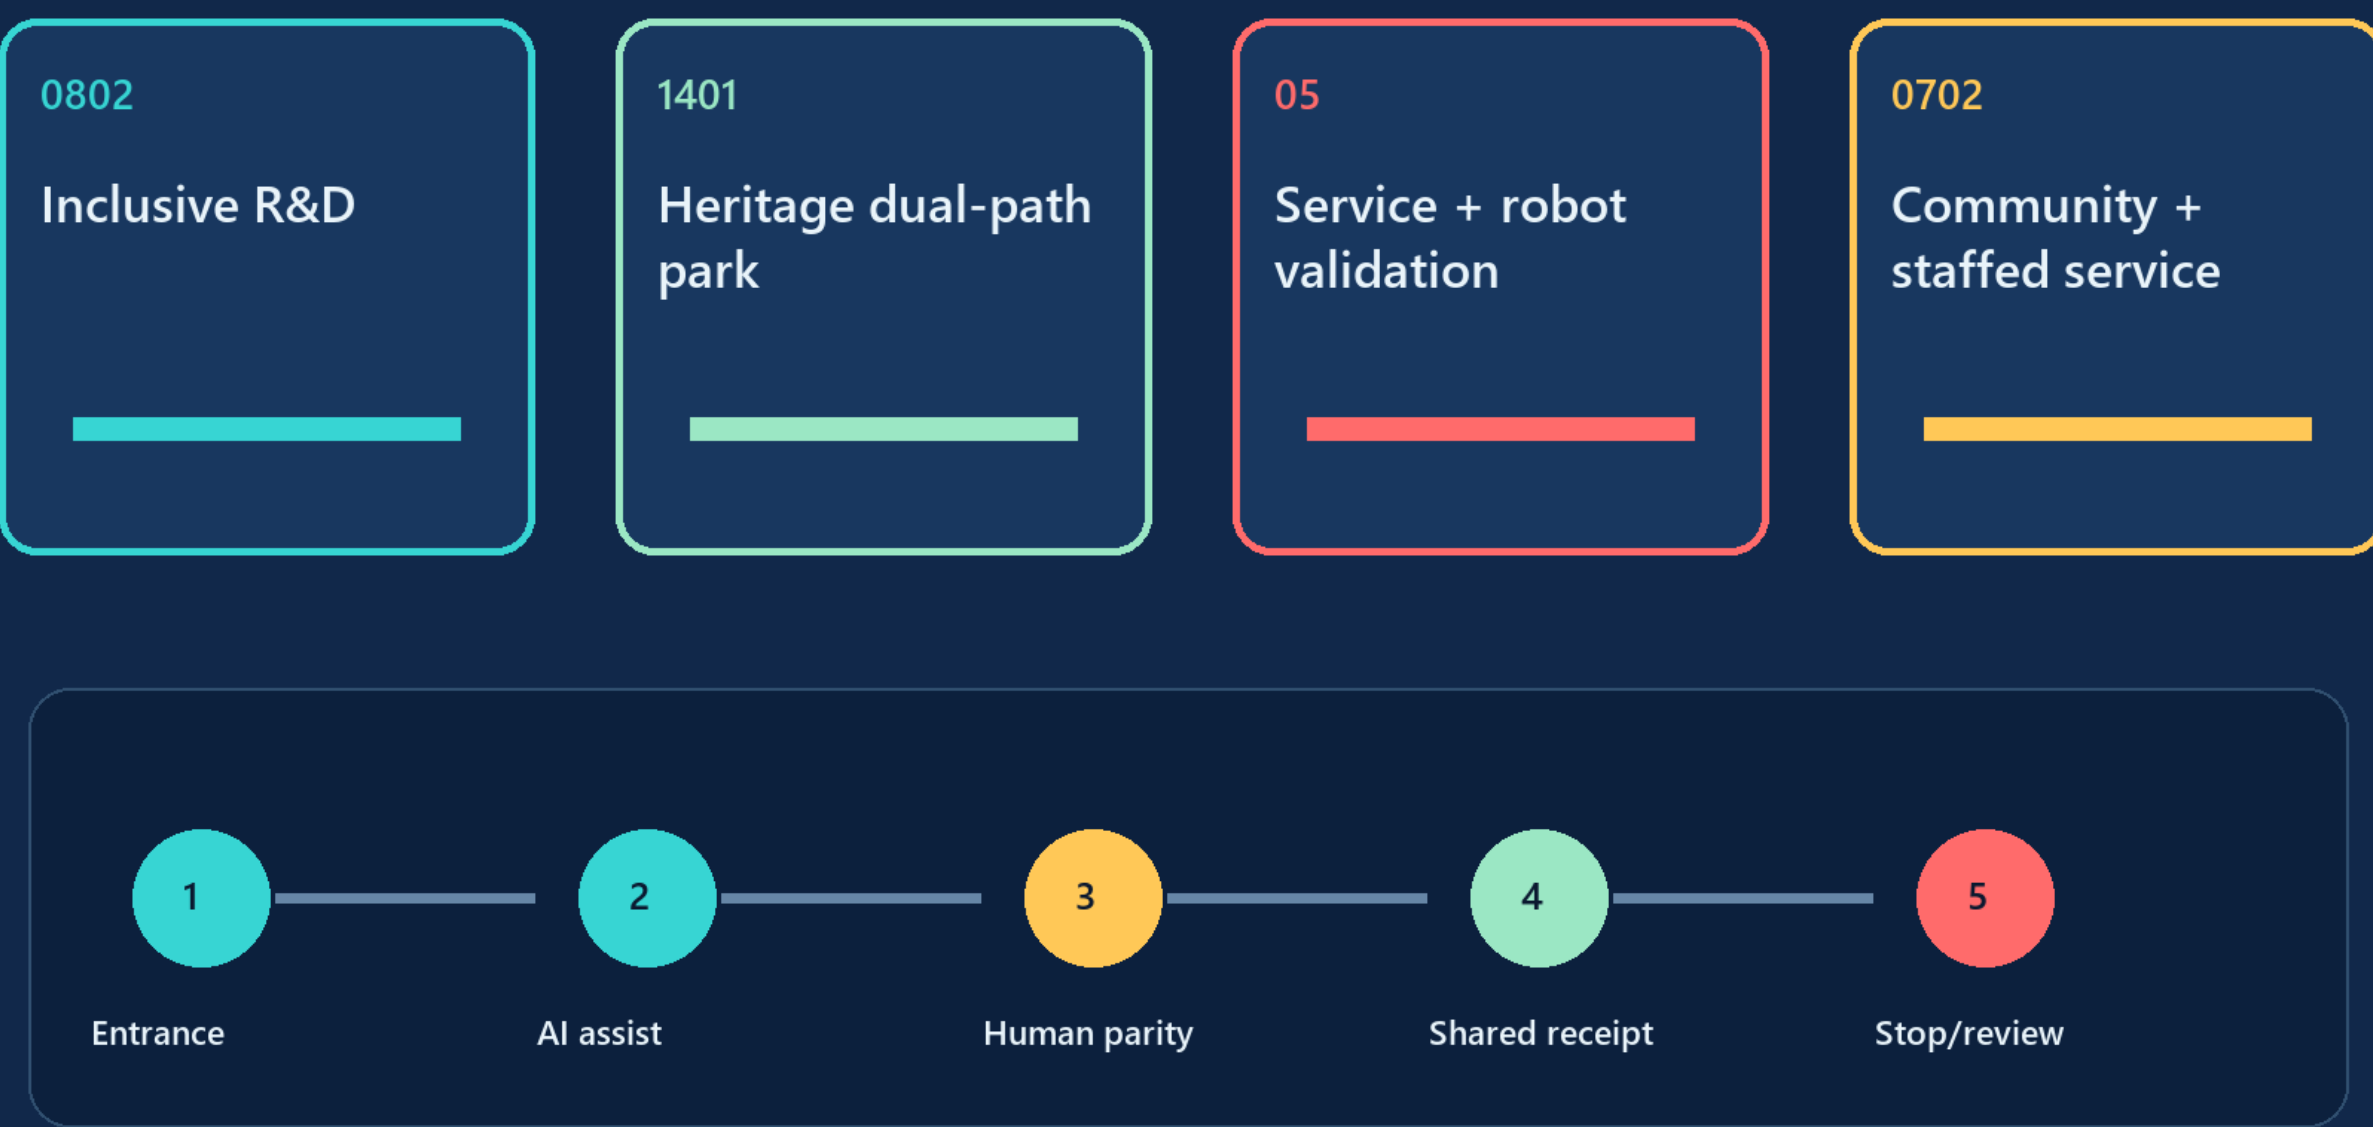

JING-ZHANG DUAL PATH

Complete the same public service with AI on or off

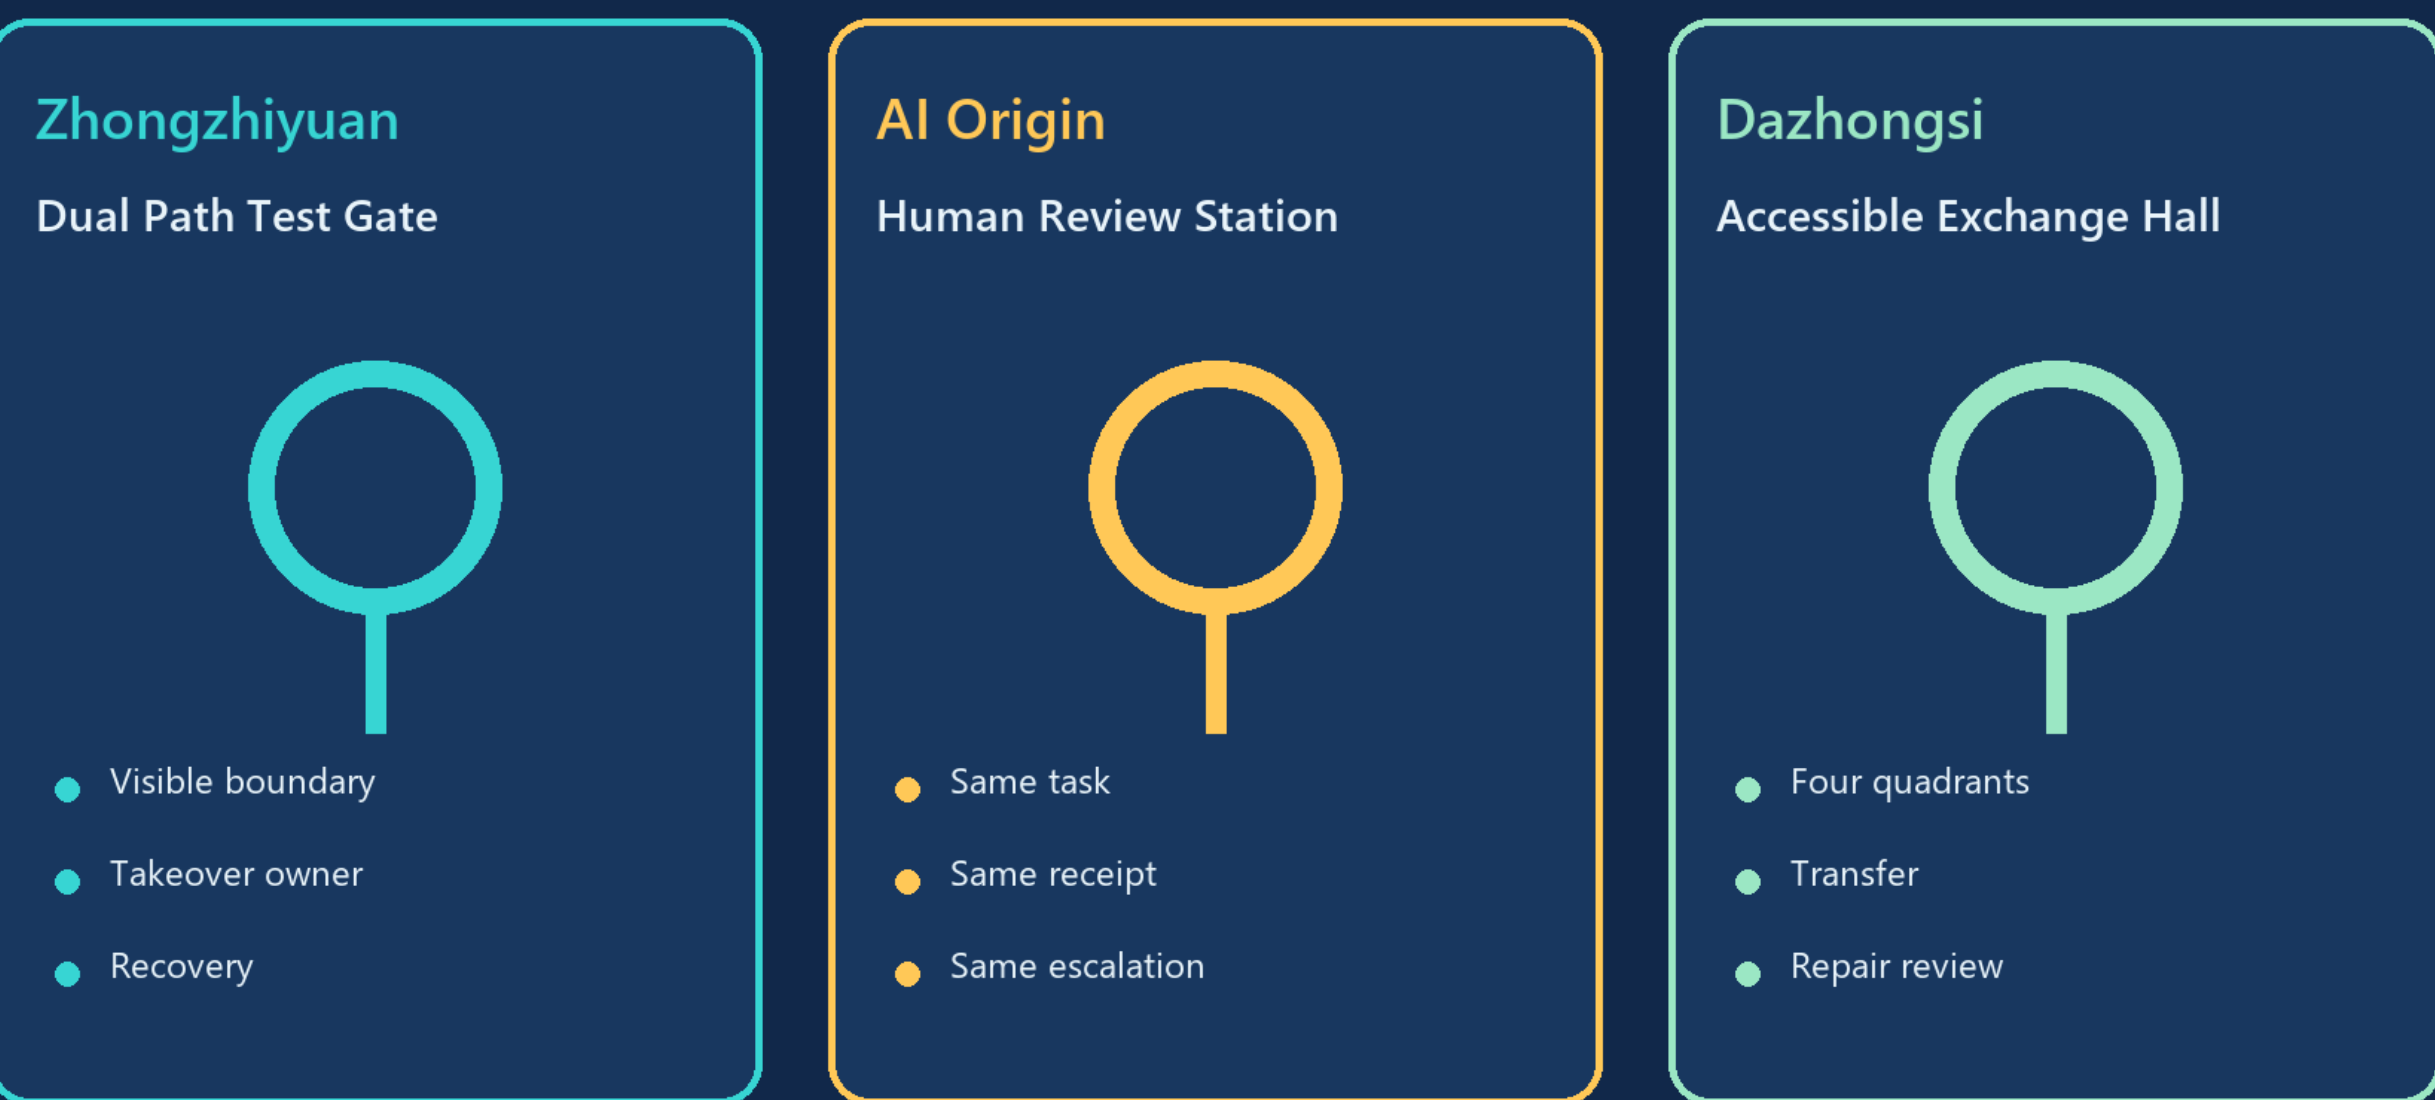

LAND USE + SERVICE STRUCTURE

Four concept zones cover the provisional site; not statutory land use

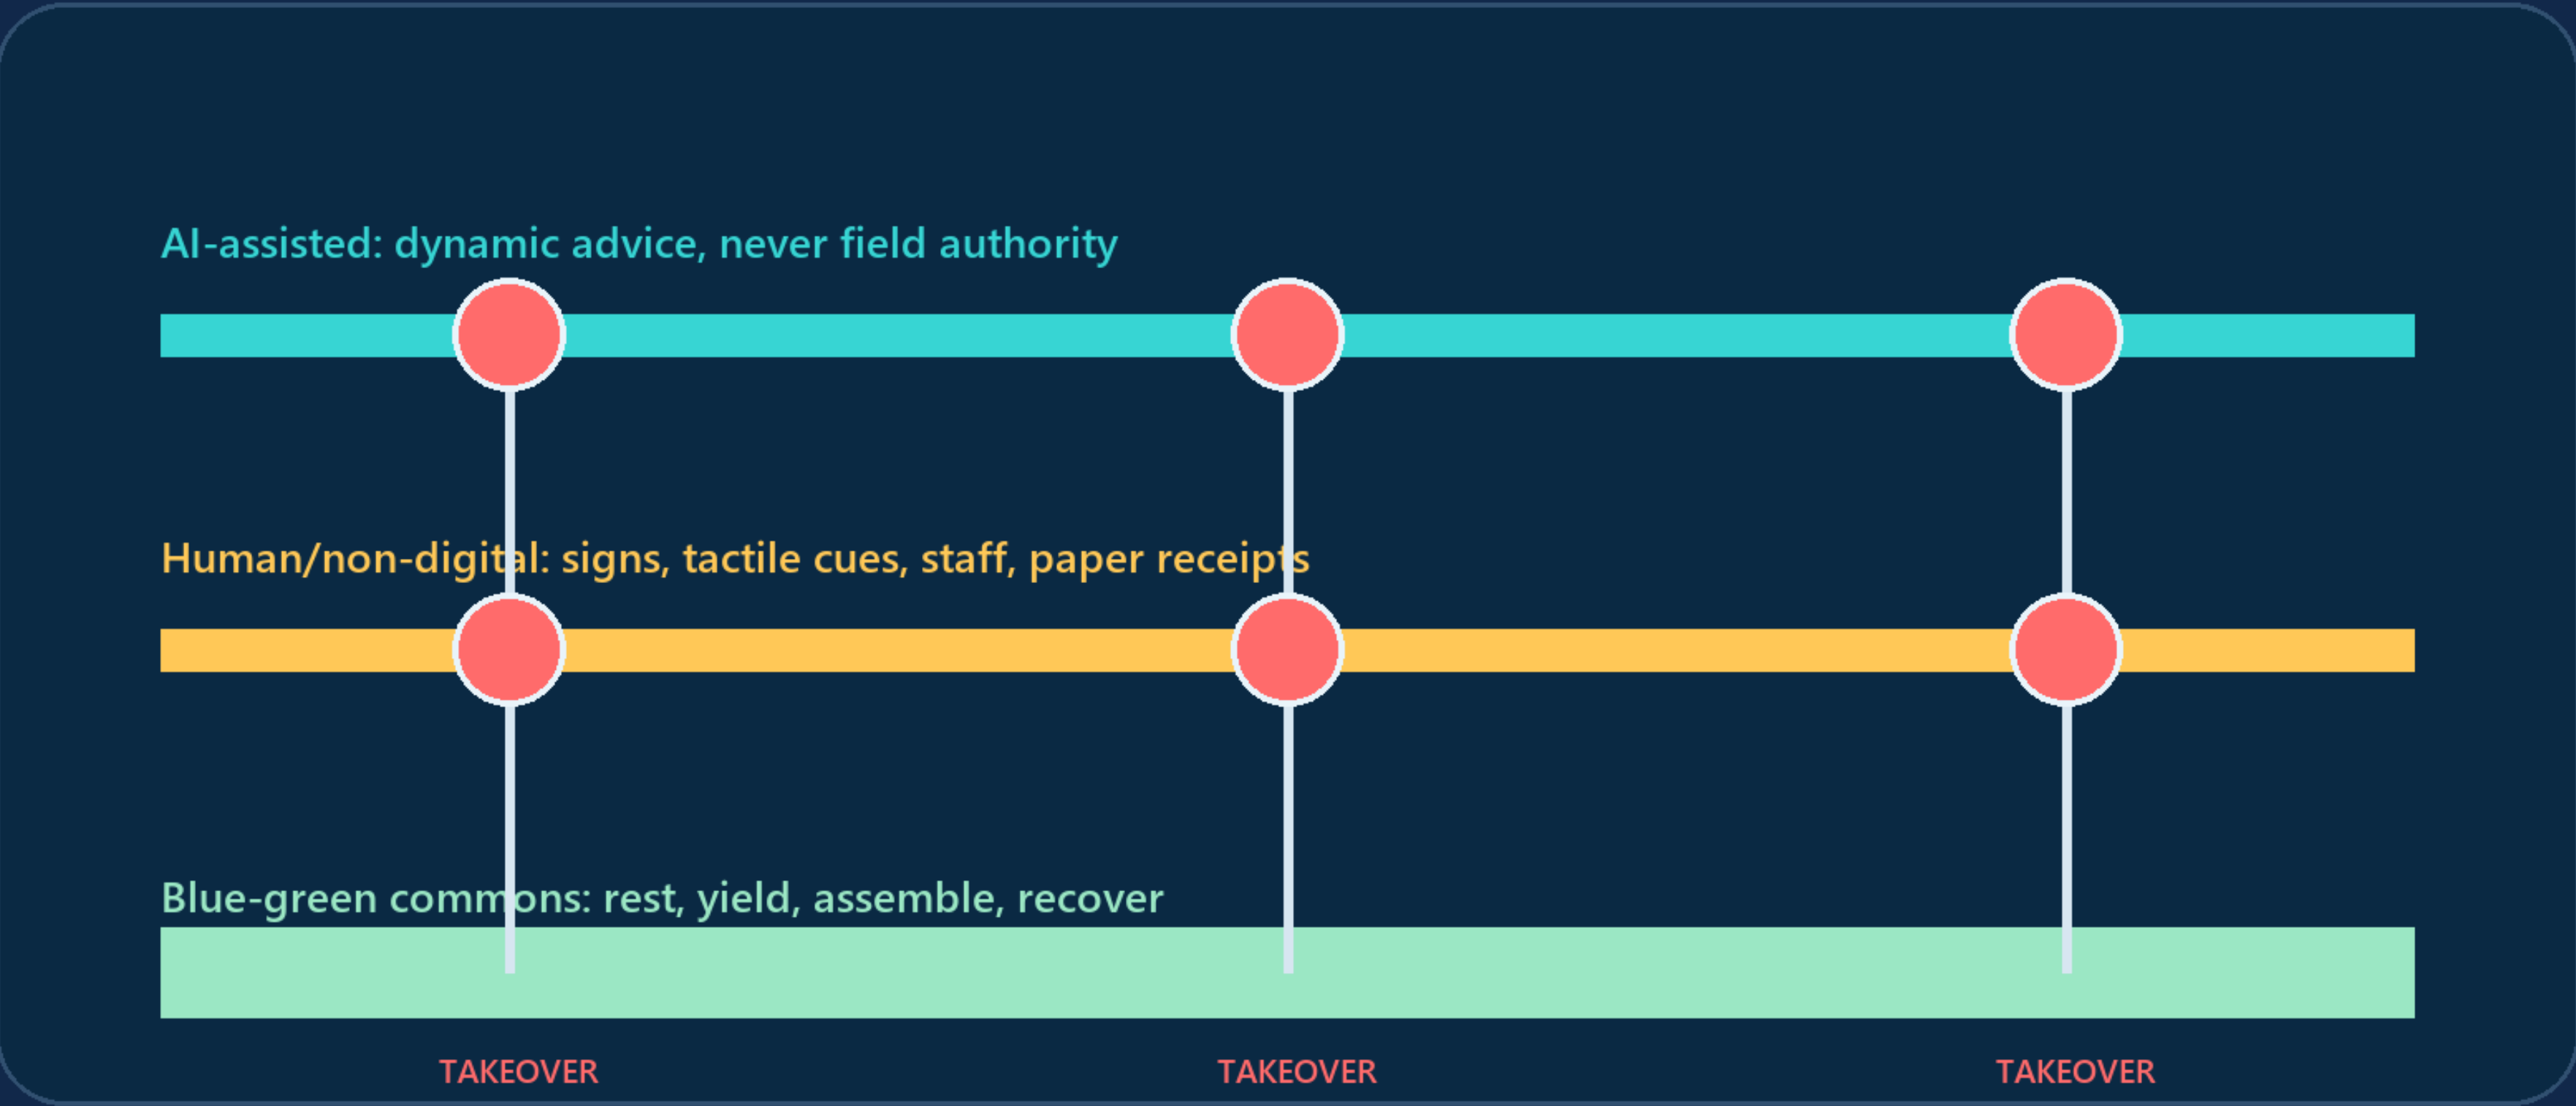

THREE KEY-AREA RESPONSIBILITY PROTOTYPES

Validate, review, exchange—each closes a different failure loop

MOBILITY + BLUE-GREEN CONTINUITY

Two channels share space without sharing one point of failure

Concept centerlines, not road redlines

METRICS + EVIDENCE CHAIN

Separate known inventory, concept quantities and missing inputs

FAR / density / road area / field performance: pending official data and authorization

Provisional site 11.413 km² · concept green 17.53% · concept public forecourts 0.88%
