

LONG TEST MAIN LINE · THREE YARDS + TWO WINGS

Conceptual design · provisional boundary · not an official planning line

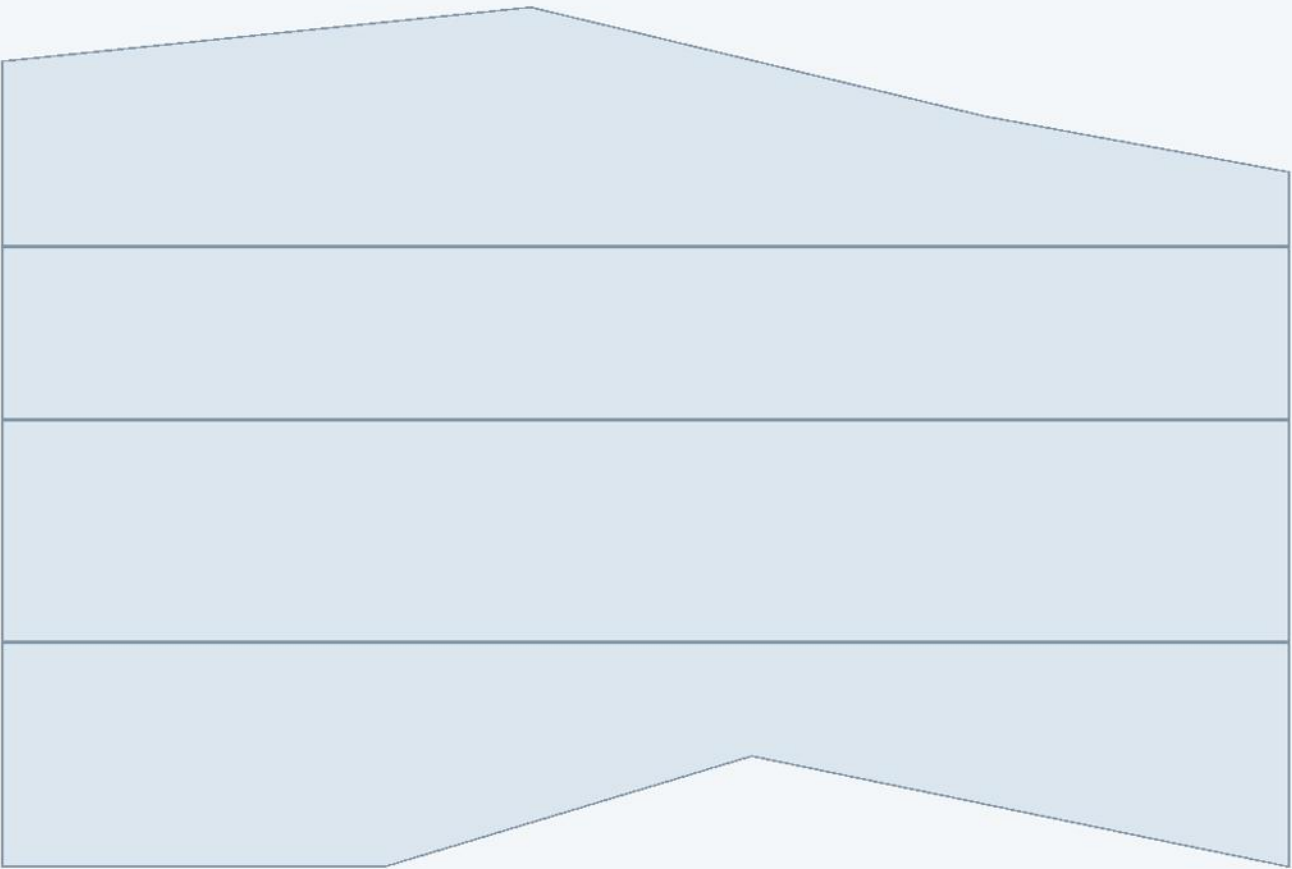

- 01
Calibration Yard
- 02
Human Takeover Station
- 03
Repair Yard
- 12
Scenario cards

Geometry-derived corridor diagram; rotated and stretched for legibility; not for measuring distance

LAND-USE PARTITION + LONG-TEST STRUCTURE

Conceptual design · provisional boundary · not an official planning line

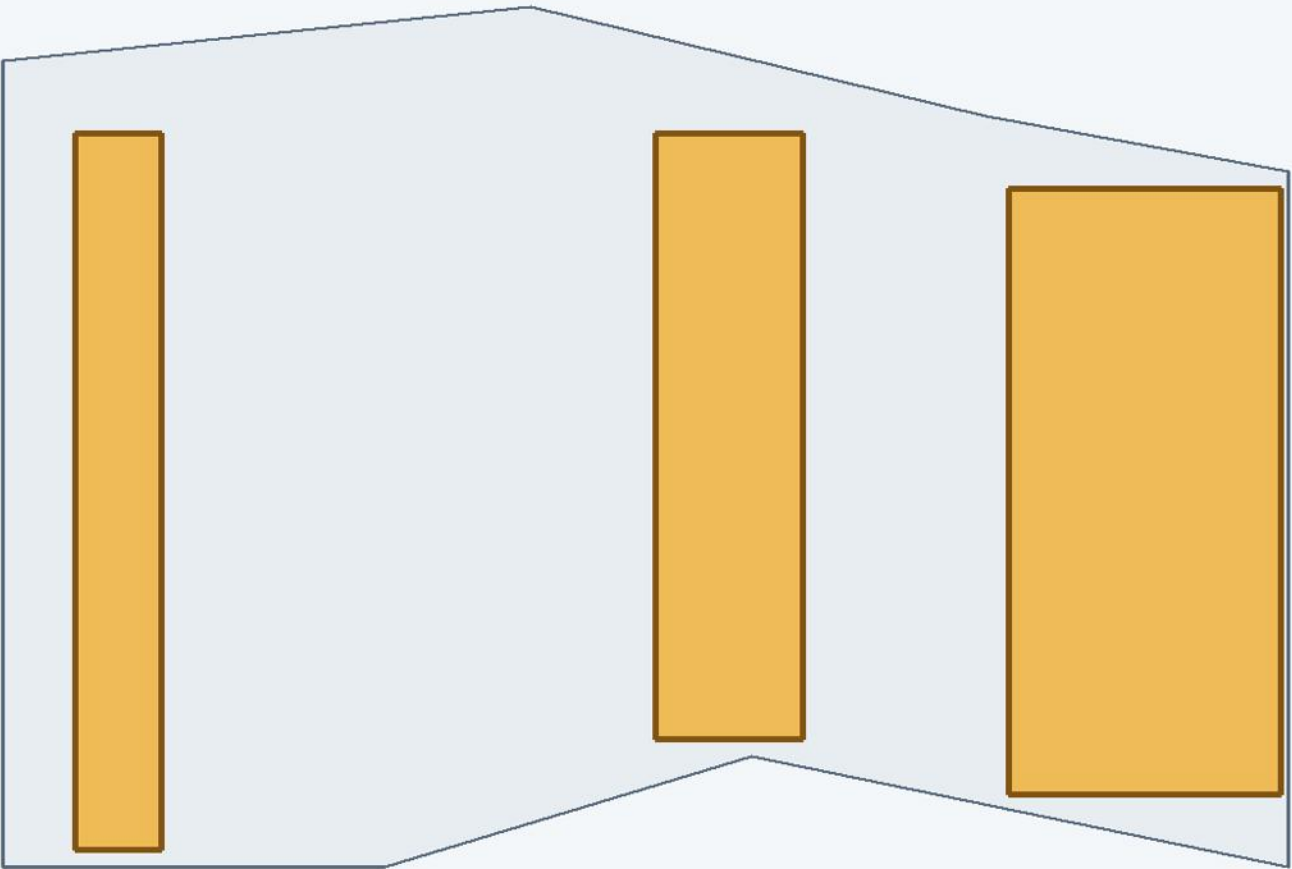

- 100%
Conceptual partition
- 2
Parallel tracks
- 1
Public lifecycle register

Geometry-derived corridor diagram; rotated and stretched for legibility; not for measuring distance

THREE LONG-TEST YARDS

Conceptual design · provisional boundary · not an official planning line

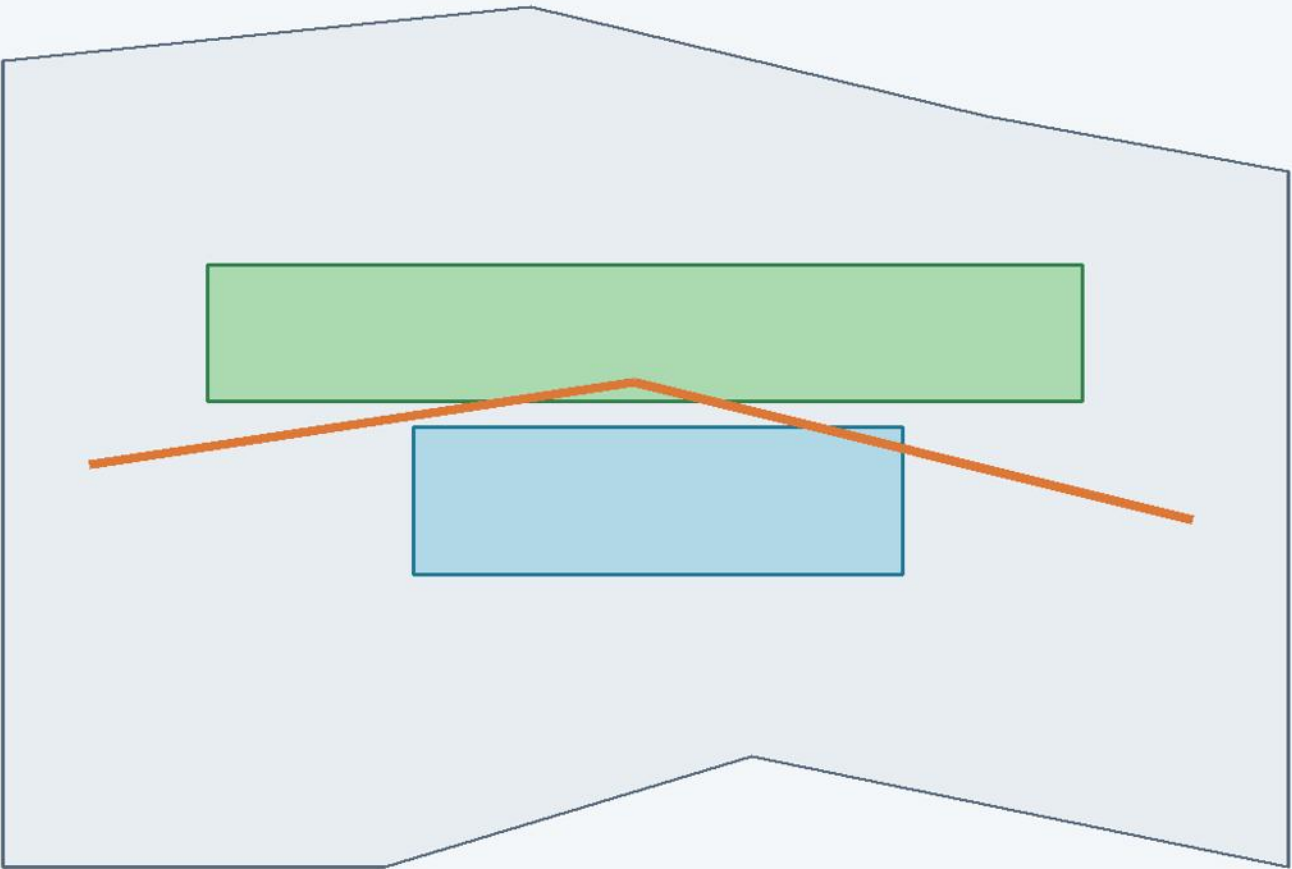

- A
Regression + interfaces
- B
Accessibility + fallback
- C
Devices + handover

Geometry-derived corridor diagram; rotated and stretched for legibility; not for measuring distance

MOBILITY, BLUE-GREEN + HUMAN TAKEOVER

Conceptual design · provisional boundary · not an official planning line

- Q
Quarterly walk test
- H
Human fallback
- R
Annual retirement drill

Geometry-derived corridor diagram; rotated and stretched for legibility; not for measuring distance
