

Jingzhang Interlock Belt — AI Innovation Mutual-Locking

One route · three switches · two wings — main route + switch groups + signal system + interlocking table

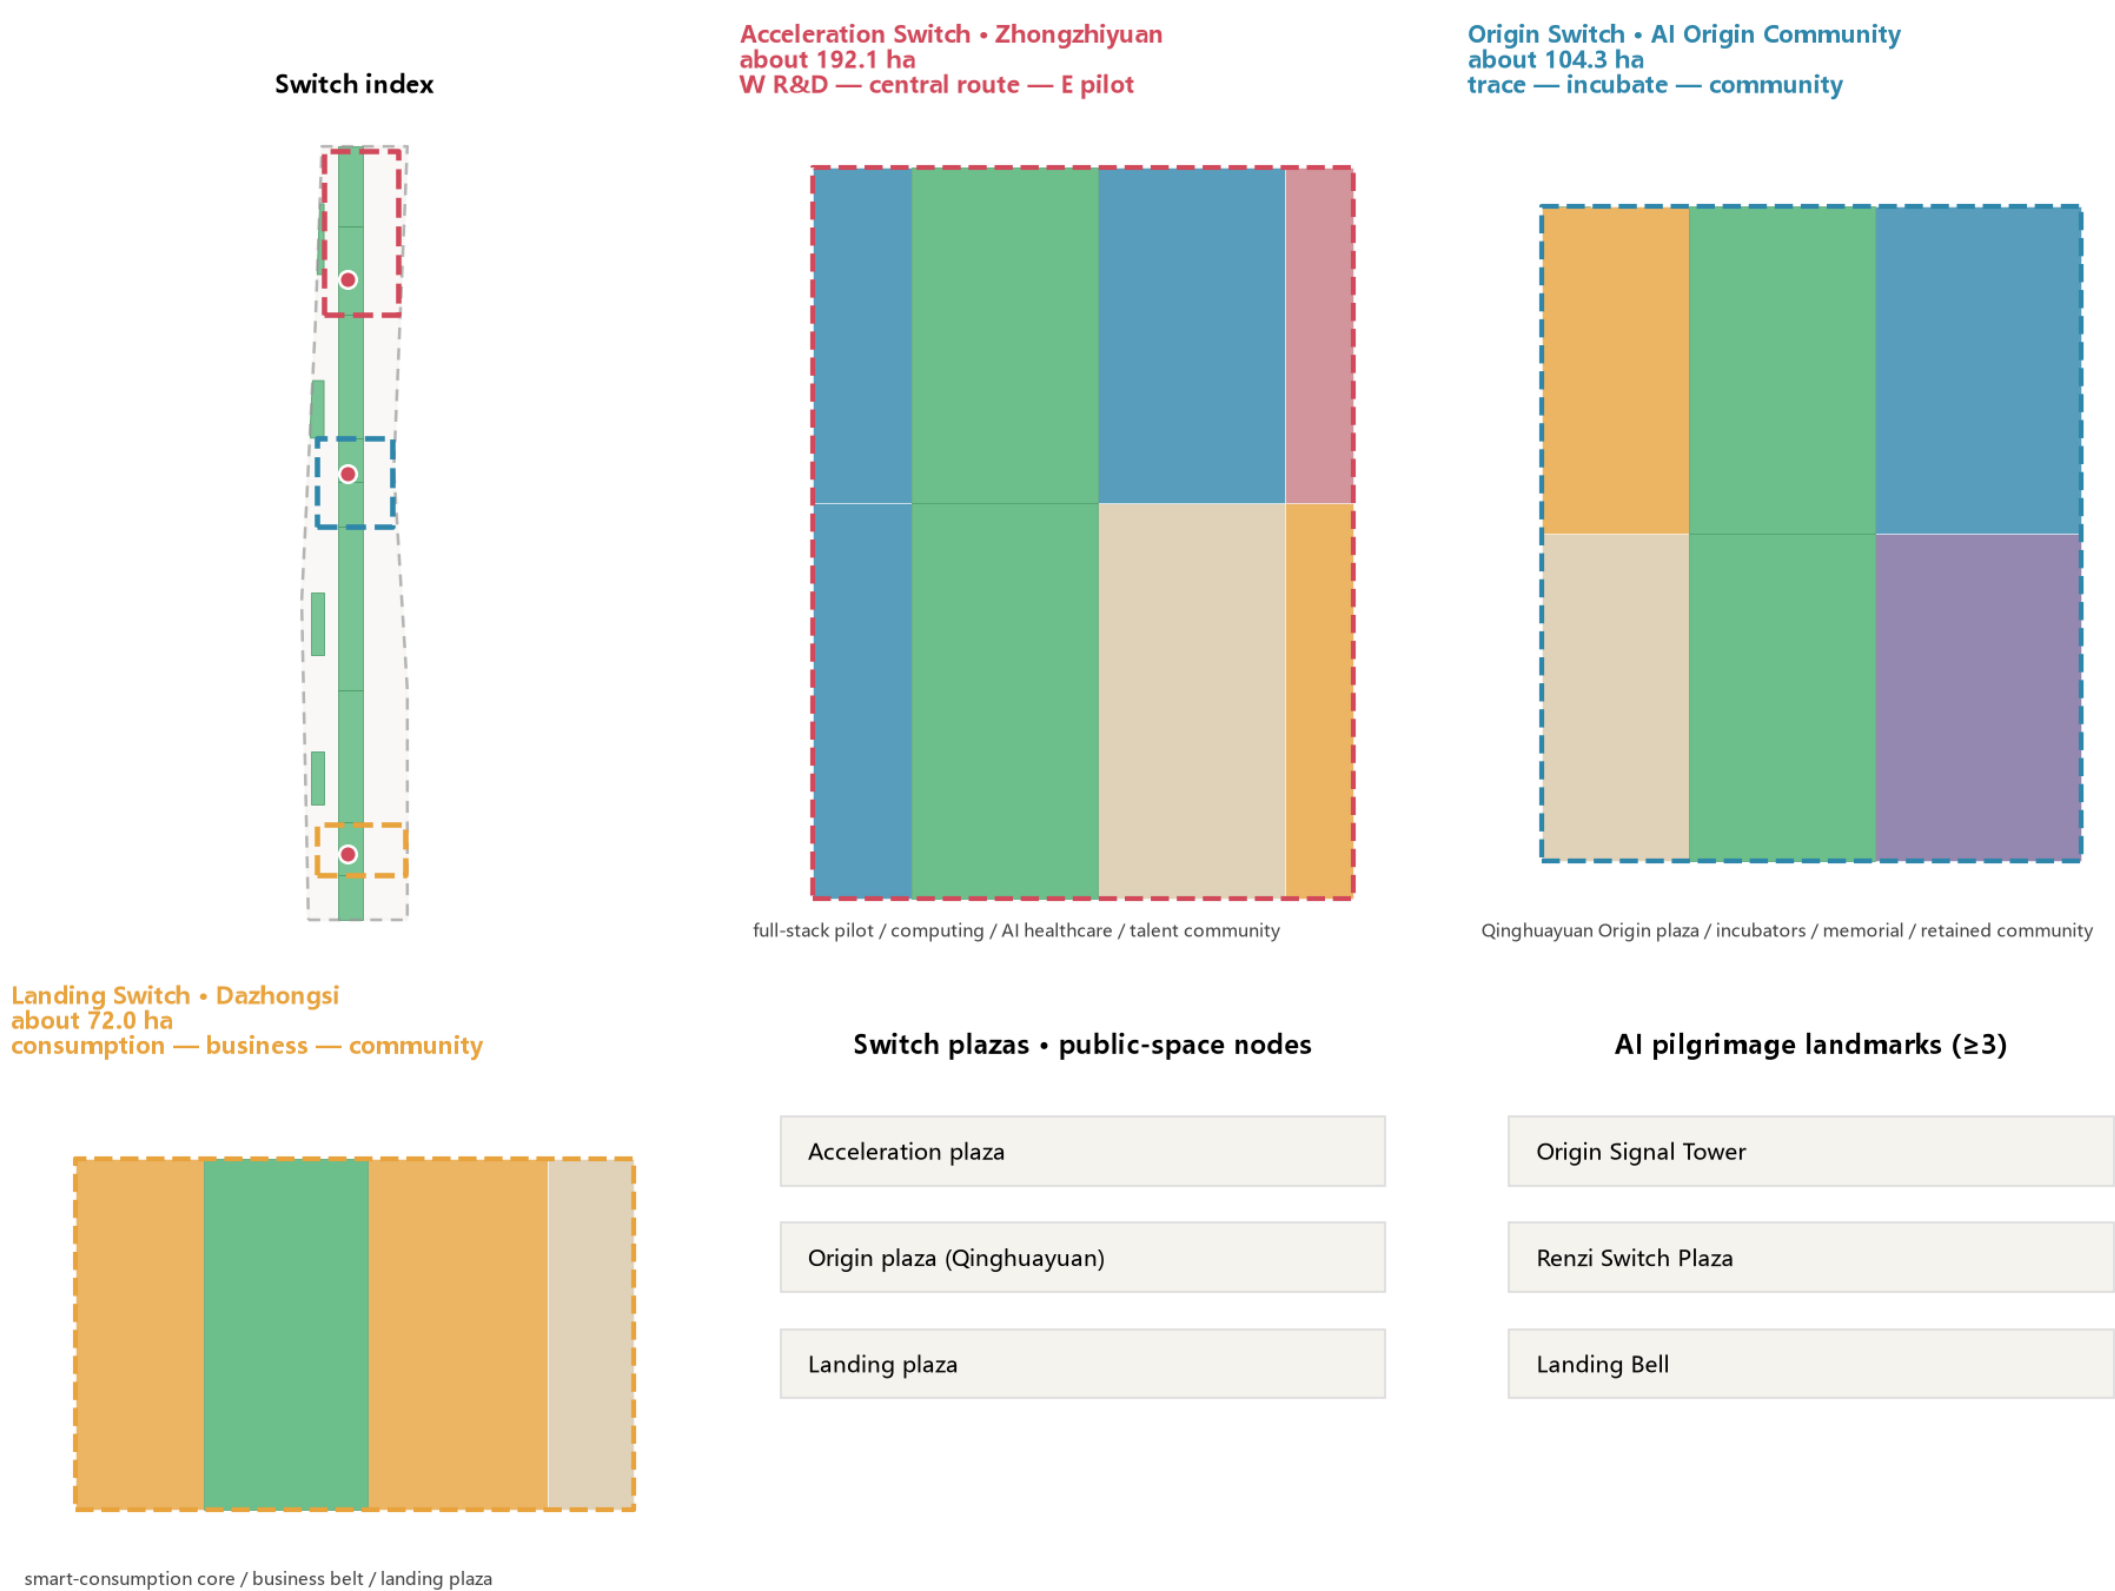

Core Metrics

11.4 km ²	Overall design area
31.4%	Green ratio
32.2%	Research land share
1.9%	Public-space ratio
3	Switches/landmarks
12	Scenario cards (4 test)

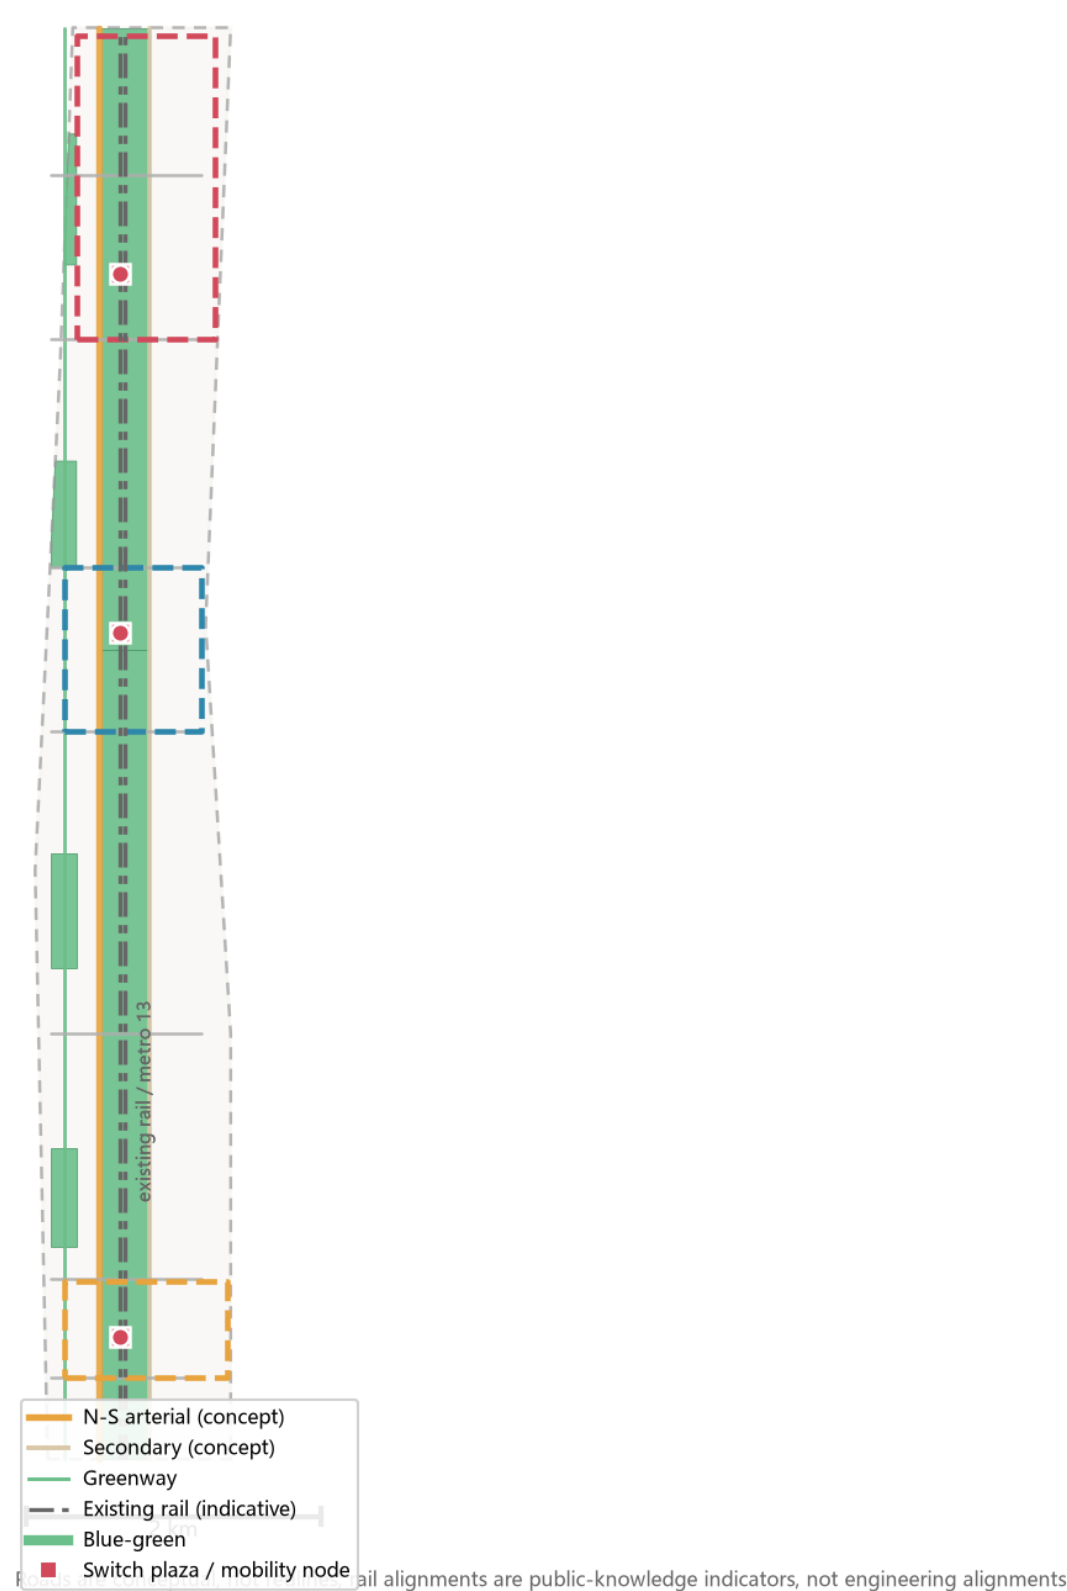

Jingzhang Interlock Belt • Overall Design Area Overview

Jingzhang Interlock Belt • Three Switch Key-Area Detailed Design

Jingzhang Interlock Belt • Mobility & Blue-Green Composite System
