

ONE DESK, ONE CITY

Overall concept / three-level scope

01 / OVERVIEW

ONE DESK, ONE CITY

From one desk to one street

01 DESK

Open entry · problem clinic
Named owner · 30-day checkpoint
Public question record

02 ROOM

Controlled trial · human stop
Rights, safety, accessibility gates
Publish pass and fail

03 STREET

Bounded first adoption
Maintenance, complaint, exit
Return evidence to the commons

ONE SPINE · THREE STATIONS · TWO WINGS · TWELVE DESKS

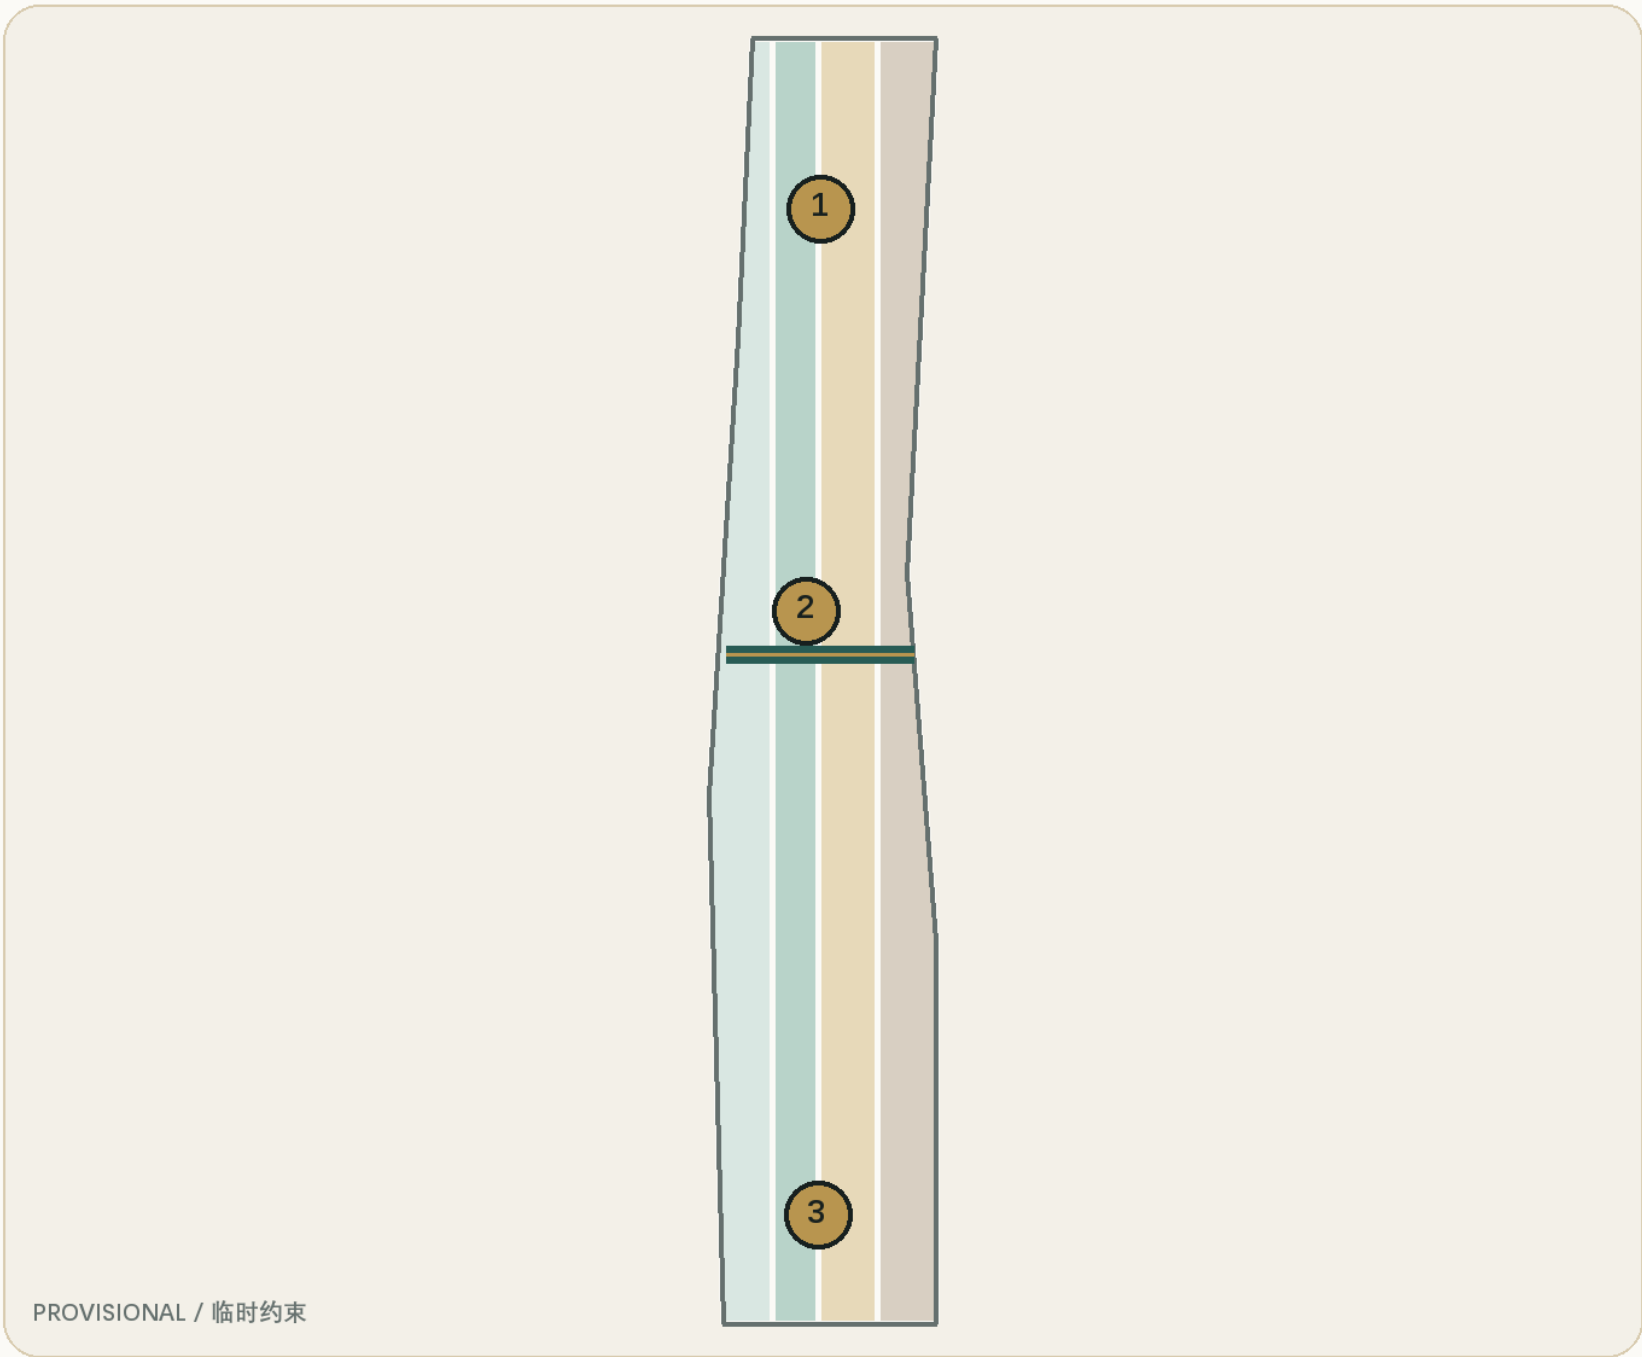

LAND-USE AS A GROWTH LADDER

Desk · Room · Street

02 / STRUCTURE

LAND-USE AS A GROWTH LADDER

Four land-use families support three operating intensities

01 R&D + DESKS

Short access / shared tools

02 OPEN COMMONS

Meeting / feedback / objection

03 FIRST-USER MARKET

Bounded adoption / public result

04 COMMUNITY SUPPORT

Human service / daily life

No parcel-level statutory claim

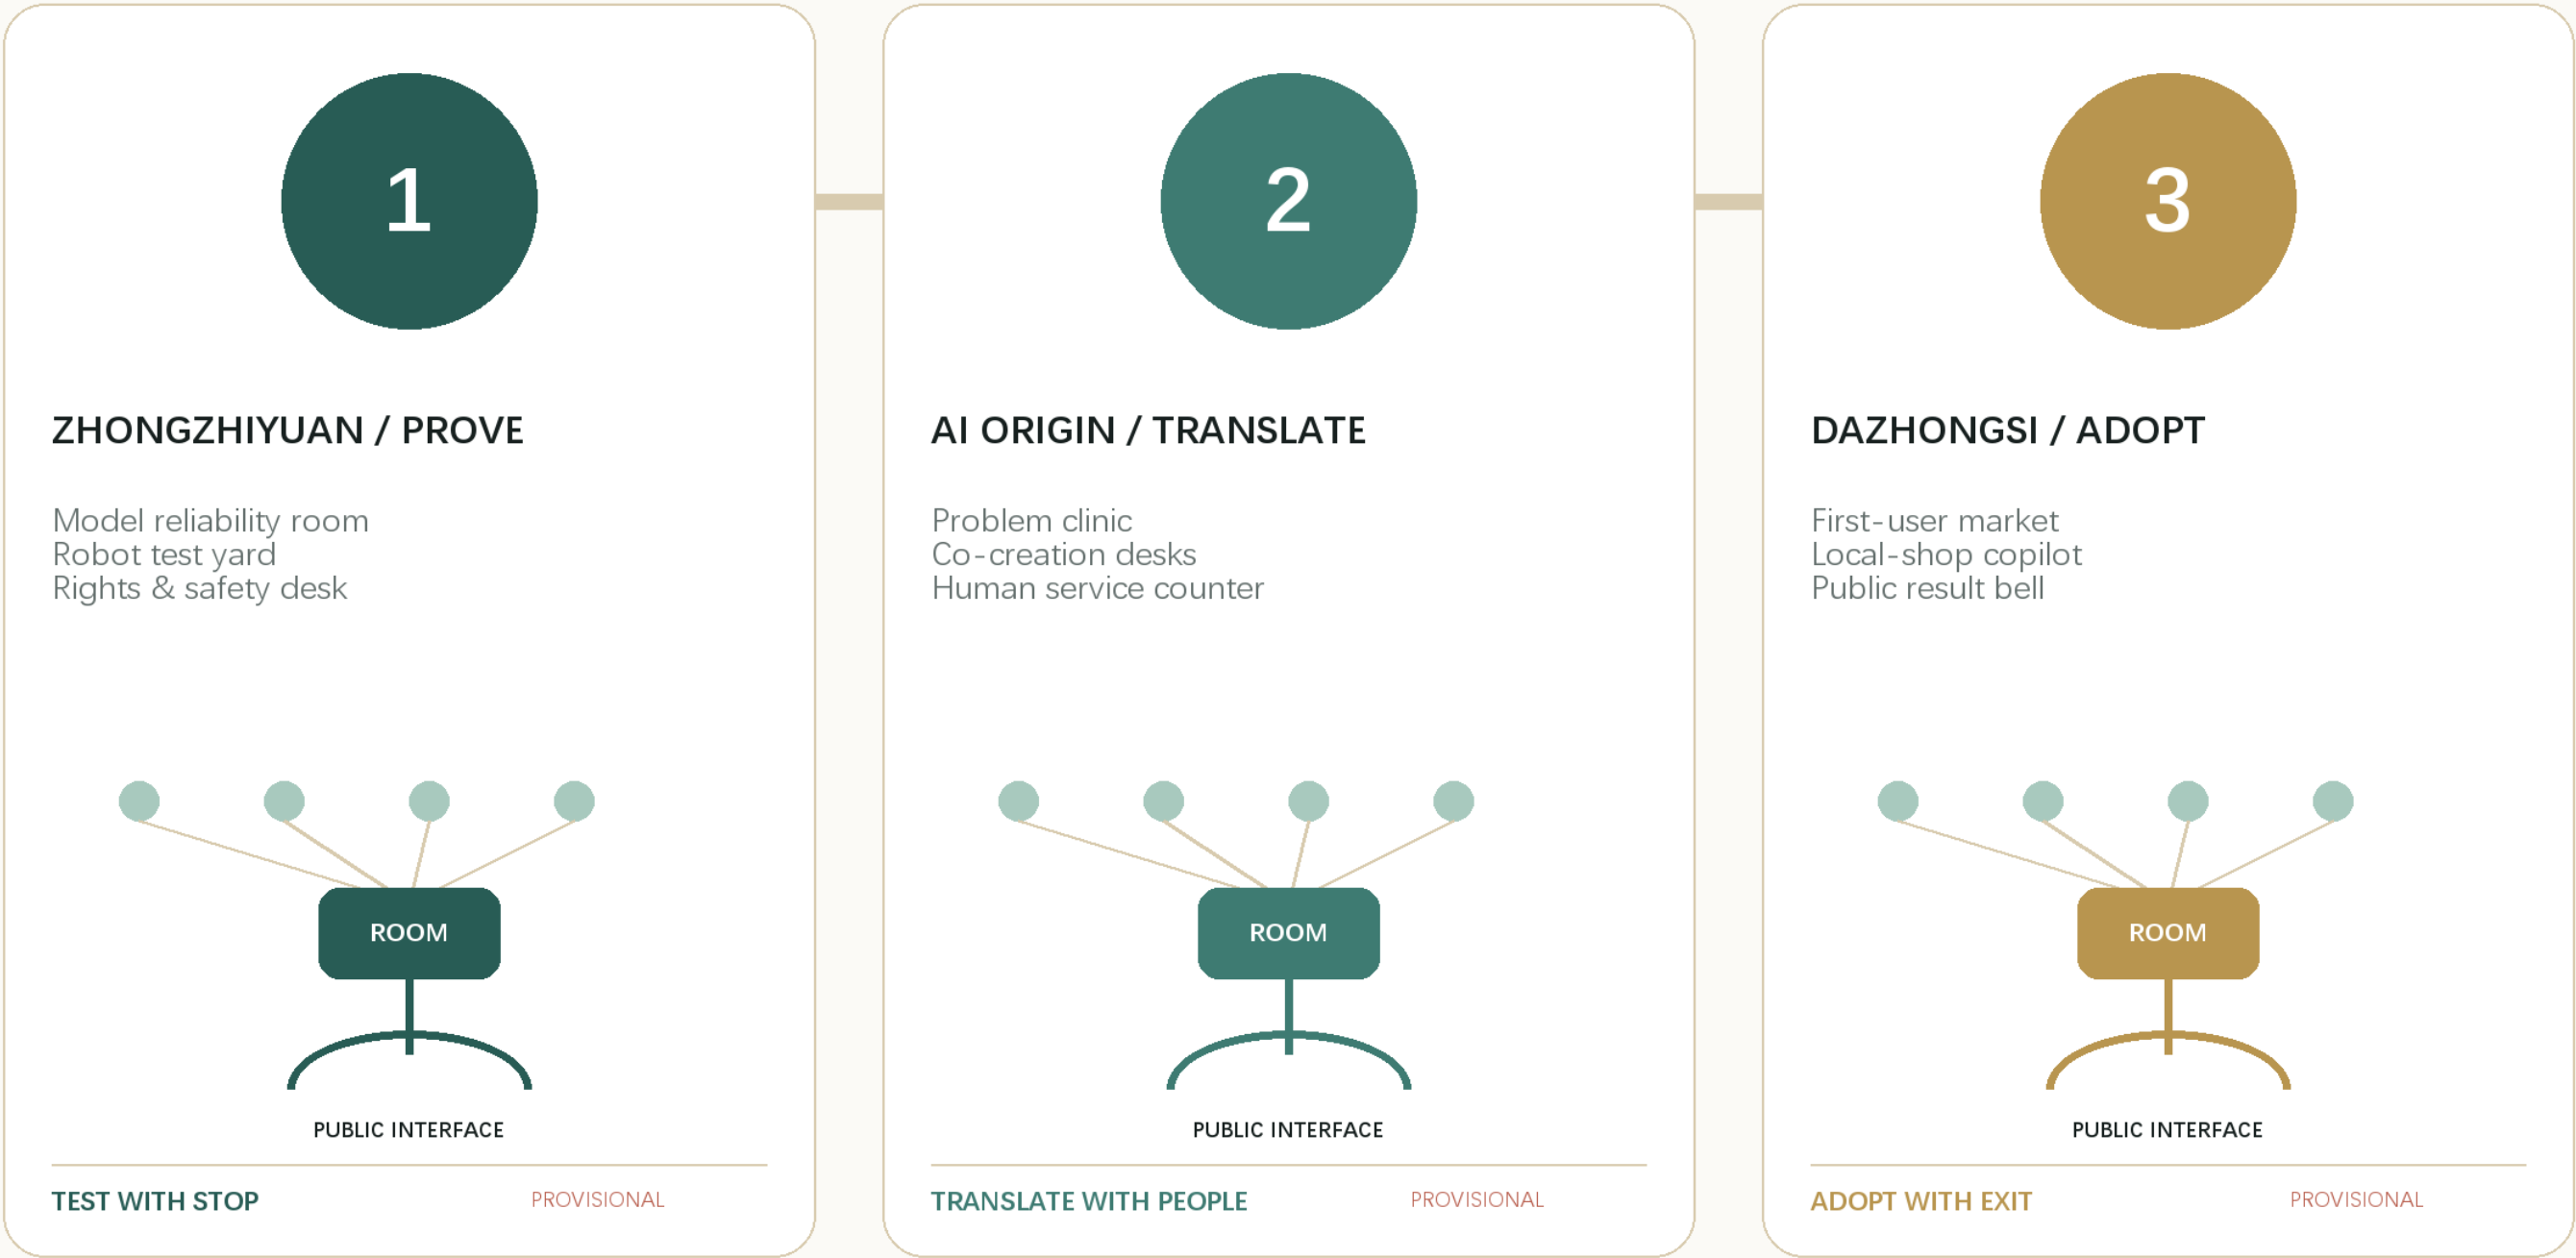

THREE-STATION RELAY

Prove · Translate · Adopt

03 / KEY AREAS

THREE-STATION RELAY

PROVE · TRANSLATE · ADOPT

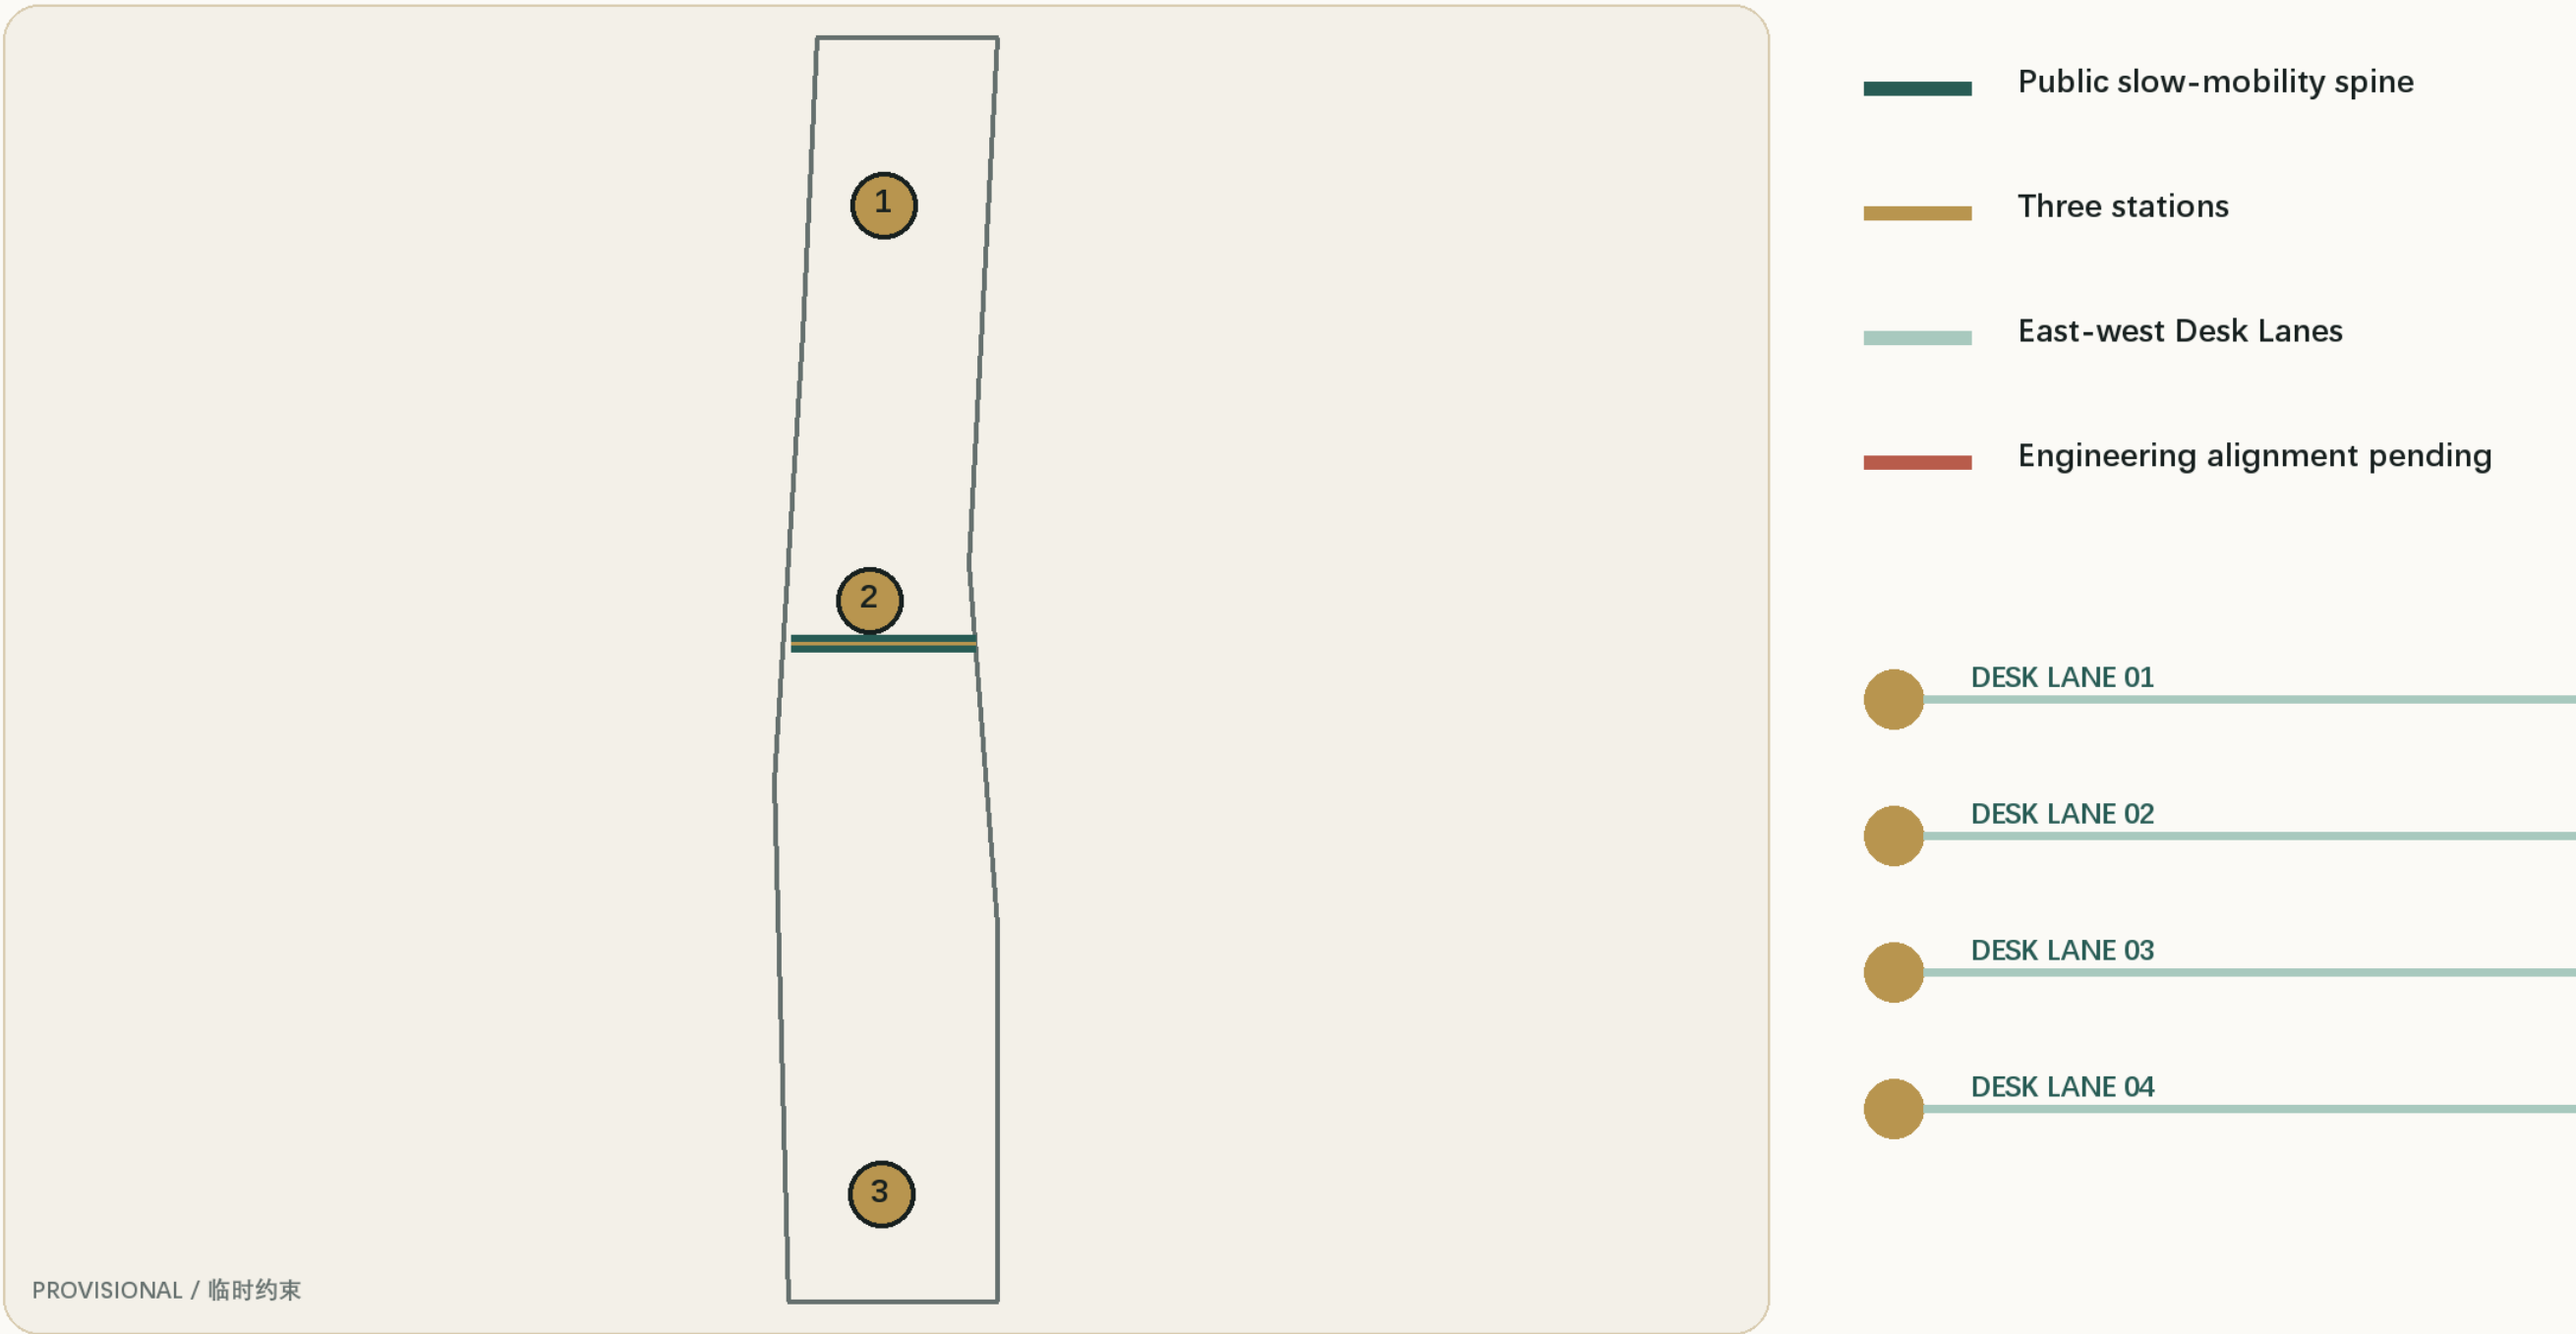

COMMONS NETWORK

Slow mobility / blue-green / service points

04 / MOBILITY + BLUE-GREEN

COMMONS NETWORK

Walk to a desk · cycle between stations · connect adoption to rail

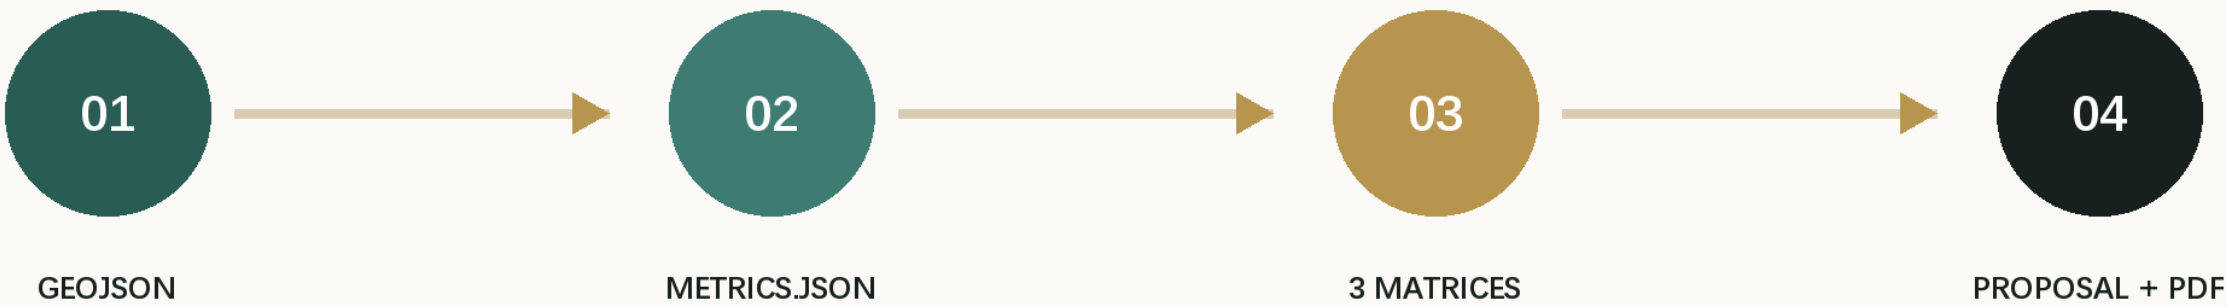

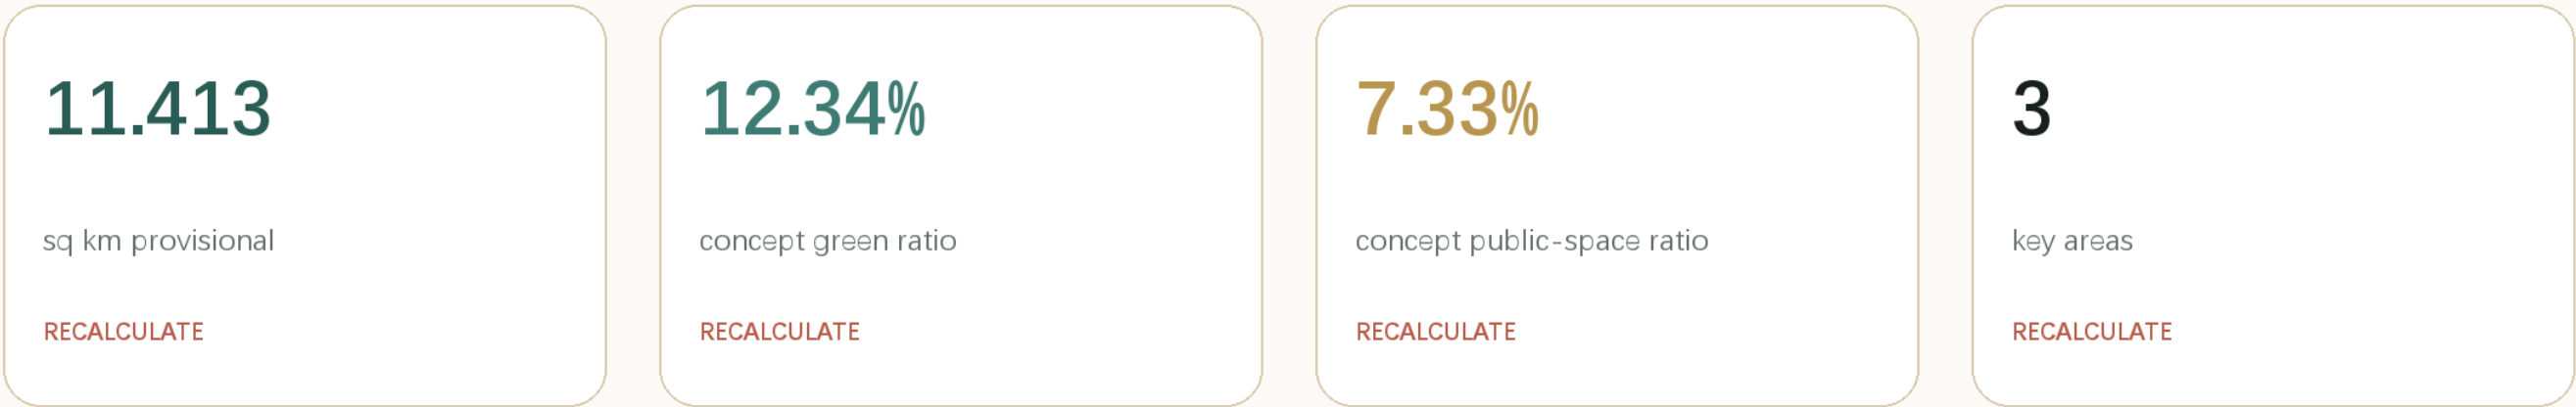

EVIDENCE BEFORE PROMISE

Geometry / metrics / matrices / proposal

05 / METRICS + AUDIT

EVIDENCE BEFORE PROMISE

Geometry → metrics → matrices → readable proposal

Figures explain. Structured data remains authoritative.
