

Neural JingZhang concept, three-level scope, spatial structure, key areas, neural pathway

Land use topology, building footprints, retain-renovate-demolish, renewal projects

Road network, rail integration, slow traffic, municipal infrastructure

Park vitality belt, green-blue network, public space, AI scenario nodes

Zhongzhiyuan, AI Origin Community, Dazhongsi detailed design

10 scenario cards, 5 personas, annual events, developer community, operation

Metrics recalculation, compliance matrix, standard matrix, self-check status
