

MEET YARD • Urban Design Master Plan

One Spine • Three Stations • Two Wings • land use / blue-green / mobility / renewal overlay

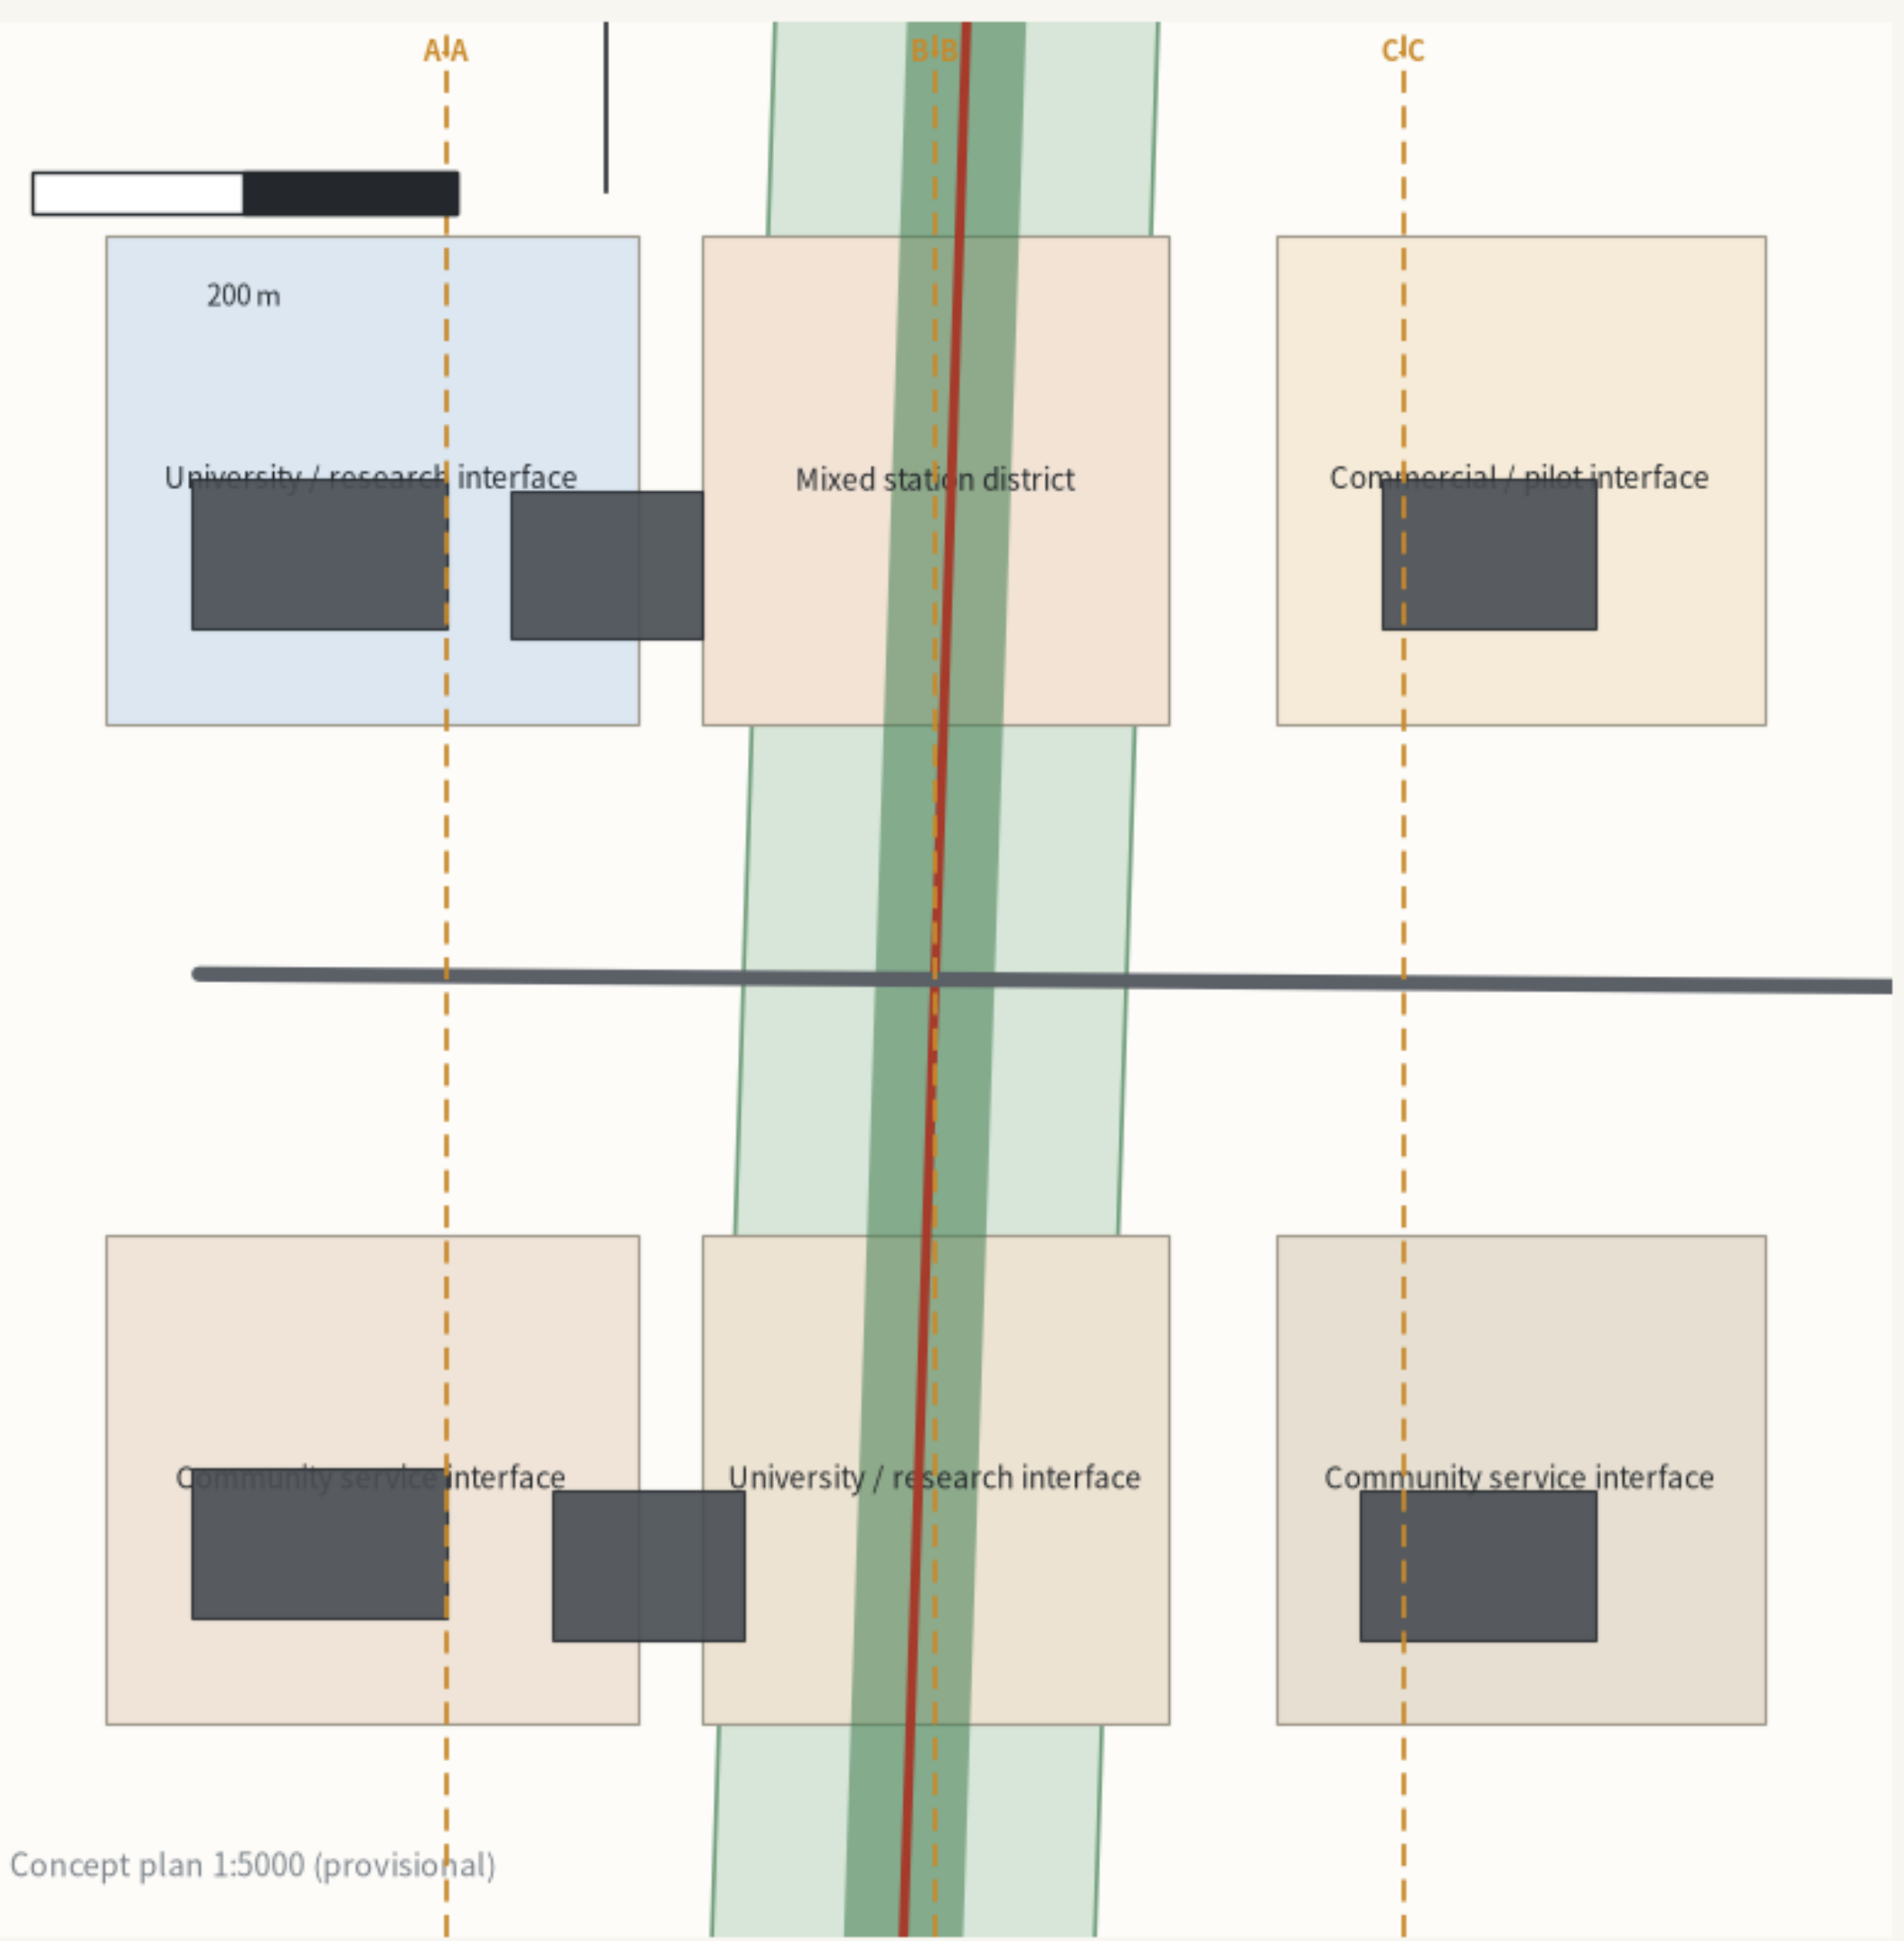

P2 1-km demonstrator and urban design master plan (concept • provisional boundary)

Source: geometry/* .geojson (provisional) + public background anchors; EPSG:4548; concept only.

1-km Full-Scale Demonstrator (Wudaokou–Qinghuayuan direction)

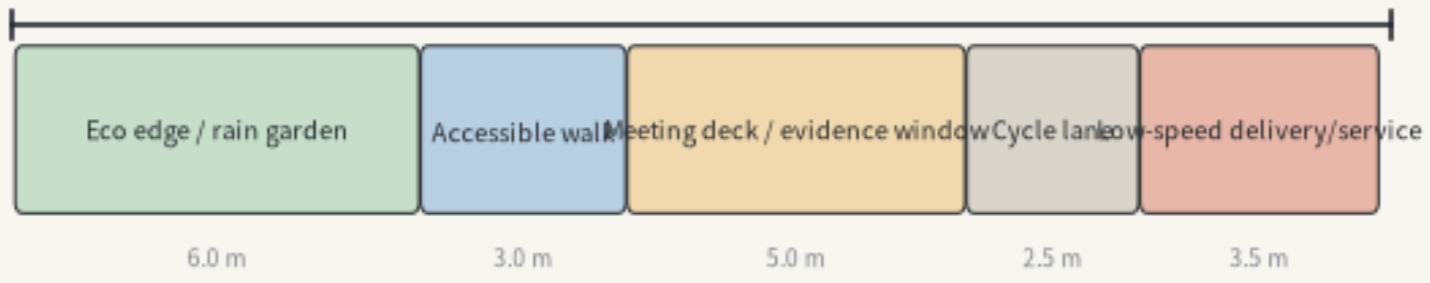

1 km × 1 km concept plan + three street sections · public anchors: park phase 2 open (9 km), corridor control plan approved (background)

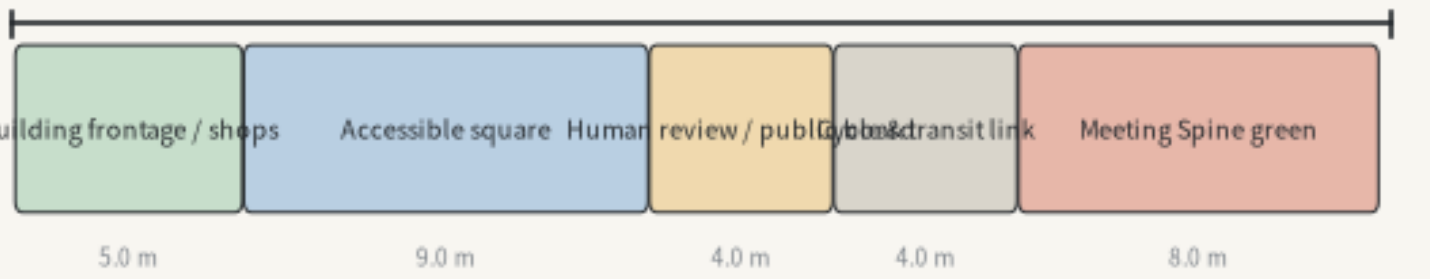

Source: geometry/* .geojson (provisional) + public background anchors; EPSG:4548; concept only.

Street sections (concept dimensions, not engineering)

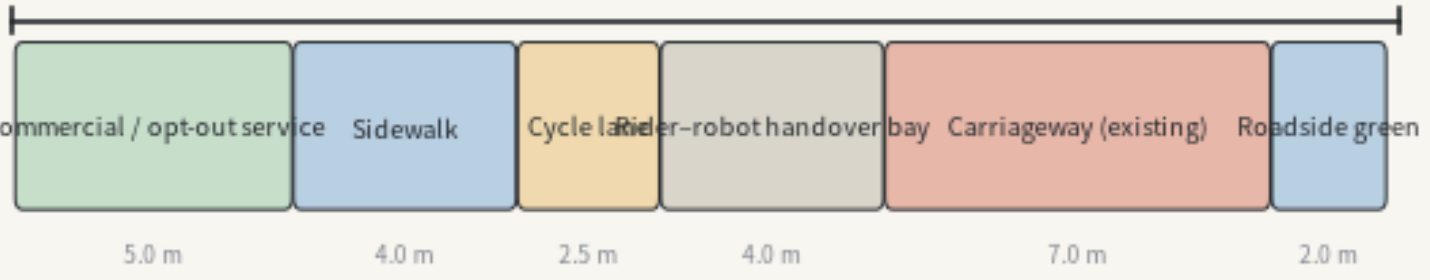

A-A Park-edge meeting deck

B-B Station square

C-C Street handover bay

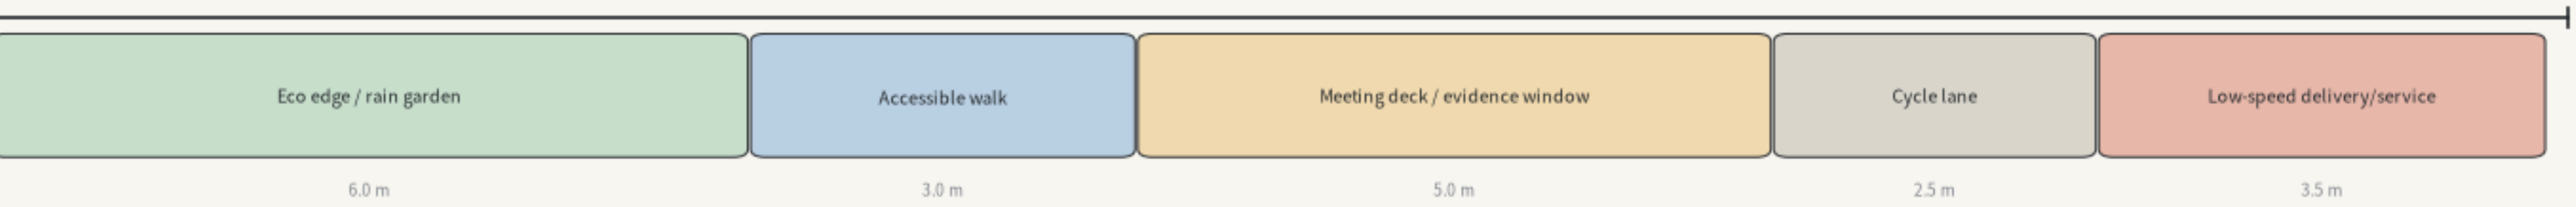

Section widths only illustrate public-space allocation; redlines, ownership and engineering are pending professional verification.

Three Street Sections of the Meeting Spine (concept)

P2 1-km demonstrator and urban design master plan (concept · provisional boundary)
Park edge / station square / handover bay street interface · 1:250 concept

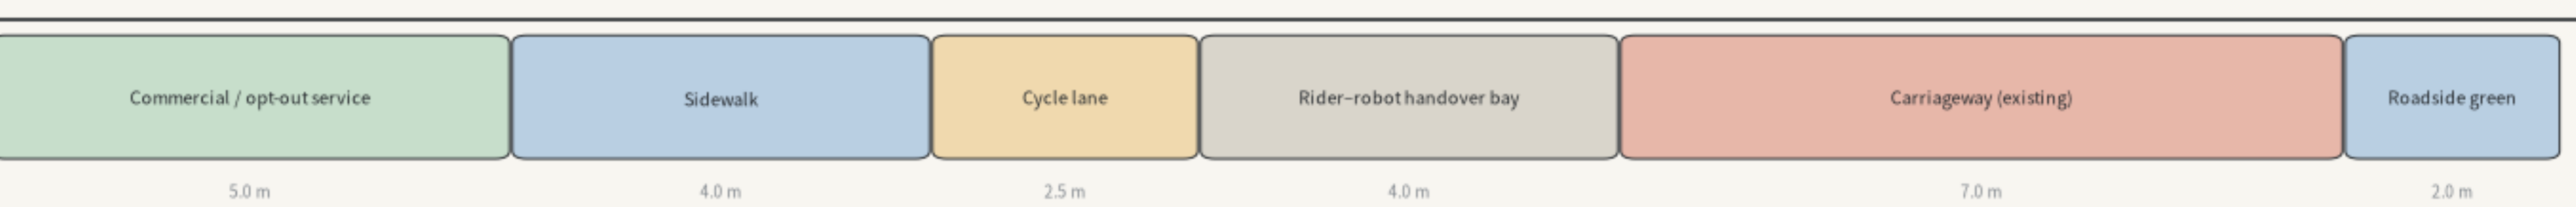

A-A Park-edge meeting deck

B-B Station square

C-C Street handover bay

Section widths only illustrate public-space allocation; redlines, ownership and engineering are pending professional verification.
