京张智脉 · 从铁轨到神经元

百年京张AI创新带城市设计概念方案 · A0 总图板（临时边界 intake）

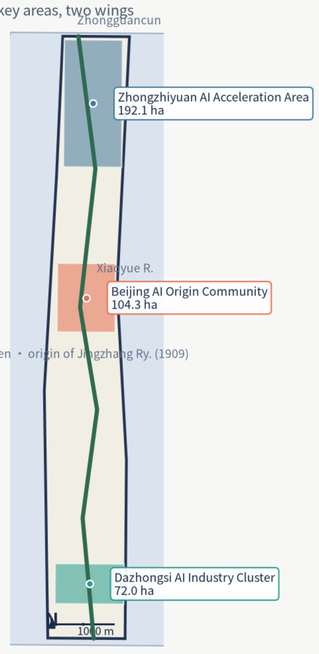
总体设计 1,141.3 ha（复算）· 绿地率 27.4% · 公共空间率 7.0%

Jingzhang AI Artery — from Rails to Neurons

Centennial Jingzhang AI Innovation Belt · open-call concept · AO board (provisional boundaries)

Jingzhang AI Artery — Location and Three-Level Scopes

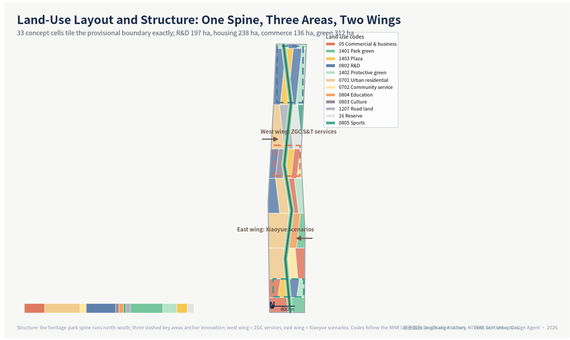
Centennial Jingzhang AI Innovation Belt open-call concept • one spine, three key areas, two wings

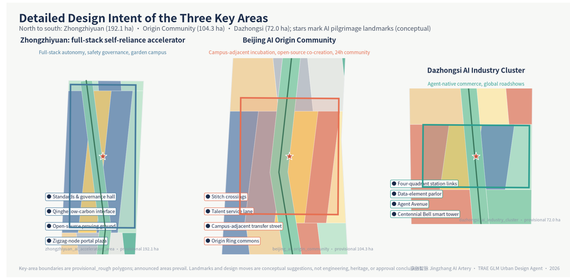


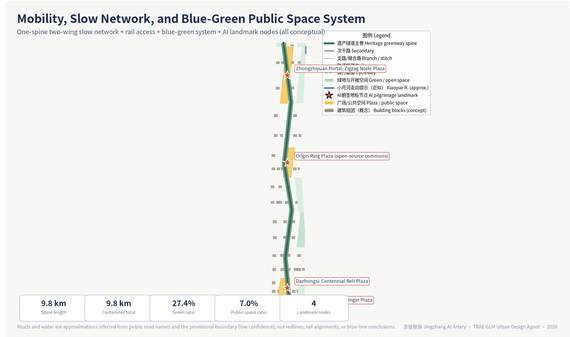
Three-level scopes

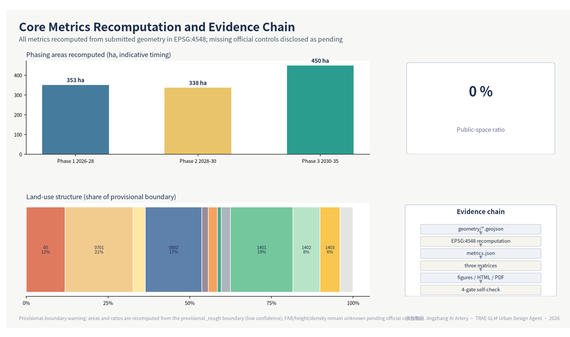
Coordinated research area
43.6 km² (announced)
Overall design area
11.4 km² announced / 11.41 km² recomputed
Key detailed design areas
368.4 ha announced / 369.3 ha recomputed

Boundaries: grey = coordinated research area (approximate); dark outline = overall design area (provisional_rough, not an official redline); key areas are provisional polygons, and the Jingzhang AI Artery • TRAE GLM Urban Design Agent • 2026









Provisional geometry for intake review only; replace with official redlines before formal scoring. Participant: 777-shj.
