

JINGZHANG WEAVE

Centennial railway memory · AI public life · open urban innovation

JINGZHANG WEAVE / SITE OVERVIEW

A provisional, reviewable design frame — not an official redline

□□□□□□ / One belt · three nodes · two wings
history + public life + AI ecosystem

ZHONGZHIYUAN

AI ORIGIN

01 ZHONGZHIYUAN

full-stack autonomy / test & governance

02 AI ORIGIN

campus-to-street / open-source commons

03 DAZHONGSI

station + smart-native life

Evidence: site_boundary · key_areas · land_use · roads · green_space · public_space | provisional geometry

DESIGN JUDGMENT

Make the railway trace legible as a daily public-life network: three innovation nodes share one slow spine, while two service wings keep the belt open to campus, enterprise and neighborhood life.

EVIDENCE + PHASING

P1 0–2y

public-first

P2 2–5y

service + loop

P3 5y+

professional deepening

11.413 km² · 12.34% green · 7.33% public · 3 nodes · 10 AI cards
