ONE SPINE · THREE YARDS · SIX ROOMS · TWELVE STATIONS · TWO WINGS

PROVISIONAL GEOMETRY · CONCEPTUAL · NOT FOR A/F

Data: submitted GeoJSON; grey dash = provisional extent

The score does not automate everyone. Every intelligent system must first prove:

- 01 People retain priority
- 02 A screen-free route works
- 03 A person can pause it
- 04 Failure and exit are public
- 05 Replication follows a passed gate

OPERATING RULES

- People and mobility aids first
- Timed robot yielding
- Human pause available
- Failure and exit published
