

OPEN STACK JING-ZHANG

A public section through the resources, labour and accountability behind urban AI

ONE WALK · THREE YARDS · TWO FEEDS · TWELVE WINDOWS · SEVEN PUBLIC LAYERS

01 OVERALL STRUCTURE / ONE PUBLIC SECTION

01 ZHONGZHIYUAN / FOUNDATION + VERIFICATION

chips · models · standards · safety · resource metering

02 AI ORIGIN / CO-CREATION + TRANSLATION

universities · open source · data rights · learning

03 DAZHONGSI / EVERYDAY ADOPTION

terminals · services · adoption · human support

7 PUBLIC LAYERS

RESOURCES · LABOUR · ACCOUNTABILITY

01 Energy

02 Compute

03 Data + rights

04 Model review

05 Applications

06 Human labour

07 Governance

02 LAND USE / SEVEN CONNECTED BANDS

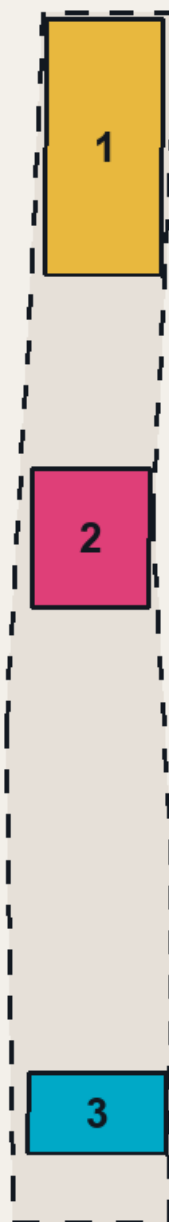

FULL-STACK SECTION

01	Ecological buffer and stormwater edge	6.9%
02	Open learning and talent services	14.7%
03	Core research and verification	21.1%
04	Jing-Zhang public stack walk and park	17.5%
05	Innovation translation and shared services	16.4%
06	Community service and care	17.3%
07	Mixed housing and talent community	6.1%

TOPOLOGY: union of seven bands = provisional site; no pairwise overlap.
STATUS: urban-design concept; rework against parcels, tenure, existing use and statutory controls.

03 THREE STACK YARDS / VERIFY, TRANSLATE, ADOPT

1

ZHONGZHIYUAN / FOUNDATION + VERIFICATION

Full-Stack Section Hall · model test gallery · standards clinic · Resource Switchyard

Disclose: energy, compute, test conditions, human takeover

2

AI ORIGIN / CO-CREATION + TRANSLATION

open model kitchen · consent desk · youth residency · Contributors' Platform

Disclose: data rights, versions, contribution work, opt-out

3

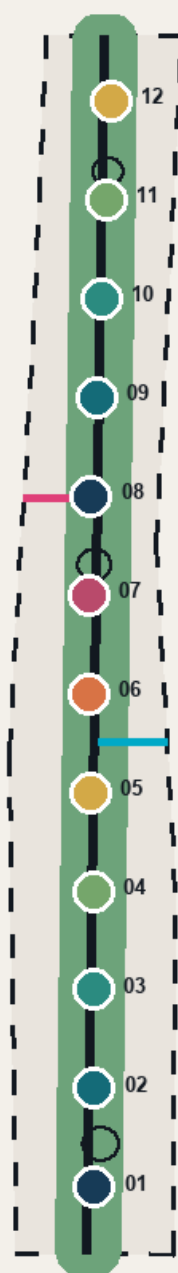

DAZHONGSI / EVERYDAY ADOPTION

Civic Operations Front Desk · repair shop · opt-out station · night care

Disclose: service limits, owners, maintenance, complaints

04 MOBILITY + BLUE-GREEN / 12 STACK WINDOWS

12 STACK WINDOWS

HUMAN REVIEW IS SPATIAL INFRASTRUCTURE

01 accessible walking	02 low-speed delivery
03 health navigation	04 rail culture
05 enterprise compliance	06 safety review
07 model evaluation	08 data consent
09 energy dispatch	10 robot maintenance
11 youth learning	12 small-merchant support

STOP LINE

safety harm · privacy breach · persistent bias · failed takeover · unfunded operations

05 CORE METRICS / KNOWN, UNKNOWN, RECALCULATE

11.41 km²

provisional site envelope

12

stack windows

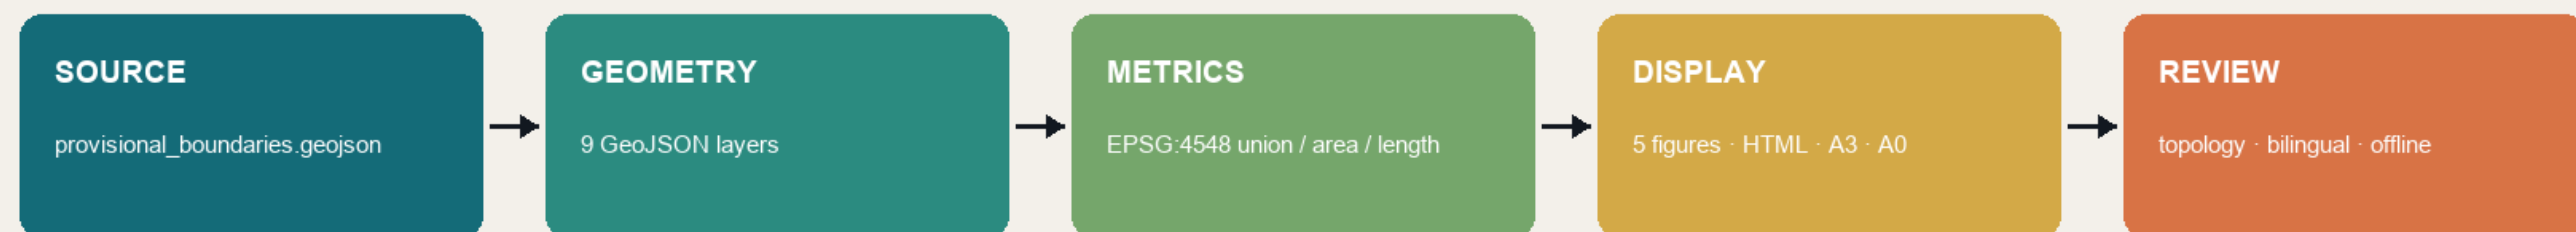

3

key-area stack yards

9.72 km

public stack walk

EVIDENCE CHAIN

UNKNOWN BY DESIGN

FAR · BUILDING HEIGHT · DEMOLITION · OFFICIAL REDLINES · OWNERSHIP · UTILITIES

Replace SITE-001 with official geometry, then regenerate every dependent metric, figure and review.

01

accessible walking

02

low-speed delivery

03

health navigation

04

rail culture

05

enterprise compliance

06

safety review

07

model evaluation

08

data consent

09

energy dispatch

10

robot maintenance

11

youth learning

12

small-merchant support

01

Minimum public stack

data completion · access audit · 3 temporary windows

02

Three stack yards linked

evaluation · consent · maintenance · everyday services

03

Belt-wide operations

12 windows · annual resource account · continue/change/close
