

Jingzhang Resonance Loop: Heritage-Park Innovation for a Human-Centred AI City

Centennial railway × Zhongguancun culture × AI culture | public validation line | offline civic returns

HERITAGE

INNOVATION

ECOLOGY

Qinghuayuan—Dongsheng—Zhongguancun—Dazhongs: one continuous civic innovation axis

Zhongzhiyuan | Test Return Court

Trusted testing, compute literacy and staffed Q&A; court, shade and inquiry remain when the exhibit is off.

AI Origin | Knowledge Return Gallery

Campus-edge conversion, open collaboration and rights notice; public worktable and physical guide require no login.

Dazhongs | Daily Return Gate

Repair crossings, wayfinding, seating and staffed inquiry before explainable services.

Lasting returns: what remains after a digital service pauses?

Mobility return shade, seating, ground cues and offline route map	Knowledge return physical guide, attribution, public worktable and withdrawal route	Care return static wayfinding, access point, night cues and on-site reporting
